22 October 2013

Dear Mr McCrohan

TEN application: 6th-10th November 2013
Robi's , 106 Brick Lane, E1 6RL

I write with reference to the above application which was received in this office on the 21st October 2013.

Please accept this letter as notification that the police as a responsible authority wish to object to this application on the following basis, that the crime and disorder and public nuisance objectives will be undermined.

The applicant has applied for a TEN on the 6th -10th November 2013 for the following hours: 1200 - 0200.

At present the premise does not have a premises licence and therefore cannot sell or display for sale any alcohol.

However on Friday 4th October 2013 at 2245 my licensing colleague, PC O'Rourke, was on duty in plain clothes when he entered Robi's and witnessed sales of alcohol.

In a statement he continues:

"The shop was busy with numerous people selecting and purchasing alcohol in front of me. There were approximately eight fridges full of cans of lager or beer and a wall full of shelves containing wine from floor to ceiling. "

"I selected from one of the fridges a four-pack of 'Red Stripe' "

PC O'Rourke bought the alcohol and then spoke with the TEN applicant. The applicant was reported for a number of offences and a Sec19 Notice was issued. This report has been sent for prosecution.

Brick Lane is now a destination of choice for thousands of Londoners and tourists. The increased popularity of the bars and restaurants although welcome has put a great deal of strain on LBTH services and the Metropolitan Police. As a result of the concerns over violence and ASB, LBTH has now adopted a Saturation policy / cumulative impact zone which begins on the 1st November 2013.

This creates a **rebuttable presumption** that applications for:

- New premises licences
- Club premises certificates
- Variations in premise licenses
- TENs

That are likely to add to the existing cumulative impact will normally be refused, following relevant representations, **unless the applicant can demonstrate their operation schedule that there will be no negative cumulative impact on one or more of the licensing objectives.**

I fear that if the hours are granted it will encourage people to remain in the area and consume alcohol in the street or outside the off licence. Transport during these hours is scant and will only encourage individuals to remain in Brick Lane.

By applying to remain open until 2am it will only increase the likelihood of ASB affecting the lives of the local residents. I have attended a number of local resident meetings and their main concerns are people urinating on their door steps and remaining in their streets until the early hours.

I received the following e-mail from a local resident who is opposing the application for a licence at 106 Brick Lane. The reasons for his objection remain valid for a TEN application.

I understand that the current owner has been operating without a licence for some time, having failed to transfer their licence from a business that went into liquidation. Such disregard for the rules governing their licence can only indicate an irresponsibility that renders the applicant unsuitable to hold a licence at such a sensitive site. The experience of local residents, who suffer nightly from the effects of alcohol-related anti-social behaviour, reinforces the view that the off-licence owners on Brick Lane in general, and this applicant in particular, do not take their wider responsibilities seriously.

My family and I experience a wide range of anti-social behaviour, fueled by the nighttime economy in Brick Lane. One of the major causes of this is the current trend for visitors to buy alcohol from an off-licence and to drink it while sitting on a kerb, on a doorstep or on the pavement. They often do this on residential streets. This causes noise, litter, and invariably leads to urination in the street, vomiting on the pavements, and worse.

I have a diary of such incidents. I can supply more details if you wish but in the interests of brevity here are the incidents we have experienced since the start of September (please note, I only record the more notable such incidents, many others go unrecorded):

3rd September, 12.30pm *a woman urinated between parked cars, in full view of a walking tour*

14th September, 11.30pm *2-3 men rang our doorbell late at night and ran away screaming*

15th September, midnight *a group of drunk women slowly made their way along the street, shouting, screaming and causing a disturbance.*

19th September, 11.30pm *a group of drunk women were shouting, screaming, and generally causing a disturbance.*

20th September, 11pm *a group of German youths gathered with a hand-held stereo turned up to high volume. When asked to turn it down they only partially did so, reluctantly. They remained there for 15 minutes*

21st September, midnight *Someone has urinated against the house.*

21st September, 8.30pm *a group of youths gathered on our doorstep, drinking, smoking and shouting. When asked to move on they only went as far as the doorstep next door where they carried on as before, keeping our children awake. They were there for approx 1 hr.*

21st September, 9.30pm *two women urinated between parked cars opposite number 11, in full view of several passersby. They were 20-25 years old with dark hair and English accents.*

4th October, 1am *someone has vomited on the pavement alongside Christ Church*

5th October, 11.55pm *a car parked outside number 13 blaring loud bass music for approximately 10 minutes before moving on reluctantly when asked. The noise was enough to wake our youngest daughter. There were 4 occupants of the car, 2 men and 2 women. The women had Essex accents. The car was a Golf-type car, black with heavily tinted windows.*

6th October, 1am *someone has vomited in the street*

6th October, 9.50am *two men with Eastern European accents walked into the gardens. One proceeded to urinate against the wall in full view of any passerbys by. He was approximately 45 years old and dressed in pale denim.*

It is completely unreasonable that my family should have to experience such frequent incidents. Off licences on Brick Lane are the major source of the alcohol that drives such incidents. Approving this application would undoubtedly lead to an increase in this type of public nuisance and disorder....

The likelihood is that once the bars and clubs in Truman Brewery close, they will drift to the off licences. Whereas the bars have SIA staff to control their customers, off licences have no such skilled workers to ensure that their patrons leave peacefully. It is often claimed by residents that young people stand outside the off licences and continue to party.

A recent call on the 15th September at 0137 (CAD 1013/15Sep), the informant stated that there was 12-20 people outside Robi's drinking , which had been carrying on for the past hour and a half. The informant stated this was a regular occurrence, with the shop owner joining in. At 0150 LBTH CCTV did not observe anything. Police attended at 0213 and no one was at the location.

Combine this with people remaining in the street eating fast food, it will no doubt break out into the side streets and cause the residents more sleepless nights. Whether it is people talking loudly, laughing or shouting at the top of their voices, one more late venue will only increase the likelihood of ASB and violence or at the very least a public nuisance.

I believe that this application will have a negative cumulative impact on the crime and disorder and public nuisance objectives.

I ask the committee to refuse this application.

Alan Cruickshank PC 189HT
