## Forward Plan March 2023

The Forward Plan is published 28 days before each Cabinet meeting.

In addition, new issues and changes to existing issues will be published on the website as soon as they are known.

The web pages also contain past Forward Plans and publication deadlines for future Plans. To visit the web pages go to <http://democracy.towerhamlets.gov.uk/mgPlansHome.aspx?bcr=1>.

## **Tower Hamlets Council** **Forthcoming Decisions Plan**

### **What is this document?**

The Forthcoming Decisions Plan (or 'Forward Plan') contains information on significant decisions that the Council expects to take over the next few months.

As a minimum this will include notice of:

- All Key Decisions to be taken by the Mayor or Cabinet.
  - This could include decisions taken at public meetings or taken individually at other times.
- Budget and Policy Framework Decisions (for example the Budget Report itself and major policies to be agreed by Council as set out in the Constitution)

In addition the Council aims to publish all other decisions to be taken by the Mayor and/or Cabinet.

### **Key Decisions**

The Council is required to publish notice of all key decisions at least 28 days before they are taken by the Executive. Key decisions are all those decisions which involve major spending, or savings, or which have a significant impact on the local community. The precise definition of a key decision adopted by Tower Hamlets is contained in Section 3 of the [Constitution](#). Key Decisions can be taken by the Mayor, the Mayor in Cabinet or an officer if it has been expressly delegated.

### **Publication of Forthcoming Decisions**

Individual notices of new Key Decisions will be published on the website as they are known on the 'Forthcoming Decisions' page, whilst this 'Forthcoming Decisions Plan' collating these decisions will be published regularly, as a minimum at least, 28 days before each Cabinet meeting. The Plan will be published on the Council's website and will also be available to view at the Town Hall and Libraries, Ideas Centres and One Stop Shops if required.

### **Urgency**

If, due to reasons of urgency, a Key Decision has to be taken where 28 days' notice have not been given. Notice will be published (on the website) as early as possible and Urgency Procedures as set out in the Constitution have to be followed.

### **Make your views known**

The most effective way for the public to make their views known about a Forthcoming Decisions is to contact the lead officer, or Cabinet Member (where stated), listed. You can also view the Council's [Consultation Calendar](#), which lists all the issues on which the Council and its partners are consulting.

## Information about the Decision Makers

Further information on the Mayor and Members of the Cabinet can be found on the Council's [website](#).

## Notice of Intention to Conduct Business in Private

The Council is also required to give at least 28 days' notice if it wishes to consider any of the reports on the agenda of an Executive meeting (such as Cabinet) in private session. The last row of each item below will indicate any proposal to consider that item in private session. Should you wish to make any representations in relation to item being considered in private please contact Democratic Services on the contact details listed on the front page.

The notice may reference a paragraph of Section 12A of the 1972 Local Government Act. In summary those paragraphs refer to the following types of exempt information (more information is available in the Constitution):

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority handling the information)
4. Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matters arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.
5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
6. Information which reveals that the authority proposes:-
  - a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or
  - b) to make an order or direction under any enactment.
7. Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

Who will be consulted before decision is made and how will this consultation take place	<p>All people who have asked to be added to the planning policy database have been sent an email regarding the consultation; all local councillors have also been contacted. A public notice has been placed in the East End Advertiser to reach further stakeholders.</p> <p>A public consultation is taking place between 17 November 2022 and 12 January 2023. This is beyond the statutorily required six weeks, to account for the holiday period. There is a statutory timeframe which means a decision on the designation must be made within 13 weeks of the consultation beginning. Because of this, and the internal Tower Hamlets reporting timeframes, it is not possible to wait until the consultation has finished to bring this issue to DLT. At the DLT and CLT stages, this report therefore recommends that the decision be moved to the next stage of reporting, and that the final decision will be conditional on an assessment of the consultation responses. The CAB report will be accompanied by a consultation statement as an appendix.</p>

<b>Title of Report</b>	<b>Tower Hamlets Healthier Advertising Policy</b>
	Ward All Wards
	Key Decision? Yes
<b>Summary of Decision</b>	Tower Hamlets has very high levels of child excess weight. Evidence shows that advertisements for unhealthy food and drink products directly and indirectly impact what we eat. Young people who recall seeing junk food adverts every day are more likely to be obese. The paper considers how we can protect children and young people from the advertising of unhealthy food and drinks (foods and drinks that are high in fat, salt and sugar), in order to contribute towards our priority to promote children's healthy weight and healthy life expectancy. This is part of a wider programme of work to support child healthy weight in the borough.

A meeting with Dr Sam Everington, Bromley by Bow centre, took place on the 4th November 2022.          We have shared a short survey with local businesses to invite their views on the policy.          We have liaised with council staff in Greenwich, Southwark, Merton and Haringey, who have overseen the policy development and implementation in their councils.          We have liaised with Dr Penny Breeze, one of the researchers at the University of Sheffield, who, alongside researchers at the London School of Hygiene and Tropical Medicine, developed an advanced mathematical method to estimate the health and economic benefits that restricting junk food advertising on the Transport for London network had in 2019.          A public consultation by the Greater London Authority, launched in May 2018, found 82% of Londoners support a junk food advertising restriction.          As part of the Transport for London advertising policy process, large multinational companies including JCD Decaux were extensively consulted with, to ensure they were aware of the policy and what it would mean for their advertising. Since then, these companies have utilised the nutrient profiling model and have switched out their unhealthy products for healthier ones and have continued to advertise.</p>
