Note: White indicates areas beyond easy reach (5 minutes' walk) of a park. The London Plan states that all Londoners should be able to walk to a local park within 5 minutes of their home. We have included parks within 1.2 km of the Borough boundary in neighbouring Boroughs (as required in the Mayor's Guidance) but this map shows that out of borough parks do little to improve accessibility to parks for Tower Hamlets' residents. This map does not detail accessibility to greens, burial grounds and other types of open space.

A 5 minute walking catchment of each park site is represented with a pink buffer. Buffer zones overlap where residents have a 5 minutes walk to more than one park.

Note: This map only includes parks, not other open space types such as burial grounds or squares.

Accessibility:
Unrestricted - Sites are available to everyone at all times. Some sites may have restrictions between dusk and dawn.
Examples: Parks, Churches, Greens

Partially Restricted - Sites may be publicly or privately owned but access may require an appointment or prior arrangement.
Example: Schools Grounds

Restricted - Sites are out of bounds to the general public although may be accessible to a small group of people.
Examples: Construction sites, Operational Open Land

-  12 minute walking distance
-  Borough Boundary

The Major Parks in Tower Hamlets are:

Victoria Park
Mile End Park
Mudchute Park and Farm with Millwall Park

The major parks outside the Borough but within 1.2km of the boundary are:-
Hackney Marshes
Greenwich Park

Note: White indicates areas beyond easy reach (15 minute walk) of a major park. The London Plan states that all Londoners should be able to walk to a major park within 15 minute's walk of their home. We have included major parks within 1.2 km of the borough boundary in neighbouring boroughs (as required in the Mayor's Guidance) but this map shows that out of borough parks do little to improve accessibility to major parks for Tower Hamlets' residents. Mile End Park shows as five separate parks.

A 15 minute Walking catchment of each Major park is represented with a lilac buffer. Each buffer is stacked where an overlap occurs and thus areas with close proximity to many sites appear to be darker.

Accessibility:
Unrestricted - Sites are available to everyone at all times. Some sites may have restrictions between dusk and dawn.
Examples: Parks, Churches, Greens

Partially Restricted - Sites may be publicly or privately owned but access may require an appointment or prior arrangement.
Example: Schools Grounds

Restricted - Sites are out of bounds to the general public although may be accessible to a small group of people.
