

## DRAFT - Fire Safety Proposals

| Area               | Proposal                                                                                                                                                                       |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1. Powers          | 1. Ensure Fire Statements submitted to the council by developers/builders as part of the Planning process are robust and address all known fire safety issues.                 |
|                    | 2. Investigate the promotion of “Commonhold” with our PRP partners, builders, and developers.                                                                                  |
| 2. Communications  | 3 Explore regular Quarterly meetings between the Mayor/officers and Leaseholders.                                                                                              |
|                    | 4. Further publicise the council’s building safety pledge to residents, building owners and PRPs                                                                               |
|                    | 5. Set up a fire safety portal that contains clear information for homeowners, tenants, leaseholders and clarifies the role of Housing Associations, builders, and developers. |
|                    | 6. Ensure the council’s revamped website explains how the BSF application process works to leaseholders and builders/developers submitting bids.                               |
| 3. Funding         | 7. Explore with the LFB and other London boroughs using CIL money to purchase firefighting equipment.                                                                          |
| 4. Lobbying        | 8. Continue to lobby the Government with our PRP partners for increased funding for independent advisory services at every opportunity.                                        |
|                    | 9. Raise gathering of economic data/cost implications of building safety issues at the LHD FSG meeting to enlist the support and collaboration of other councils and PRPs.     |
| 5. Ways of Working | 10. Review the findings of the final LFB report into the fire at NPW with our PRP partners, building owners and developers.                                                    |
|                    | 11. Work with our PRP partners and building owners and developers to implement the Building Safety database.                                                                   |
|                    | 12. Explore the feasibility of contributing to the Building Safety Map with our PRP partners and building owners.                                                              |
|                    | 13. Continue to meet with LFB and PRP partners to develop a joint Fire Safety Engagement Plan.                                                                                 |
|                    | 14. Work with PRP partners and LFB to develop a fire safety video and other engagement/communication material to promote fire safety.                                          |
|                    | 15. Establish a <i>Tower Hamlets Fire Safety Forum</i> with LFB and THHF partners to examine evacuation procedures and to promote appropriate fire alarms and signage.         |
|                    | 16. Establish a <i>Resident and Landlord Fire Safety Forum</i> to ensure effective resident involvement and collaboration in all relevant fire safety issues.                  |
