NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,

 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

I would like to object to the above property having license to sell alcohol.

There is already a lot of noise and disruption from this property and adding alcohol is not acceptable. There is an issue of cooking smells from the kitchen and mess on the pavement outside.

There are two pubs at either end of the street- The Commercial Tavern and The Golden Heart. There are two supermarkets which sell alcohol and two licensed restaurants as well as an off license- Sacred Spirit.

There are also many licensed premises in Spitalfields market.

I do not feel another licensed premises will add any value to the premises or the community.

Dear Sir/Madam,

I am writing to register my objection to the application for a premises licence by Taco Taco, 141 Commercial Street E1 6BJ.

The Cloisters is a quiet, residential block of 69 flats.

There are already plenty of designated drinking places in the immediate vicinity – numerous pubs, restaurants and food markets where alcohol can be readily purchased and consumed. There are more than enough.

The basis for this objection is that I firmly believe provision of this license will have a negative impact not only on these residents directly, but also the wider public, from the aspect of:

- noise,
- public nuisance,
- alcohol related litter,
- disorder,
- antisocial behaviour,
- increased potential for crime.

While it has been noted that in the short-term Taco Taco have reduced the music volume, this is not a long-term fix to the continued disruption experienced as a result of customers/staff using the toilet, hand dryer, general conversations – we still continue to hear this on a regular basis.

As such, I am keen for the applicants to understand that this is not an objection to their business but a concern that any further changes to the current business will negatively impact standards of living in the block, and introducing alcohol will only exacerbate these already existing disruptive issues.

Yours sincerely,

Francis Ross

I want to object to Taco Taco's application for an alcohol license.

1. They are based within a residential block.
2. The potential for distribution is high. Noise and antisocial behaviour would increase with alcohol.
3. Since moving in Taco Taco have broken many rules: leaving the kitchen door open, allowing noise and unpleasant smells out. Playing loud music. Leaving rubbish outside for long periods which could attract vermin.
4. It's a takeaway.
5. There are already numerous establishments selling alcohol and regulated entertainment in very close proximity.
6. It would impact the safety of the whole block.

Hi Damien,

With regards to our telephone conversation earlier and your license application for Taco Taco, I have reviewed your license application and have some suggestions for license conditions that I'd like yourself and management to give consideration towards. With respect to the Tower Hamlets Licensing Policy and the Licesning Act 2003 and in consideration to the four licensing objectives having reviewed the conditions you've proposed, could the following conditions be added and/or amended (where duplicate conditions exist and we feel they require revision) if you are happy to do so:

Crime and Disorder

1. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Tower Hamlets Police Licensing Team. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the entire 31 day period.

2. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open. This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested.

3. An incident log shall be kept at the premises, and be available on request to the Police or an authorised officer. It must be completed within 24 hours of any incident and will record the following:
 - a) all crimes reported to the venue;
 - b) any complaints received concerning crime and disorder
 - c) any incidents of disorder;
 - d) any faults in the CCTV system;

- e) any refusal of the sale of alcohol;
- f) any visit by a relevant authority or emergency service.

4. In the event that a serious assault is committed on the premises (or appears to have been committed) the management will immediately ensure that:

- a) the police (and, where appropriate, the London Ambulance Service) are called without delay;
- b) the crime scene is preserved so as to enable a full forensic investigation to be carried out by the police; and
- c) such other measures are taken (as appropriate) to fully protect the safety of all persons present on the premises.

Protection of Children from Harm

5. A Challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence, passport or proof of age card with the PASS Hologram.

Online delivery

6. A standard age verification check shall be undertaken on entering the website. A signature at the point of delivery must be obtained. No delivery shall be left without a signature. There shall be mechanism either by an APP or on the delivery package to show the delivery rider is aware it is an age restricted product to ensure ID checks are made upon delivery of alcohol.

7. Alcohol shall only be delivered to a residential or business address and not to a public place.

If there any objections or questions regarding these suggestions please do let me know I'm more than happy to discuss or talk about it. If you do not have any objections please reply and copy in the licensing team at Tower Hamlets.

Kind Regards,

Kieran.

Dear Corinne Holland,

Re: New Premises Licence Application: Taco Taco, 141 Commercial Street, London, E1 6BJ

Reference: LIC/M169411/CH

Thank you for your letter dated 19th June 2023 regarding our new premises licence application. We appreciate the concerns raised by the Licensing Authority and the importance of the Special Cumulative Impact Policy for the Brick Lane area.

We fully understand and respect the need to mitigate any negative cumulative impacts on the licensing objectives, particularly in relation to crime and disorder and public nuisance. In response to your letter, we would like to make the following clarifications and suggestions:

1. Endorsement of Sub-Committee conditions

We are in full agreement with the conditions proposed by the Sub-Committee. Specifically, we endorse the following:

- The supply of alcohol at the premises shall only be to a person seated taking a table meal there and for consumption by such a person as ancillary to their meal.
- There shall be no “vertical drinking” of alcohol at the premises.
- All sales of alcohol for consumption off the premises shall be in sealed containers and ancillary to a food order for delivery only.

2. Clarification on alcohol sales

We would like to emphasize that alcohol sold at Taco Taco is intended to be enjoyed only with food. Our taqueria is a small establishment with a seating capacity of 18 persons, focusing on providing a quality dining experience. The sale of alcohol is strictly to complement the dining experience and not as a standalone offering.

3. Price point and public drinking

Given the nature of our business and the price point of our offerings, which are higher than those of corner shops, we are confident that this will not cause or contribute to public drinking. Our target

market is patrons seeking a quick, quality Mexican meal, and the higher price point serves as a natural deterrent to those looking to purchase alcohol for consumption on the streets.

4. Commitment to delivery-only off-sales

We are happy to commit that all off-premises sales of alcohol will be in sealed containers for delivery only. This ensures that there will be no walk-in takeaways of alcohol, thus addressing concerns about public drinking.

We trust that these measures and clarifications demonstrate our commitment to not negatively impacting the area and align with the objectives of the Licensing Authority. We look forward to working with you to ensure the responsible operation of our premises.

Thank you for your consideration.

Yours faithfully,

Damien

Dear Sir/Madam,

Licensing Act 2003

New premises licence application: Taco Taco, 141 Commercial Street, London, E1 6BJ

The Licensing Authority (acting as a Responsible Authority) is making a representation in relation to the above application.

Special Cumulative Impact Policy for the Brick Lane

This special policy creates a rebuttable presumption that applications for the grant or variation of premises licences or club premises certificates which are likely to add to the existing cumulative impact will normally be refused following the receipt of representations, unless the applicant can demonstrate in the operation schedule that there will be no negative cumulative impacts with one or more of the licensing objectives.

The Council reviewed the Special Cumulative Impact Policy in 2021 and, following consultation, decided it was still of the opinion that the concentration of licensed premises within Brick Lane area was having a cumulative impact on the licensing objectives of crime and disorder and prevention of public nuisance.

The Licensing Authority is of the view that the number, type and density of premises selling/supplying alcohol for consumption on and off the premises and/or the provision of late night refreshment in the Brick Lane is having a cumulative impact on the licensing objectives. Therefore, it is likely that granting further licences would be inconsistent with the authority's duty to promote the licensing objectives. Thus, it has declared a cumulative impact assessment within these areas.

The best of London in one borough

Tower Hamlets Council
Tower Hamlets Town Hall
160 Whitechapel Road
London
E1 1BJ

This Policy will be strictly applied and where relevant representations are received and it is the view of the Council that the application will be refused. Applicants will need to demonstrate that there are exceptional circumstances and that granting their application will not negatively add to the cumulative effect on the Licensing Objectives within the Brick Lane CIA if they wish to rebut this presumption.

The Special Cumulative Impact policy creates a rebuttable presumption that where relevant representations are received by one or more of the responsible authorities and/or other persons against applications (Councillors, Members of the Public) within the CIA zones the application will be refused.

Where representations have been received in respect to applications within the CIA zones the onus is on the applicant to adequately rebut the presumption.

This special policy is not absolute and the Licensing Authority recognises that it has to balance the needs of businesses with local residents. The circumstances of each application will be considered on its merits and the Licensing Authority shall grant applications, when representations are not received. The applicant should demonstrate that the operation of the premises will not add to the cumulative impact on one or more of the following licensing objectives:

- *Prevention of Crime and Disorder;*
- *Prevention of Public Nuisance.*

Therefore, applicants will be expected to comprehensively demonstrate why a new or varied licence will not add to the cumulative impact. They are strongly advised to give consideration to mitigating potential cumulative impact issues when setting out steps they will take to promote the licensing objectives in their operating schedule.

Possible exceptions to the Brick Lane and Bethnal Green Cumulative Impact Assessments

- *Applications for licences for small premises with a capacity of fifty persons or less who only intend to operate within framework hours, and that;*
 - *Only have consumption of food (late night refreshment) and drink (alcohol) on the premises only,*
 - *Only provide Off sales of food (late night refreshment) and drink (alcohol) for delivery (i.e. not for take away),**and,*
 - *Have arrangements to prevent vertical drinking, for example fully seated venues;*
- *Applications for licences that are not alcohol led (e.g. Hairdressers wanting to provide alcohol to clients during their hair cut/treatments),*
- *Applications for licences where the applicant has recently surrendered a licence for another premises of a similar size and providing similar licensable activities in the same CIA Area.*

*Licensing Authority will **not** consider the following as possible exceptions:*

- *that the premises will be well managed and run,*
- *that the premises will be constructed to a high standard,*
- *that the applicant operates similar premises elsewhere without complaint.*

Licensable activities and times

The Licensing Authority has had regard to the Guidance to the Act when determining this policy. The end times set out in the policy are not (and should not be regarded as) the 'usual' or 'normal' terminal hour for licensable activities in the Borough. Instead, the 'framework hours' serve to identify cases where the Licensing Authority will pay particular regard to the likely effect on the local neighbourhood of carrying out the proposed licensable activities during the hours applied for. Applications for hours up to the end of the Framework Hours will not automatically be granted. This policy will be applied only where relevant representations are made. Each case will be considered on its merits.

- Sunday – 06:00 hours to 22:30 hours
- Monday to Thursday – 06:00 hours to 23:30 hours
- Friday and Saturday – 06:00 hours to 00:00 hours (midnight)

Applications in respect of premises licences and club premises certificates to authorise licensable activities outside the framework hours, and in respect of which relevant representations are made, will be decided on their own merits and with particular regard to the following.

- a) The location of the premises and the general character of the area in which the premises are situated. (i.e. does the area include residential or business premises likely to be adversely affected).
- b) The proposed hours during which licensable activities will be take place and the proposed hours during which customers will be permitted to remain on the premises.
- c) The adequacy of the applicant's proposals to address the issues of the prevention of crime and disorder and the prevention of public nuisance.
- d) Where the premises have been previously licensed, the past operation of the premises.
- e) Whether customers have access to public transport when arriving at or leaving the premises at night time and in the early hours of the morning.
- f) The proximity of the premises to other licensed premises in the vicinity and the hours of those other premises.

The Home Office guidance

under Section 182 of the Licensing Act 2003 (8.42) says:

"Applicants are, in particular, expected to obtain sufficient information to enable them to demonstrate, when setting out the steps they propose to take to promote the licensing objectives, that they understand:

- *the layout of the local area and physical environment including crime and disorder hotspots, proximity to residential premises and proximity to areas where children may congregate;*
- *any risk posed to the local area by the applicants' proposed licensable activities; and*
- *any local initiatives (for example, local crime reduction initiatives or voluntary schemes including local taxi-marshalling schemes, street pastors and other schemes) which may help to mitigate potential risks."*

Application

The licensable activities and times applied for are:

The sale of alcohol (on and off sales)
Monday – Sunday 12:00 hours – 21:00 hours

The application states it is for a small grab and go Taqueria (restaurant which sells tacos) to cater for quick Mexican cuisine. There is seating capacity is 18 persons and offering both take-out and dine-in options.

Although the application is within framework hours and with a capacity of less than 50 persons it does not fall entirely within the possible exemptions to the CIA. With persons being able to purchase tacos and alcohol for ‘take away’ this would encourage customers to drink alcohol in the street. The exemption for ‘off sales’ of alcohol relates to delivery only not ‘walk in’ take aways.

There is no explicit reference in the application to the premises being within the CIA although a number of conditions have been offered within the operating schedule. It is also noted that a number of conditions have been agreed with the police. The onus is on the applicant to show there are exceptional circumstances as to why their application should be granted and that it will not have a negative cumulative effect on the area. It is their responsibility to rebut the presumption otherwise the licence should be refused.

On a balance of probability, this Authority is concerned by the addition of another premises selling alcohol, potentially adding to the existing anti-social issues in the area in particular with allowing alcohol to be consumed in the street with a take away. The addition of alcohol could change the dynamic of customers in high spirits on the already saturated area and therefore potentially undermining the licensing objectives.

However, if the Sub-Committee is minded to grant a licence then the Licensing Authority ask that the following additional conditions are attached in addition to the police agreed conditions:

- 1. The supply of alcohol at the premises shall only be to a person seated taking a table meal there and for consumption by such a person as ancillary to their meal.*
- 2. There shall be no “vertical drinking” of alcohol at the premises.*
- 3. All sales of alcohol for consumption off the premises shall be in sealed containers and ancillary to a food order for delivery only.*

Yours faithfully,
