## Introduction and Budget

This policy sets out the Council's position on direct grant funding to owner occupiers and private sector landlords and tenants.

### 1. Statutory Duty

The Council has a duty under Part 1, Chapter 1, Section 3 of the Housing Act 2004 to review housing conditions in their district.

Where housing conditions are found to require improvement, assistance can be provided under the terms of Article 3 of the Regulatory Reform (Housing Assistance) Order 2002; however a local authority is also required to have adopted a Private Sector Renewal Policy. The Policy should set out how the Council is able to assist in improving the living conditions for residents who live in private sector housing within the Borough.

### 2. Proportion of housing stock

According to the council's private sector stock condition survey, the private rented housing sector is now the largest housing sector in the Borough and it is growing rapidly. The cost of owner-occupation and private renting is very high in the Borough. The table below details the tenure breakdown for the borough.

Comparison of Housing stock by tenure, April 2011

Tenure	2003	%	2011	%
Owner occupied	27,308	31	25,339	23
Council owned	24,200	28	12,500	12
Registered Providers	17,828	20	26,484	24
Private rented sector	17,513	20	41,870	39
Shared ownership	500	1	2,000	2
<b>Total</b>	<b>87,349</b>	<b>100</b>	<b>108,193</b>	100

### 3. Budget

Tower Hamlets Private Sector Housing Renewal Policy is extremely restricted as targeted funding is not currently available from Central Government.

Empty Property Grants will be prioritised in this Policy as they provide a valuable source of accommodation in in the Borough.

## **4. Scope of Grant Assistance**

The policy covers the following grant categories:

### **4.1 Disabled Facilities Grants:**

#### **Owner-occupiers and Tenants**

The Council is committed to making Mandatory Disabled Facilities Grants available to all eligible owner-occupiers and private sector tenants so that they can remain living independently in their own homes. A disabled owner-occupier or tenant may apply for a Disabled Facilities Grant for a number of purposes which will primarily improve access and comfort. Full details are set out in Appendix 1.

Mandatory Disabled Facilities grants will continue to be available to eligible owner-occupiers and private sector tenants and the maximum mandatory Disabled Facilities Grant is £30,000.

These grants are means tested except for the benefit for a disabled child under the age of 18.

Applications for discretionary disabled facilities cannot be considered due to budget restrictions.

#### **Private Landlords and Registered Providers**

A private landlord or a Registered Provider may apply for a Disabled Facilities Grant on behalf of a disabled tenant, or potential tenant for a number of purposes which will primarily improve access and comfort. Full details are set out in Appendix 1.

The maximum mandatory Disabled Facilities Grant is currently £30,000. Applications for discretionary disabled facilities cannot be considered due to budget restrictions.

Applications made by Registered Provider must also demonstrate that no other suitable accommodation is available to transfer the tenant to and that the tenant is not under-occupying the property.

During 2013/14 officers will work with Registered Providers to agree a way of funding Mandatory DFGs for their tenants in 2014/15.

Further details on the Disabled Facilities Grant can be found in Appendix 1.

## **4.2 Home Repair Grants**

Small grants may be made available to eligible owner-occupiers to enable them to remain in their own homes safely and avoid minor accidents.

Home Repair Grants may be made available to owner-occupiers who are:

- over 60, or
- disabled or infirm, or the parent or carer of a disabled child and
- in receipt of an income related benefit or eligible tax credits.

These grants will be for the following types of works:

- Minor Repairs and Improvements
- Minor Adaptations
- Minor Hazard Removal

Home Repair Grants for minor repairs and improvements will only be available if the applicant has owned and lived at the property as their only main residence for at least 3 years. The Home Repair Grant will be limited to a maximum of £6,000.

The grant will not normally be available to part fund major works costing over £6,000. These grants are not repayable.

Further details on the Home Repair Grant can be found in Appendix 1

## **4.3 Landlords' Improvement Grants**

Landlords' Improvement Grants (LIG) will only normally be available to landlords who let property to tenants referred to them by the Council.

The grants will be available to remove minor hazards from the property.

The grants will be limited to a maximum of £6000.

The grants will not normally be available to part fund major works costing over £6000.

The grant will be repayable if the property is sold or transferred within a 2 year period, with interest.

The landlord will be required to make the property available for letting for tenants nominated by the Council for a period of no less than 2 years from the date of the final grant payment.

Further details on the Landlords' Improvement Grant can be found in Appendix 1.

#### **4.4 Empty Property Grants**

Empty Property Grants may be made available to owners of empty properties who wish to refurbish, demolish and rebuild their property or to convert it into a number of units and make it available for letting. The Empty Property Grant can contribute to the cost of the works needed to bring the home up to the decent homes standard and incorporate works to make the home safe, secure and affordable to keep warm.

Only landlords who are accredited under the London Landlords' Accreditation Scheme (LLAS) will receive grants. The maximum amount of grant assistance would be dependent upon the size of the resultant units.

The owner of the empty property would be required to let out the property for a period of 5 years to families nominated by the Council at a rent level below the Local Housing Allowance.

The grant will be repayable if the property is sold or transferred within a 5-year period, with interest.

Priority will be given to larger 1 bedroom and 2 bedroom homes built to a high design standard situated in areas of high demand.

#### **4.5 Other Assistance**

##### **Tower Hamlets Home Improvement Agency**

The Tower Hamlets Home Improvement Agency (THHIA) was set up in 1990 to assist elderly, disabled or low-income homeowners to apply for grants and now will also assist eligible Registered Providers in applying for DFGs for their tenants. The agency employs experienced surveyors who can act on behalf of vulnerable residents to supervise building works and also has advisors who can assist in the completion of application forms and other paperwork. This gives vulnerable residents the confidence to have building works carried out in their homes.

There is a charge for this service, 15% of the total net cost of the works, but this can be funded by the grant or the loan, leaving the applicant or Registered Provider with no up-front costs.

The agency maintains a list of approved contractors who provide value for money and guarantee a quality finish. Upon completion of the works the agency will retain a proportion of the money for six months to ensure that, should anything go wrong, the builder will return promptly to put the matter right.

The quality of the service provided to clients is regularly checked through the use of Customer Satisfaction Surveys with a simple multiple choice answer sheet or telephone survey checking not only the actions of the supervising officer but also the contractors performance, time keeping and general behavior.

### **Landlord Services**

The London Landlord Accreditation Scheme (LLAS) was formally launched at the London Landlords Day in July 2003, with considerable interest from landlords who attended the event. This organisation has now become the United Kingdom Landlord Accreditation Partnership (UKLAP)

Empty Property Grants are only available to UKLAP registered landlords

More information on the scheme can be found at [www.londonlandlords.org.uk](http://www.londonlandlords.org.uk)
