### Executive Summary

This report provides Committee members with information on the administration and performance of the Scheme for the quarter to December 2024.

### Recommendations:

The Pensions Committee is recommended to:

1. Note the content of this report;
2. Note the employer admissions in the pipeline;
3. Note the Scheme and legislative update;
4. Note the progress on the data cleanse project to improve the quality of the pensions data, and the separate report titled “Update on data cleanse / Lumera (formerly ITM) project”; and
5. Note the analysis of TH non-Scheme members as at 31 December 2024 (Appendix 1)

## 1. DETAILS OF THE REPORT

This is the report to be considered by the Pensions Committee on 10 March 2025. The report summary and recommendations are highlighted above. Please refer to the Committee report for full details of the report and any appendices.
