15. Right to work/Immigration Status

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways:

- 1) by providing with this application copies or scanned copies of the documents which an applicant may provide to demonstrate their entitlement to work in the UK (which do not need to be certified) that are published on GOV.UK and in guidance issued under Section 182 of the Licensing Act 2003;
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their

right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

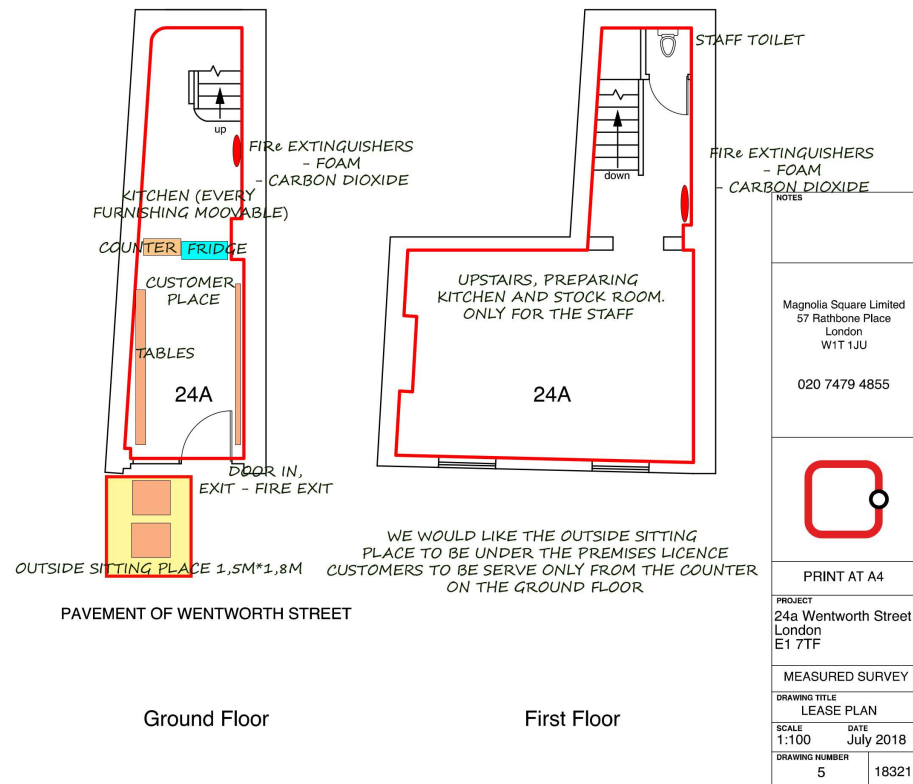

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home office. Your licence application will not be determined until you have complied with this guidance.

Section 182 Advice by the Home Office Updated on April 2018

Relevant, vexatious and frivolous representations

- 9.4 A representation is “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new premises would deter customers from entering the local area, and the steps proposed by the applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives. For representations in relation to variations to be relevant, they should be confined to the subject matter of the variation. There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations, and in fact this would not be possible for new premises.
- 9.5 It is for the licensing authority to determine whether a representation (other than a representation from responsible authority) is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. A representation may be considered to be vexatious if it appears to be intended to cause aggravation or annoyance, whether to a competitor or other person, without reasonable cause or justification. Vexatious circumstances may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Licensing authorities can consider the main effect of the representation, and whether any inconvenience or expense caused by it could reasonably be considered to be proportionate.
- 9.6 Frivolous representations would be essentially categorised by a lack of seriousness. Frivolous representations would concern issues which, at most, are minor and in relation to which no remedial steps would be warranted or proportionate.
- 9.7 Any person who is aggrieved by a rejection of their representations on either of these grounds may lodge a complaint through the local authority’s corporate complaints procedure. A person may also challenge the authority’s decision by way of judicial review.
- 9.8 Licensing authorities should not take decisions about whether representations are frivolous, vexatious or relevant to the licensing objectives on the basis of any political judgement. This may be difficult for councillors who receive complaints from residents within their own wards. If consideration is not to be delegated, contrary to the recommendation in this

Guidance, an assessment should be prepared by officials for consideration by the sub-committee before any decision is taken that necessitates a hearing. Any councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.

9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.

9.10 Licensing authorities should consider providing advice on their websites about how any person can make representations to them.

Licensing Act 2003

New premise licence The Hungry Tummy 24a Wentworth Street E1 7TF

The Licensing Authority (acting a Responsible Authority) is making a representation against the above application.

Special Cumulative Impact Policy for the Brick Lane

This special policy creates a rebuttable presumption that applications for the grant or variation of premises licences or club premises certificates which are likely to add to the existing cumulative impact will normally be refused following the receipt of representations, unless the applicant can demonstrate in the operation schedule that there will be no negative cumulative impacts with one or more of the licensing objectives.

The Council reviewed the Special Cumulative Impact Policy in 2021 and, following consultation, decided it was still of the opinion that the concentration of licensed premises within Brick Lane area was having a cumulative impact on the licensing objectives of crime and disorder and prevention of public nuisance.

The Licensing Authority is of the view that the number, type and density of premises selling/supplying alcohol for consumption on and off the premises and/or the provision of late night refreshment in the Brick Lane is having a cumulative impact on the licensing objectives. Therefore, it is likely that granting further licences would be inconsistent with the authority's duty to promote the licensing objectives. Thus, it has declared a cumulative impact assessment within these areas.

This Policy will be strictly applied and where relevant representations are received and it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane CIA if they wish to rebut this presumption.

Tower Hamlets Council
Town Hall
Mulberry Place
5 Clove Crescent
E14 2BG

The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications (Councillors, Members of the Public) within the CIA zones the application will be refused.

Where representations have been received in respect to applications within the CIA zones the onus is on the applicant to adequately rebut the presumption.

This special policy is not absolute and the Licensing Authority recognises that it has to balance the needs of businesses with local residents. The circumstances of each application will be considered on its merits and the Licensing Authority shall grant applications, when representations are not received. The applicant should demonstrate that the operation of the premises will not add to the cumulative impact on one or more of the following licensing objectives:

- *Prevention of Crime and Disorder;*
- *Prevention of Public Nuisance.*

Therefore, applicants will be expected to comprehensively demonstrate why a new or varied licence will not add to the cumulative impact. They are strongly advised to give consideration to mitigating potential cumulative impact issues when setting out steps they will take to promote the licensing objectives in their operating schedule.

Possible exceptions to the Brick Lane and Bethnal Green Cumulative Impact Assessments

- *Applications for licences for small premises with a capacity of fifty persons or less who only intend to operate within framework hours, and that;*
 - *Only have consumption of food (late night refreshment) and drink (alcohol) on the premises only,*
 - *Only provide Off sales of food (late night refreshment) and drink (alcohol) for delivery (i.e. not for take away),**and,*
 - *Have arrangements to prevent vertical drinking, for example fully seated venues;*
- *Applications for licences that are not alcohol led (e.g. Hairdressers wanting to provide alcohol to clients during their hair cut/treatments),*
- *Applications for licences where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same CIA Area.*

*Licensing Authority will **not** consider the following as possible exceptions:*

- *that the premises will be well managed and run,*
- *that the premises will be constructed to a high standard,*
- *that the applicant operates similar premises elsewhere without complaint.*

Licensable activities and times

The Licensing Authority has had regard to the Guidance to the Act when determining this policy. The end times set out in the policy are not (and should not be regarded as) the 'usual' or 'normal' terminal hour for licensable activities in the Borough. Instead, the 'framework hours' serve to identify cases where the Licensing Authority will pay particular regard to the likely effect on the local neighbourhood of carrying out the proposed licensable activities during the hours applied for. Applications for hours up to the end of the Framework Hours will not automatically be granted. This policy will be applied only where relevant representations are made. Each case will be considered on its merits.

- Sunday – 06:00 hours to 22:30 hours
- Monday to Thursday – 06:00 hours to 23:30 hours
- Friday and Saturday – 06:00 hours to 00:00 hours (midnight)

Applications in respect of premises licences and club premises certificates to authorise licensable activities outside the framework hours, and in respect of which relevant representations are made, will be decided on their own merits and with particular regard to the following.

- a) The location of the premises and the general character of the area in which the premises are situated. (i.e. does the area include residential or business premises likely to be adversely affected).
- b) The proposed hours during which licensable activities will be take place and the proposed hours during which customers will be permitted to remain on the premises.
- c) The adequacy of the applicant's proposals to address the issues of the prevention of crime and disorder and the prevention of public nuisance.
- d) Where the premises have been previously licensed, the past operation of the premises.
- e) Whether customers have access to public transport when arriving at or leaving the premises at night time and in the early hours of the morning.
- f) The proximity of the premises to other licensed premises in the vicinity and the hours of those other premises.

The Home Office guidance

under Section 182 of the Licensing Act 2003 (8.42) says:

"Applicants are, in particular, expected to obtain sufficient information to enable them to demonstrate, when setting out the steps they propose to take to promote the licensing objectives, that they understand:

- *the layout of the local area and physical environment including crime and disorder hotspots, proximity to residential premises and proximity to areas where children may congregate;*
- *any risk posed to the local area by the applicants' proposed licensable activities; and*
- *any local initiatives (for example, local crime reduction initiatives or voluntary schemes including local taxi-marshalling schemes, street pastors and other schemes) which may help to mitigate potential risks."*

Application:

The premises has been described as a small restaurant/eatery approximately 5m x 3m for the customer area which has tables and chairs. There is also a small seating area of 1.8m x 1.5m outside of the premises. They wish to have an offering of alcohol for on and off sales. The licensable activities are within the council's framework hours.

The premises is on the small size and the outside area is also notably of a small size. Although this premises is within the framework work hours and that it may have little impact on the CIA, it has been noted that in the operating schedule, the applicant has not addressed the fact that the premises falls within a CIA.

The applicant has insufficient information on how they intend to uphold the licensing objectives in regard to the outside seated area and off sales, namely concerning public nuisance or crime and disorder within the CIA and also has not demonstrated how the premises will not have a negative effect on the already saturated area.

I note in the application that there are no restrictions on the timings the outside area can be used and therefore people could be seated outside until closing at 22:00 hours. This could cause a noise disturbance to the nearby residents. The committee may wish to address this.

On a balance of probability, this Authority is concerned by the addition of this premises selling alcohol within the CIA, potentially adding to the existing anti-social issues in the area, particularly for the off sales and no restrictions on the outside seated area. The addition of alcohol could cause customers to be in high spirits and therefore potentially undermining the licensing objectives.

If appropriate conditions were imposed onto the licence, the application could be considered to fall under the possible exemptions of the CIA as detailed in the Licensing Policy.

If the applicant is unable to prove to the Licensing Sub-Committee, through the implementation of appropriate conditions within the Operating Schedule, that the granting of the application will not undermine the licensing objectives; then the application should be rejected. However, if the Sub-Committee is minded to grant a licence then I would ask that the following conditions be attached:

1. The premises shall install and maintain a comprehensive CCTV system. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the entire 31 day period.
2. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open. This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested.
3. An incident log shall be kept at the premises, and be available on request to the Police or an authorised officer. It must be completed within 24 hours of any incident and will record the following:
 - a) all crimes reported to the venue;
 - b) all ejections of patrons;
 - c) any complaints received concerning crime and disorder
 - d) any incidents of disorder;
 - e) all seizures of drugs or offensive weapons;
 - f) any faults in the CCTV system, searching equipment or scanning equipment;
 - g) any refusal of the sale of alcohol;
 - h) any visit by a relevant authority or emergency service
4. When the designated premise supervisor is not on the premises any or all persons authorised to sell alcohol will be authorised by the designated premises supervisor in writing. This shall be available on request by the Police or any authorised officer.
5. A direct telephone number for the manager at the premises shall be publicly available at all times the premises is open. This telephone number is to be made available to residents and businesses in the vicinity.
6. The supply of alcohol at the premises shall only be to a person seated taking a table meal there and for consumption by such a person as ancillary to their meal.
7. There shall be no vertical drinking at the premises.
8. Customers shall not be permitted to take alcohol beyond the boundary of the outside seated area, save for those alcoholic beverages in a sealed container for the purpose of takeaway.

9. Challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence, passport or proof of age card with the PASS Hologram.

Yours faithfully

Subject: 148706 MAU REPRESENTATION New Premise Licence application for The Hungry Tummy 24a Wentworth Street, London

Dear Licensing,

Having considered the premises license application for The Hungry Tummy 24a Wentworth Street, London i have to consider the impact of the licensing objectives, particular for Environmental Protection the prevention of public nuisance and the prevention of noise generated from within the premises or outside to be causing disturbance to people in the vicinity. Consideration also has to be given to the fact that the premises is within Brick Lane Cumulative Impact Zone.

Whilst the premises operating hours are within framework hours there is insufficient information in the operating schedule of the licence application to show how the applicant will promote the licensing objective for the prevention of public nuisance, nor consideration of the impact on public nuisance from increase footfall from persons accessing and egressing the premises, patrons outside the premise leaving to smoke etc, particularly when considering the premises is in Brick Lane Cumulative Impact Zone.

Noise Sensitive premises: residential premises in close proximity.

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to “public nuisance” for the following reasons:-

- Noise breakout from the venue affecting neighbouring residents,
- Access & egress to and from the venue including patrons outside the premises to smoke, whilst the premises is in operation

CONCLUSION

Environmental Protection **does not** support the application for The Hungry Tummy 24a Wentworth Street, London for the following reasons:

- (1) There is great likelihood of disturbance to residential premises from the impact of additional footfall

- (2) The applicant have not provided sufficient information to show how they will promote the licensing objective for the prevention of public nuisance
- (3) The premises is in Brick Lane Cumulative Impact Zone.

If the committee are minded to grant this application I would ask that the following conditions be considered:

- 1 Loudspeakers shall not be located in the entrance lobby or outside the premise building.
2. Patrons permitted to temporarily leave and then re-enter the premises, e.g. to smoke, shall be limited to 5 persons at any one time.
3. No noise generated on the premises, or by its associated plant or equipment, shall emanate from the premises nor vibration be transmitted through the structure of the premises which gives rise to a public nuisance.

Kind regards

Dear Licensing Team

I write to object to the licence extension which The Hungry Tummy has applied for. I have seen comparison 'hotmaps' of 2017 and 2020 anti social behaviour in the Cumulative Impact Area of Brick Lane, and I'm afraid the area around Wentworth Street has only become more 'red' and therefore of concern, since 2017. The red indicates a rise in ASB - not a decrease. The application is also littered with typos and language issues which causes me some concern on the level of sophistication of the applicant when we are relying on them to take their responsibilities as a licensee seriously. If the application isn't right, then it feels unlikely that the enforcement of tight licensing procedures is likely to be right, which is a serious concern in an area that is saturated from a licence point of view already.

The application is for on and off sales, seven days a week, Mon - Sat 10:00 to 21:59 and Sundays 10:-00 to 19:00. The applicant acknowledges that due to the size of the premises most alcohol would be for off sales. Off sales are a major concern in this area, when we already have an abundant supply, and plenty of ASB that accompanies it. The application states that "they only open daily hours" but the application is for alcohol sales until 10pm 6 days a week.

My specific grounds for objection, in addition to the general ASB concerns in a licence-granted, saturated area are as follows:

The Prevention of Crime and Disorder and Public Safety

The attention to detail in this application (or lack thereof) implies a lack of attention to the high standards required for safe alcohol sales. Without those standards, and with an already 'red' ASB zone around the premises, more off-sales alcohol will create more alcohol-induced petty crime, and plenty more disorder and ASB. This is a real threat to public safety in addition to ASB, as attacks on women and vulnerable customers in this area are 'red' high.

The Prevention of Public Nuisance

The alcohol licence application acknowledges that it will mostly be for off sales, which means more bottles and cans being taken away, drunk (mostly likely) on the street around Wentworth Street and Brick Lane, and an increase in rubbish and public nuisance (including peeing in public places because of a lack of public toilets).

The Protection of Children from Harm

This is an area where there are many families with children living locally, close by. Alcohol sales in such close proximity to families, when the area is already saturated poses a significant risk to children.

Many thanks and best wishes

Alex

Objection to Proposed Licence Application (Alcohol) for the Hungry Tummy, 24A Wentworth St, London E1 7TF

Dear Licensing Team,

My name is Susan Kay and I have been a resident of Spitalfields, for the past 20 years.

I live at [REDACTED]

It has been brought to my attention that there is an Application for on/off sales of Alcohol from The Hungry Tummy, 24A Wentworth St E1 7TF for 7 days a week, Monday to Saturday 10.00 to 21.59 and Sundays 10.00-19.00.

We residents have had to put up with much late night disturbance due to late night openings of bars, restaurants and mini markets being off-licence outlets.

It is for this reason that this area was designated a Cumulative Impact Area (CIA) zone - this to try and combat so much of the Anti Social Behaviour that we were all suffering from. Late off-sales has proven to be a major factor in this long-standing problem, and even more so during the summer months, where, with lighter evenings, unofficial street parties continue into the early hours. We understand that Spitalfields is part of the night economy and many young people come to the area to enjoy a night out, but the noise of drunken people walking along Lamb St into the early mornings to reach the night buses is pretty much intolerable.

Wentworth Street is located in an existing and growing anti-social problem area within the CIA and a licence granted to these premises would only exacerbate existing problems of crime and anti-social behaviour related almost inevitably to alcohol consumption.

There is also the nuisance of tidying up broken glass bottles, urination against walls or into residents' basements most mornings and especially over weekends.

It is for these reasons that I OBJECT to this Application being granted in full or even partially. I would appreciate an acknowledgement of this letter.

With Kind regards,

Susan Kay

Dear Licensing Team

My view is that in a CIZ (where by definition there is already too much alcohol) it is difficult to justify any additional off-sales. The logic is that, if one takes the definition of a CIZ literally, new off-sales licences should only be allowed where they replace other off-sales licences that are cancelled.

On those grounds, I write to object to the Application for an off-licence

Generally, anti social behaviour in the Cumulative Impact Area of Brick Lane, and around Wentworth Street, has become worse since 2017. The application does not give me much comfort that the applicant will be able to comply with the enforcement of licensing procedures. This is of serious concern, from a licence point of view, in an area that is saturated already.

The applicant acknowledges that due to the size of the premises most alcohol would be for off sales. Off sales are already a major concern in this area, when there is already plenty of supply. I notice that the application claims that "they only open daily hours". Why, therefore, is the application for alcohol sales until 10pm 6 days a week?

In addition to the above, the specific grounds for objection are:

The Prevention of Crime and Disorder and Public Safety

There is a lack of attention to detail in this application. This might indicate a lack of attention to the high standards required for safe alcohol sales. Without those standards, and with an already 'red' ASB zone around the premises, more off-sales alcohol will create more alcohol-induced petty crime, and more disorder and ASB. This is a real threat to public safety in addition to ASB, as attacks on women and vulnerable customers in this area are 'red' high.

The Prevention of Public Nuisance

The alcohol licence application acknowledges that it will mostly be for off sales, which suggests that more bottles and cans will be being taken away, much likely to be drunk in the area around Wentworth Street and Brick Lane. Inevitably there will follow an increase in rubbish and public nuisance (including peeing in public places because of a lack of public toilets).

The Protection of Children from Harm

This is an area where there are many families with children. Alcohol sales in such close proximity to families, when the area is already saturated, poses a significant risk to children.

For the reasons I have set out above, I wish to object to the Application as it is currently framed. Please redact my details where this is possible. Many thanks.

Re: Formal Objection to Proposed Licence Application (Alcohol) for The Hungry Tummy, 24A Wentworth Street, London E1 7TF

Dear Licensing Team

I am writing on behalf of Spitalfields Residents Against Anti-Social Behaviour (“SPIRE”), a community group established in 2012, which represents individuals and, at least, six of the largest resident associations including, Exchange Building Residents Association, St George’s Residents Association, Spitalfields Community Group (SCG), Spitalfields Market Residents Association (SMRA), Norton Folgate Community Group (NFCG), and Spitalfields Society, in Spitalfields and Banglatown (“the Ward”).

SPIRE reviews all new and/or amended applications for alcohol licenses in the Ward to ensure the interests of individuals and groups it represents are not negatively impacted by any such application(s).

Specifically, SPIRE reviews all new and/or amended applications for alcohol licenses to ensure they do not contravene applicable law, guidelines, and/or other acceptable practices for alcohol licenses in the Ward. This includes, but not limited to, the appropriate enforcement of the Brick Lane Cumulative Impact Assessment (CIA), which applies to a majority of the Ward.

Where reasonable and possible, SPIRE attempts to first address any concerns and/or objections directly with the individual or party making an application for a new and/or amended alcohol license. Formal objections are only typically made to the London Borough of Tower Hamlets (LBTH) in situations where concerns and/or objections remain unresolved after direct contact with an applicant or if an applicant chooses not to engage with SPIRE.

SPIRE is a 'pro-commerce' community group and supports the careful balance of a vibrant, diverse, and commercial ward with the needs of residents and visitors to appreciate a safe, clean, and liveable neighbourhood free from anti-social behaviour and related issues.

Consequently, when a formal objection is raised by SPIRE, such as the case detailed below, it has been carefully considered and represents a substantial number of constituents in the Ward.

Formal Objection

SPIRE raises formal objection to the application for an alcohol licence from The Hungry Tummy, 24A Wentworth Street, E1 7TF for on- and off-sales, seven days a week, Monday to Saturday 10.00 to 21.59 and Sundays 10:00 to 1900.

The premises are within LBTH's Cumulative Impact Area (CIA) zone and 'hotspot maps' show that the problem of anti-social behaviour has already increased noticeably around Wentworth Street since 2017.

In particular, SPIRE is concerned about the off-sales element in this application. An additional outlet in this part of Spitalfields would add to the existing very high levels of anti-social behaviour with which the area is blighted, off-sales being a major factor in this long-standing problem.. The neighbourhood is already well-supplied with off-sales outlets where customers can buy alcohol to go with their food.

SPIRE's understanding is that licences in the CIA are granted on a 'one in, one out' basis, given the existing saturation with licensed premises, and we have received no information that any alcohol licences have been withdrawn in the Spitalfields area. There is no justification for the granting of a further alcohol licence, especially one in which off-sales are involved.

SPIRE considers that this application is unlikely to satisfy the requirements of the Licensing Act 2003 in that:

The Prevention of Crime and Disorder and Public Safety

The premises are located in an existing and growing anti-social behaviour hotspot within the CIA (see Met. Police Brick Lane Hotspot Map 2020) and are likely to exacerbate existing problems of crime and anti-social behaviour related to alcohol consumption. Specifically, increased off-sales of alcohol will create more drink-induced petty crime and add to local disorder and ASB.

The Prevention of Public Nuisance

Drunken people in the Brick Lane area already cause huge amounts of nuisance – such as street urination and vomiting, as well as high levels of noise, often well into the early hours of the morning. Alcohol consumed in the restaurant, or particularly bought to take away would make this worse.

The Protection of Children from Harm

There is a high concentration of families with children living in the Wentworth Street neighbourhood. The existence of an additional outlet for off-sales of alcohol increases the risk that young adults may be able to obtain alcohol although under-age, despite attempts by licensees to prevent this.

We ask that you reject the stated application in alignment with our concerns. Please acknowledge that our objection has been received and that the contents of this letter will be considered as part of the overall review process.

Yours sincerely,

Sandy Critchley

On behalf of SPIRE

Appendix 13

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).
If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Sections 9.1 of the Licensing Policy**). While all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 14.10**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 9.2 of the Licensing Policy**).

The Licensing Authority will consider attaching conditions to prevent nuisance. In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks
- Conditions controlling the placing of refuse
- Conditions controlling noxious smells
- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs where public nuisance is being caused by noise coming from the premises and the closure of the premises is necessary to prevent that nuisance.

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.15).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

Appendix 14

Access and Egress Problems

Such as:

Disturbance from patrons arriving/leaving the premises on foot

Disturbance from patrons arriving/leaving the premises by car

Lack of adequate car parking facilities

Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

Egress only is referred to-if necessary access can be added or substituted in.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Section 10 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 10.2 of the Licensing Policy**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 15.1**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 15.5**)

The Council has adopted a set of framework hours (**See 15.8 of the licensing policy**). This relates to potential disturbance caused by late night trading.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to the prevention of Public Nuisance. (**See Annex G of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.15).

Licence conditions should not duplicate other legislation (1.16).

Any conditions should be tailored to the type, nature and characteristics of the specific premises. Licensing authorities should be aware of the need to avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are very expensive to purchase and install and are likely to be a considerable burden for smaller venues. (2.19)

Measures can include ensuring the safe departure of customers, these can include:

- Providing information on the premises of local taxi companies who can provide safe transportation home; and
- Ensuring adequate lighting outside the premises, particularly on paths leading to and from the premises and in car parks

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Appendix 15

Anti-Social Behaviour on the Premises

Licensing Policy

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Section 6 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Methods of management communication
- Use of registered Door Supervisors
- Bottle Bans
- Plastic containers
- CCTV
- Restrictions on open containers for “off sales”
- Restrictions on drinking areas
- Capacity
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage
- Seating plans
- Capacity

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public safety.

Guidance Issued under Section 182 of the Licensing Act 2003

The pool of conditions, adopted by the Council is recommended (Annexe D).

The key role of the Police and SIA is acknowledged (2.1-2.2).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder

and their staff or agents, but can directly impact on the behaviour of customers in the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) communication, CCTV, police liaison, no glasses, capacity limits are all relevant (2.3 - 2.6).

The Guidance recognises working with Home Office Immigration Enforcement in the prevention of immigration crime. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check are retained at the licensed premises.

Guidance Issued under Section 182 of the Licensing Act 2003

Conditions can be imposed for large capacity “vertical consumption” premises (10.23 – 10.24).

Guidance Issued by the Office of Fair Trading

This relates to attempts to control minimum prices.

Other Legislation

- The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder

Appendix 16

Anti-Social Behaviour from Patrons Leaving the Premises

General Advice

Members need to bear in mind that once patrons have left a premises they are no longer under direct control. Members will need to be satisfied that there is a link between the way the premises is operating and the behaviour that is complained of. An example of this would be that irresponsible drinking is being encouraged. Before deciding that any particular licensing conditions are proportionate, Members will also need to be satisfied that other legislation is not a more effective route. For example, if the problem is drinking in the street it may be that the Council should designate the area as a place where alcohol cannot be consumed in public.

Members may also wish to consider whether the hours of opening relate to any problems of anti-social behaviour.

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy” (**see Section 4.15 and 4.16 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Sections 6.2 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Bottle Bans
- Plastic containers
- CCTV (outside the premises)
- Restrictions on open containers for “off sales”
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage

Cumulative Impact

There is a process by which the Licensing Authority can determine that an area is saturated following representations. However, the process for this involves wide consultation and cannot come from representations about a particular application. (**See Section 8 of the Licensing Policy**).

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public.

Guidance Issued under Section 182 of the Licensing Act 2003

The key role of the Police is acknowledged (2.1).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder, but can relate to the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) CCTV inside & out, communication, police liaison, no glasses are all relevant

There is also guidance issued around public nuisance (2.15 – 2.21).

The pool of conditions, adopted by the Council is recommended (see Appendix 3 of the Licensing Policy). Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.18/2.21).

Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and, therefore, beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned (14.13).

Other Legislation

Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

The Act also introduced a wide range of measures designed to address anti-social behaviour committed by adults and young people. These include:

- Anti-Social Behaviour Orders
- Child Curfew Schemes
- Truancy
- Parenting Orders
- Reparation Orders
- Tackling Racism

Appendix 17

Safety Problems

General Advice

Members need to bear in mind the substantial amount of primary legislation in this area, and to only impose conditions where they are both proportionate to identified problems and not adequately covered by primary legislation.

The larger and more complex a premises before Members, the more likely it is that specific conditions will be proportionate and necessary.

Licensing Policy

Premises should be constructed so as to minimise public safety risks. (See 7.1).

The Licensing Authority expects applicants to seek advice from both the relevant Health and Safety body and also the Fire and Emergency Planning Authority. (See 7.2). The applicant should identify where existing legislation is not adequate. (See 7.3).

The Licensing Authority will consider attaching conditions to ensure public safety and these may include Conditions drawn from the Model Pool of Conditions relating to public safety. (See Appendix 2 Annex E, F and J of the Licensing Policy). In particular Members may wish to consider the following headings: (this list is not exhaustive):

Annex E

- Adequate arrangements for people with disabilities, inc. their awareness of them.
- Escape routes
- Safety checks
- Curtains, hangings, decorations, upholstery etc.
- Accommodation limits
- Fire action notices
- Emergency procedures
- Water
- Emergency vehicle access
- First aid
- Lighting
- Temporary electrical installations
- Alterations to the premises
- Special effects

Annex F

This concerns Theatres and Cinemas

Annex J

The safe clubbing checklist

Guidance Issued under Section 182 of the Licensing Act 2003

The public safety objective “Licence holders have a responsibility to ensure the safety of those using their premises, as a part of their duties under the 2003 Act. This concerns the safety of people using a relevant premises rather than public health, which is addressed in other legislation” (2.6). For example, conditions should not be imposed on a premises licence or club premises certificate which relate to cleanliness or hygiene.

2.7, A number of matters should be considered in relation to public safety.

These may include:

- Fire safety;
- Ensuring appropriate access for emergency services such as ambulances;
- Good communication with local authorities and emergency services, foreexample communications networks with the police and signing up for local incident alerts (see paragraph 2.4 above);
- Ensuring the presence of trained first aiders on the premises and appropriate first aid kits;
- Ensuring the safety of people when leaving the premises (for example, through the provision of information on late-night transportation);
- Ensuring appropriate and frequent waste disposal, particularly of glass bottles;
- Ensuring appropriate limits on the maximum capacity of the premises (see paragraphs
- 2.11-2.12, and Chapter 10; and
- Considering the use of CCTV in and around the premises (as noted in paragraph 2.3 above, this may also assist with promoting the crime and disorder objective).

Safe capacities “should only be imposed where necessary for the promotion of public safety or the prevention of disorder.” (2.11). Therefore, conditions of a fire certificate must not be reproduced.

Appendix 18

Protection of children from harm

- 10.1 The wide range of premises that require licensing means that children can be expected to visit many of these, often on their own, for food and/or entertainment. The protection of children from harm includes the protection of children from moral, psychological and physical harm. This includes not only protecting children from the harms associated directly with alcohol consumption but also wider harms such as exposure to strong language and sexual expletives (for example, in the context of exposure to certain films or adult entertainment). Home Office Guidance also expects Licensing authorities to consider the need to protect children from sexual exploitation when undertaking licensing functions.
- 10.2 Tackling Child Sexual Exploitation (CSE) is a key target both locally and nationally as such the Licensing Authority expects Licence Holders to:
- Understand that there are criminal offences in relation to sexual exploitation of a child,
 - Ensure that they and their employees have a basic awareness of the signs of CSE and how to report it;
 - Report any concerns to the appropriate authorities or to the Licensing Authority can advise them of the appropriate authority to report concerns to.
- 10.3 Applicants are to consult with the Responsible Authority designated for Child Protection listed in appendix 1 - List of Responsible Authorities of this who this Licensing Authority recognises to be competent body to advise on the protection of children from harm.
- 10.4 The Act does not prohibit children from having access to any licensed premises; the Council recognises that limitations may have to be considered where it appears necessary to protect children from harm.
- 10.5 The Licensing Authority will judge the merits of each separate application before deciding whether to impose conditions limiting the access of children to individual premises. The following are examples of premises that will raise concern:-
- Where there have been convictions, Fixed Penalty Notices (FPNs) or formal cautions for serving alcohol to minors or with a reputation for underage drinking

- With a known association with drug taking or dealing
 - Where there is a strong element of gambling on the premises
 - Where entertainment of an adult or sexual nature is provided
 - Where irresponsible drinking is encouraged or permitted.
- 10.6 Where its discretion is engaged, the Licensing Authority will consider any of the following options when dealing with a licence application where limiting the access of children is considered necessary to prevent harm to children:
- Limitations on the hours when children may be present,
 - Limitations on ages below 18,
 - Limitations or exclusion when certain activities are taking place,
 - Requirements for an accompanying adult,
 - Full exclusion of people under 18 from the premises when any licensable activities are taking place.
- 10.7 No conditions will be imposed requiring that children must be admitted to any premises and, where no limitation is imposed, this will be left to the discretion of the individual licensee.
- 10.8 The Act details a number of offences designed to protect children in licensed premises and the Licensing Authority will work closely with the police to ensure the appropriate enforcement of the law, especially relating to the sale and supply of alcohol to children.
- 10.9 All licence holders will be expected to comply the Portman Group Code of Practice, and in particular the Retailer Alert Bulletin by which the Portman Group informs licensed retailers, which products have been found to be in breach of the code, and should be removed from sale.
- 10.10 The Licensing Authority expects all licensed suppliers of alcohol to have robust measures, effectively managed and monitored, in place to ensure that minors are fully protected from harm. This will require operating plans to specify these measures and management controls taking into account paragraph 10.1 and 10.2 above. Where appropriate a written childcare policy should be available and be incorporated in the induction of staff.

- 10.11 The Licensing Authority will take appropriate and proportionate action where there are serious concerns in relation to the safe guarding of children in connection with a licensed premises, which may include consideration of applying for a review of the licence where there is significant evidence of undermining the licensing objective of the protection of children from harm.
- 10.12 The sale of alcohol to a minor is a criminal offence and Trading Standards will conduct appropriate covert test purchasing exercises and will take account of any complaints and intelligence received. The Act permits the use of children under the age of 18 to undertake test purchases.
- 10.13 Where there are age restrictions imposed by the Act on the licensable activities in respect of children below a certain age, then the licensee will be required to demonstrate that they have age verification systems in place. This Licensing Authority believes that Licensed Premises should have age verification policies to require individuals who appear to the person serving alcohol to be under the age of 25 years of age to produce on request appropriate identification. This is commonly referred to as the "Challenge 25 Scheme". The rationale for this is because it can often be difficult to judge how old teenagers are and "Challenge 25 age verification system" would provide licensed premises with margin of error to prevent underage sales. Thus Challenge 25 can help to empower staff to challenge customers where there is doubt about their age. In turn this is likely to reduce the risk of the owner, or the seller of the alcohol, committing an offence.
- 10.14 Training in age verification systems should be given to all persons who might be in a position to serve or refuse the sale of alcohol to children. The training should include a basic understanding of the law, seeking proof of age, verifying the authenticity of proof of age cards and handling and recording refusals.
- 10.15 Where proportionate and appropriate, and its discretion is engaged, the Licensing Authority will impose the following standard conditions in relation to age verification systems:
- 1) All tills shall automatically prompt staff to ask for age verification identification when presented with an alcohol sale.
 - 2) A Challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence, passport or proof of age card with the PASS Hologram.
 - 3) A record shall be kept detailing all refused sales of alcohol. The record should include the date and time of the refused sale and the name of the member of staff who refused the sale. The record

shall be available for inspection at the premises by the police or an authorised officer at all times whilst the premises is open.

- 4) All staff whose duties include the serving of alcohol must be trained in the requirements of this scheme including the importance of recording any refusals.

11 Access to Cinemas

- 11.1 Films cover a vast range of subjects, some of which deal with adult themes and / or contain, for example, scenes of horror or violence that may be considered unsuitable for children within certain age groups.
- 11.2 In order to prevent children from seeing such films, the Licensing Authority will impose conditions requiring licensees to restrict children from viewing age restricted films classified according to the recommendations of the BBFC, or the Council itself. The Licensing Authority will not consider reclassifying any films already classified by the BBFC. The Council will charge for classifying films, on a full cost recovery basis.
- 11.3 The Licensing Authority will classify films itself where it is satisfied that no BBFC classification exists. It will inform relevant licensee and require such classifications to be clearly contained in any advertising or informative material relating to such films.

12 Children and Public Entertainment

- 12.1 Many children go to see and / or take part in an entertainment arranged substantially for them. Consequently additional arrangements are required to safeguard them at such times.
- 12.2 Where 10.1 applies, and its discretion is engaged, the Licensing Authority will require the following arrangements in order to control their access and egress and to assure their safety:-
 - An adult member of staff to be stationed in the vicinity of each of the exits from any level, subject to there being a minimum of one member of staff per 50 children or part thereof,
 - No child unless accompanied by an adult to be permitted in the front row of any balcony,
 - No standing to be permitted in any part of the auditorium during the Performance.
- 12.3 Where children are taking part in any regulated entertainment, and its

discretion is engaged, the Licensing Authority will require the operating schedule to clearly state the steps taken to assure their safety.

- 12.4 Where its authority is engaged, the Licensing Authority will consider attaching conditions to licences and permissions to prevent harm to children, and these may include conditions drawn from the Model Pool of. Conditions that can be found in the Secretary of State's Guidance.

Guidance Issued by the Home Office under Section 182 of the Licensing Act 2003

Updated April 2018

Protection of children from harm

- 2.22 The protection of children from harm includes the protection of children from moral, psychological and physical harm. This includes not only protecting children from the harms associated directly with alcohol consumption but also wider harms such as exposure to strong language and sexual expletives (for example, in the context of exposure to certain films or adult entertainment). Licensing authorities must also consider the need to protect children from sexual exploitation when undertaking licensing functions.
- 2.23 The Government believes that it is completely unacceptable to sell alcohol to children. Conditions relating to the access of children where alcohol is sold and which are appropriate to protect them from harm should be carefully considered. Moreover, conditions restricting the access of children to premises should be strongly considered in circumstances where:
- adult entertainment is provided;
 - a member or members of the current management have been convicted for serving alcohol to minors or with a reputation for allowing underage drinking (other than in the context of the exemption in the 2003 Act relating to 16 and 17 year olds consuming beer, wine and cider when accompanied by an adult during a table meal);
 - it is known that unaccompanied children have been allowed access;
 - there is a known association with drug taking or dealing; or
 - in some cases, the premises are used exclusively or primarily for the sale of alcohol for consumption on the premises.
- 2.24 It is also possible that activities, such as adult entertainment, may take place at certain times on premises but not at other times. For example, premises may operate as a café bar during the day providing meals for families but also provide entertainment with a sexual content after 8.00pm. It is not possible to give an exhaustive list of what amounts to entertainment or services of an adult or sexual nature. Applicants, responsible authorities and licensing authorities will need to consider this point carefully. This would broadly include topless bar staff, striptease, lap-, table- or pole-dancing, performances involving feigned violence or horrific incidents, feigned or actual sexual acts or fetishism, or entertainment involving strong and offensive language.

- 2.25 Applicants must be clear in their operating schedules about the activities and times at which the events would take place to help determine when it is not appropriate for children to enter the premises. Consideration should also be given to the proximity of premises to schools and youth clubs so that applicants take appropriate steps to ensure that advertising relating to their premises, or relating to events at their premises, is not displayed at a time when children are likely to be near the premises.
- 2.26 Licensing authorities and responsible authorities should expect applicants, when preparing an operating schedule or club operating schedule, to set out the steps to be taken to protect children from harm when on the premises.
- 2.27 Conditions, where they are appropriate, should reflect the licensable activities taking place on the premises. In addition to the mandatory condition regarding age verification, other conditions relating to the protection of children from harm can include:
- restrictions on the hours when children may be present;
 - restrictions or exclusions on the presence of children under certain ages when particular specified activities are taking place;
 - restrictions on the parts of the premises to which children may have access;
 - age restrictions (below 18);
 - restrictions or exclusions when certain activities are taking place;
 - requirements for an accompanying adult (including for example, a combination of requirements which provide that children under a particular age must be accompanied by an adult); and full exclusion of people under 18 from the premises when any licensable activities are taking place.
- 2.28 Please see also Chapter 10 for details about the Licensing Act 2003 (Mandatory Licensing Conditions) Order 2010.

- 2.29 Licensing authorities should give considerable weight to representations about child protection matters. In addition to the responsible authority whose functions relate directly to child protection, the Director of Public Health may also have access to relevant evidence to inform such representations. These representations may include, amongst other things, the use of health data about the harms that alcohol can cause to underage drinkers. Where a responsible authority, or other person, presents evidence to the licensing authority linking specific premises with harms to children (such as ambulance data or emergency department attendances by persons under 18 years old with alcohol-related illnesses or injuries) this evidence should be considered, and the licensing authority should also consider what action is appropriate to ensure this licensing objective is effectively enforced. In relation to applications for the grant of a licence in areas where evidence is presented on high levels of alcohol-related harms in persons aged under 18, it is recommended that the licensing authority considers what conditions may be appropriate to ensure that this objective is promoted effectively.
- 2.30 The 2003 Act provides that, where a premises licence or club premises certificate authorises the exhibition of a film, it must include a condition requiring the admission of children to films to be restricted in accordance with recommendations given either by a body designated under section 4 of the Video Recordings Act 1984 specified in the licence (the British Board of Film Classification is currently the only body which has been so designated) or by the licensing authority itself. Further details are given in Chapter 10.
- 2.31 Theatres may present a range of diverse activities and entertainment including, for example, variety shows incorporating adult entertainment. It is appropriate in these cases for a licensing authority to consider restricting the admission of children in such circumstances. Entertainments may also be presented at theatres specifically for children. It will be appropriate to consider whether a condition should be attached to a premises licence or club premises certificate which requires the presence of a sufficient number of adult staff on the premises to ensure the wellbeing of the children during any emergency.

Offences relating to the sale and supply of alcohol to children

2.32 Licensing authorities are expected to maintain close contact with the police, young offenders' teams and trading standards officers (who can carry out test purchases under section 154 of the 2003 Act) about the extent of unlawful sales and consumption of alcohol by minors and to be involved in the development of any strategies to control or prevent these unlawful activities and to pursue prosecutions. Licensing authorities, alongside the police, are prosecuting authorities for the purposes of these offences, except for the offences under section 147A (persistently selling alcohol to children). Where, as a matter of policy, warnings are given to retailers prior to any decision to prosecute in respect of an offence, it is important that each of the enforcement arms should be aware of the warnings each of them has given.

Appendix 19

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 20

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 14.8 of the Licensing Policy)

In considering the applicability of framework hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 14.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates

Appendix 21

Licensing Policy - Appendix 5

Special Cumulative Impact Policy for the Brick Lane and Bethnal Green Area

1. The Licensing Authority has adopted a special policy relating to cumulative impact in areas of:
 - Brick Lane
 - Bethnal Green

This special policy creates a rebuttable presumption that applications for the grant or variation of premises licences or club premises certificates which are likely to add to the existing cumulative impact will normally be refused following the receipt of representations, unless the applicant can demonstrate in the operation schedule that there will be no negative cumulative impacts with one or more of the licensing objectives.

2. The Council reviewed the Special Cumulative Impact Policy in 2021 and, following consultation, decided it was still of the opinion that the concentration of licensed premises within Brick Lane area was having a cumulative impact on the licensing objectives of crime and disorder and prevention of public nuisance. As part of the review in 2021, the Council also decided that the concentration of licensed premises within the Bethnal Green area was also having a cumulative impact on the licensing objectives of crime and disorder and prevention of public nuisance.

Review of Cumulative Impact Assessment - Supporting Evidence

3. In determining the Councils CIAs for the area of Brick Lane and Bethnal Green (Figures One and Two Below) the Council considered the following evidence:
 - Hot spot maps of incidents of crime and disorder and ASB linked to Licence premises in the defined areas for 2017 to 2020.
 - Complaint data from Environmental Health and Trading Standards relating to Noise and Licensing.
 - Licence Application data for the defined areas for 2017 to 2020
 - Results of the Consultation, that included Survey data and comments and written responses.

This evidence is published on our website:

Cumulative Impact Assessments (Brick Lane and Bethnal Green)

4. The Licensing Authority is of the view that the number, type and density of premises selling/supplying alcohol for consumption on and off the premises and/or the provision of late night refreshment in the Brick Lane and Bethnal Green Areas (highlighted in Figures One and Two below) is having a cumulative impact on the licensing objectives. Therefore, it is likely that granting further licences would be inconsistent with the authority's duty to promote the licensing objectives. Thus, it has declared a cumulative impact assessment within these areas.
 5. The Brick Lane and Bethnal Green CIAs aim to manage the negative cumulative impact of the concentration of licensed premises in these areas and the stresses that the saturation of licensed premises has had on the local amenity, environmental degradation and emergency and regulatory services in managing this impact.
 6. The effect of this Special Cumulative Assessment Policy will apply to the following types of applications:
 - New Premises Licences applications,
 - New Club Premises Certificates applications
 - Provisional Statements,
 - Variation of Premises Licences and Club Premises Certificate applications (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity).
- However, it will only apply where the application seeks to permit the Licensable activities of:
- the sale or supply of alcohol for consumption on or off the premises, and/or,
 - the provision of late night refreshment.
7. **This Policy will be strictly applied and where relevant representations are received and it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane and Bethnal Green CIAs if they wish to rebut this presumption.**
 8. The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications (Councillors, Members of the Public) within the CIA zones the application will be refused.
 9. Where representations have been received in respect to applications within the CIA zones the onus is on the applicant to adequately rebut the presumption.

10. It must be stressed that the presumption created by this special policy does not relieve responsible authorities or other persons of the need to make a representation. If there are no representations, the licensing authority must grant the application in terms that are consistent with the operating schedule submitted in line with their delegated authority.

11. This special policy is not absolute and the Licensing Authority recognises that it has to balance the needs of businesses with local residents. The circumstances of each application will be considered on its merits and the Licensing Authority shall grant applications, when representations are not received. The applicant should demonstrate that the operation of the premises will not add to the cumulative impact on one or more of the following licensing objectives:
 - Prevention of Crime and Disorder;
 - Prevention of Public Nuisance.

Therefore, applicants will be expected to comprehensively demonstrate why a new or varied licence will not add to the cumulative impact. They are strongly advised to give consideration to mitigating potential cumulative impact issues when setting out steps they will take to promote the licensing objectives in their operating schedule.

12. The Special Cumulative Impact policy will not be used to revoke an existing licence or certificate and will not be applicable during the review of existing licences.

Possible exceptions to the Brick Lane and Bethnal Green Cumulative Impact Assessments

- Applications for licences for small premises with a capacity of fifty persons or less who only intend to operate within framework hours, and that;
 - Only have consumption of food (late night refreshment) and drink (alcohol) on the premises only,
 - Only provide Off sales of food (late night refreshment) and drink (alcohol) for delivery (i.e. not for take away),and,
 - Have arrangements to prevent vertical drinking, for example fully seated venues;

- Applications for licences that are not alcohol led (e.g. Hairdressers wanting to provide alcohol to clients during their hair cut/treatments), .

- Applications for licences where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same CIA Area.

Licensing Authority will **not** consider the following as possible exceptions:

- that the premises will be well managed and run,
- that the premises will be constructed to a high standard,
- that the applicant operates similar premises elsewhere without complaint.
