NOTICED THE BIKE HAS BEEN STOLEN ON SUNDAY 29/11 - AT 18:30. THE LOCK HAS BEEN CUT.

Kofi => THE LAST TIME SHE SAW IT WAS 4:00 AM when her friend wanted to drive out of the garage. The gate could only open half way so ~~she~~ they could not drive out but the half gate could not close again; meaning ~~the~~ they left the gate half closed and half opened at about 4:00 am. ~~she~~ they came back to check at 5:30 am same morning (when we were going out) ~~but~~ because the concierge on duty said he had called the engineer and they would come within three hours, but the gate had ~~not~~ still half opened. She noticed the bike ~~had~~ been stolen after returning home 18:30 this evening. So the theft took place any time after 4:00 am OR 5:30 am.
