Dear Mr Cutteridge,

Licensing Act 2003: S 136 – unlicensed sale of alcohol

Premises: Brussels Wharf, Wapping Wall, Wapping, London E1W 3SG

As you are aware from my representation already made in the papers going before the Licensing Sub-Committee on 21st June 2022, this Licensing Authority is investigating you and your business regarding possible breaches of the Licensing Act 2003, namely the sale of alcohol, which occurred at the above address on 3rd December 2021. You will be formally invited to an interview about this matter soon.

In the meantime, as the Licensing Sub-committee hearing for the premises licence application is tomorrow, I would place on record that you do not have to say anything, but it may harm your defence if you do not mention, when questioned, something which you later rely on in Court. Anything you say may be given in evidence.

I would also place on record that I understand you may nonetheless of course want to speak tomorrow night and/or have others do so on your behalf in support of your application to the Licensing Sub-Committee for a premises licence to sell alcohol.

As you are of course, already legally represented, your solicitors are copied in both as a matter of courtesy, and so that they can advise you as necessary.

If you have any questions regarding the above, please do not hesitate to contact me.

Kind regards,

Mohshin Ali
