| <b>Item 6.2 Strategic delivery and performance reporting – Q3 2022/23</b>   |  |
| Will the Mayor and Corporate Leadership Team will be seeking the views of the Overview & Scrutiny Committee about the suite of Key Performance Indicators to be used in 2023/24 and the targets that will be set for each of those? | On an annual basis services and CLT will review Key Performance Indicators and targets. This will take place between now and the end of June ready to feed into the Annual delivery plan created each year mapping strategic goals to operational workloads, and then published in quarterly performance reports with the first expected in a September Cabinet report. As part of this process officers can arrange a session for O&S members to provide feedback on annual delivery planning operations. |
