## **5. Grounds for Revocation of the Licence**

5.1 The Environmental Health Department has requested the hearing with the Licensing Committee to revoke the special treatment licence. The report detailing the reasons for this can be found at **Appendix 4**. Find below a summary of the comments.

- The business has been investigated and found to be offering services of a sexual nature to customers. On the 15<sup>th</sup> and 29<sup>th</sup> of October 2021, test purchases were carried out and on both occasions during the massage, services of a sexual nature were offered to the test purchaser.
- On the 22<sup>nd</sup> March 2022, the Council became aware that the therapists who offered the sexual services during the test purchases had not been any of those approved by the Council to carry out massage treatments.

- The licence holder and sole trader Yani Wong is responsible for the management of the business and therefore the person concerned in the conduct and management of the premises. She should be reasonably regarded as not being fit and proper persons to hold such a licence.
- Under the London Local Authorities Act 1991, the Council may refuse to renew a licence held by a person for grounds mentioned in Section 8 of the Act which include the licence holder not being a fit and proper person to hold a licence (c) the persons giving the treatment not being suitably qualified (d) the premises being improperly conducted (e).
- Under Section 9(2) of the London Local Authorities Act 1991, the Council may revoke a licence held by a person for grounds mentioned in Section 8 which includes premises being improperly conducted and the licence holder not being a fit and proper person to hold a licence.

## **12. COMMENTS OF THE CHIEF FINANCE OFFICER**

- 12.1 There are no material financial implications emanating from the decision to revoke the special treatment license for Natural Treatment. ## **13. COMMENTS OF LEGAL SERVICES**

13.1 Section 10 of the London Local Authorities Act 1991 enables the local authority to make regulations prescribing standard conditions applicable to all licenses for special treatment premises.

13.2 The London Borough of Tower Hamlets made such regulations which are produced as Appendix 3 to this report. Regulation 7(B) provides that “The licensee shall ensure that no part of the premises are used by prostitutes, for soliciting or any other immoral purposes.” Condition 8 provides that “Except as provided by 8(c) below, treatments shall be given only by qualified persons who have been approved by the Council...” This is subject to certain administrative provisions being complied with. The exception in Regulation 8(c) is that the person giving treatment is under the personal supervision of a person approved by the Council and the Council has given written consent for the person to give the treatment.

13.3 Section 9(2) of the London Local Authorities Act 1991 allows the Council to revoke a special treatments licence for any of the reasons set out in section 8 of the Act. Those reasons appear at paragraph 4.4.

13.4 The Committee may decide to take no action on the application, to issue a warning, or to revoke the licence.
