QUESTIONS

Seven questions have been submitted as set out below:-

6.1 Question from Mr Steve Walker:

Given the high incidence of Tuberculosis in this borough, could the council take the necessary steps to introduce a by-law that would ban spitting in public?

6.2 Question from Mr Stuart Madewell:

Following the recent Weavers by-election when the Mayor supported the Respect candidate Abjol Miah can the Mayor please clarify what his views are in relation to Resident Social Landlords.

Does he agree that residents and councillors should be residents should be represented on the boards of Housing Associations or does he agree with Respect that Housing Associations are a form of privatisation that we should have nothing to do with?

6.3 Question from Ms Christine Whaite, Spitalfields Open Space; Chair, The Friends of Christ Church Spitalfields:

Does the Mayor agree that there is a lack of public open space in the borough, and please will he tell us what positive action he is taking to increase it for residents?

Specifically, is the Mayor aware that besides 350 letters to the planning department last year, the current petition requesting that the churchyard at Spitalfields be returned to public green open space has 600 signatures local, national and international, including those with expert knowledge? Is the Mayor willing to work alongside local people to find alternatives to meet educational needs **and** at the same time protect public open space and the historic environment; and what IMMEDIATE action is the Mayor taking to stop the terrible and unnecessary loss of this 2,500 sqm public open space, the Setting of Hawksmoor's finest work, Christ Church Spitalfields, in the most densely populated area of his borough?

6.4 Question from Mr S Mohammed:

Last month I read a shocking article on the front page of the Evening Standard alleging threats of violence against a female councillor. Why has the council failed to suspend this councillor who has clearly brought this authority into disrepute?

6.5 Question from Mr Amirul Islam:

We the residents are struggling with rising prices for gas and electricity. Living in a cold home is a huge health risk, particularly to the very young, the very old and other vulnerable groups. What is Mayor Rahman doing to tackle fuel poverty?

6.6 Question from Mr Iqbal Hussain:

What does the Mayor think about the coalition's recent moves to reform the welfare state?

6.7 Question from Ms Kathy McTasney:

Since 1998 Tower Hamlets has had a policy to promote a "workforce to reflect the community" What has the Council done to promote this?

In view of the Councils support for this policy, why when opportunity arose to appoint the first black CE did the Council make such a fuss?

Many of the workforce have been waiting for years for equality to be shown in this council however are we still living in the 1960's.
