3. CONSIDERATION OF DEFERRED ITEMS

3.1 The following deferred application is for consideration by the Committee. The original report along with any update reports are attached.

- Redundant Railway Viaduct North of Pooley House, Westfield Way, London

3.2 Deferred applications may also be reported in the Addendum Update Report if they are ready to be reconsidered by the Committee. This report is available in the Council Chamber 30 minutes before the commencement of the meeting.

4. PUBLIC SPEAKING

4.1 As public speaking has already occurred when the Committee first considered these deferred items, the Council's Constitution does not allow a further opportunity for public speaking. The only exception to this is where a fresh report has been prepared and presented in the "Planning Applications for Decision" part of the agenda. This is generally where substantial new material is being reported to Committee and the recommendation is significantly altered.

5. RECOMMENDATION

5.1 That the Committee note the position relating to deferred items and to take any decisions recommended in the attached reports.
