## **ADMINISTRATION MOTION FOR DEBATE – MOTION ON A PROGRESSIVE COUNCIL: TWO YEARS OF TRANSFORMATION AND RECOVERY**

**Proposed by:** Cllr Saied Ahmed

**Seconded by:** Cllr Maium Talukdar

### **This council notes:**

- That two years have passed since the re-election of Mayor Lutfur Rahman and the *Aspire* group.
- That these two years have seen huge levels of investment – not only financially, but also of time; energy; and dedication – to ensure that the Council could begin to deliver services and governance worthy of the residents of Tower Hamlets.
- That upon returning to Office, the Mayor and his Councillors inherited a Council which was financially unstable – with six years of accounts unsigned; £20million of missed savings targets; millions of pounds lent to neighbouring authorities during the COVID-19 and cost-of-living crises; unpaid VAT receipts of over £1million over six years; £11million of unreconciled adult social care payments with significant risk or duplication; spiralling costs to complete the new Town Hall; and grants awarded through single-applicant processes. There were also governance issues – with five years of unsigned *Annual Governance Statements*; one-year budget-setting processes; struggling statutory services, reflected in failed Ofsted and Youth Justice reports; rising crime and community safety issues; and a string of interim Corporate Directors in statutory positions, including the Section 151.
- That public services significantly reduced with minimal resources expended to develop a thriving and accessible network of delivery. Instead, reserves were increased, all while the services available to residents were allowed to decline and – in some cases – disappear completely.
- That the introduction of the controversial Fire and Hire Policy by the previous Administration led to a palpable loss of staff morale, likely to be the lowest ever given the 90% support for a strike when Unison held a ballot. The introduction of inferior contracts through the *TOWER* rewards scheme contributed to a negative impact on workforce. This was reflected in a council-wide strike, involving national Trade Union leaders.
- That this was compounded in our view by a disconnect between the Mayor's Office and the then-Corporate Leadership Team, allowing a 'two-council culture' to develop, hindering service delivery and strategic clarity in the process.
- That at the earliest possible opportunity – Full Council July 2022 – this administration called for a 'Council-wide' audit to identify the failings that had been hindering delivery; good governance; and fiscal prudence over the previous seven years.

### **This council believes:**

- That the radical measures taken by the current Administration, to reinvest in key services and clean up bad governance and financial practice across the Council, has led to a recovery and reinvigoration of service delivery and performance across the Authority.

- That, through the holistic transformation of how the Council sets its budgets – underpinned by a three-year MTFs strategy and regular financial health checks – residents can now access a range of services that have been funded sustainably, allowing for their sustainability and delivery into the future.
- That the reintroduction and reinvigoration of such key services as the Education Maintenance Allowance; University Bursaries; Free School Meals for all students up to the age of 16; £10million investment to support residents through the cost of living crisis; a universal freeze for all residents in the first year and as per the Aspire Manifesto a continuing freeze for the poorest to protect low and middle earners; additional investment in the Youth Service receiving nearly £11million extra a year; strengthened community safety, through the recruitment of 42 additional Tower Hamlets Enforcement Officers, enveloped funds for extra police officers and new CCTV infrastructure; reconnecting and listening to residents through the reopening of 5 residents hubs across the borough; improving residents health and wellbeing through the insourcing of the Council’s leisure services, ensuring that no resident is left behind; protecting the environment through the planting of thousands of new trees, the retrofitting of Council buildings with green technology and through the installation of over a thousand Electric Vehicle charging points, with more to come; and a revitalised and resourced Waste Service, has slowly seen the Council and borough return from years of cuts and neglect to a position of delivery and resident satisfaction.
- That this progress and ambition was identified and commended in the recent LGA Corporate Peer Review. The Council has also won awards for its Town Hall; Free School Meals service; as well as being nominated for nine other parliamentary and national awards.
- That the strides taken to redress and resolve the financial and governance issues inherited from the previous administration – facilitated by a new one-council culture where the Mayor and Corporate Management Team work together to solve issues – has ensured that the financial and operational health of the Council has been drastically improved.
- That this is reflected in a transformative and sustainable MTFs programme; a clean and audited set of accounts; up-to-date *Annual Governance Statements*; repaid outstanding VAT receipts; well-run and improved performance in key statutory services; and an ongoing council-wide restructuring to further strengthen and improve good governance and performance across the organisation.
- That the improvements made are looking to make Tower Hamlets one of the best run and ambitious Local Authorities, not only in London, but in the entire country.

**This council resolves:**

- To continue to support the Best Value Inspectors in their examination of the Council, and to offer to share best practice for other authorities looking to implement similar improvements.
- To continue to work with and implement the findings of the LGA Corporate Peer Review.
- To constantly undergo self-examination and evaluation, identifying ways in which it can improve while continuing to deliver for the people who matter most, the residents.

- To continue to strive for excellence across the council's services, and look beyond the next two years to the future, to ensure that such delivery can be sustained for future generations.
