

## **Appendix 2 – Training Attendance Summary Comments**

### **Overall Summary**

2024 has been another busy year for Member Training with 21 different training sessions/events offered across 30 dates (some training sessions were offered more than once). This is slightly down on the previous year mainly due to the new focus on the Individual Member Training Programme.

### **Attendance**

A number of Members should be recognised as regular attenders of training opportunities and briefing sessions.

The following councillors have each attended more than 10 sessions during the year:

- Councillor Iqbal Hossain (13 in person, 3 virtual)
- Councillor Bodrul Choudhury (13 in person)
- Councillor Bellal Uddin (12 in person, 1 virtual)
- Councillor Ahmodul Kabir has also attended a similar number with more virtual attendance (4 in person, 9 virtual)
- And Councillor Abdul Mannan (6 in person, 5 virtual),
  
- Councillors Suluk Ahmed (10) and Nathalie Bienfait/Ahmodur Khan (9) were the next most frequent attendees.

In total over one third of Councillors (17 out of 45) have attended at least 6 training or briefing sessions over the past year (or at least one every two months). Only two councillors have not attended any training through the year.
