Section 182 Advice by the Home Office

Updated October 2010

Relevant, vexatious and frivolous representations

- 9.8 A representation would only be "relevant" if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessman which argued that his business would be commercially damaged by a new licensed premises would not be relevant. On the other hand, a representation that nuisance caused by the new premises would deter customers from entering the local area and the steps proposed by the applicant to control that nuisance were inadequate would be relevant. There is no requirement for an interested party or responsible authority to produce a recorded history of problems at a premises to support their representations, and in fact this would not be possible for new premises. Further information for interested parties about the process for making representations is available in "Guidance for interested parties: Making representations" which can be found on the Home Office website.
- 9.9 The "cumulative impact" on the licensing objectives of a concentration of multiple licensed premises may also give rise to a relevant representation when an application for the grant or variation of a premises licence is being considered, but not in relation to an application for review which must relate to an individual premises.
- 9.10 It is for the licensing authority to determine whether any representation by an interested party is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. Vexation may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Frivolous representations would be essentially categorised by a lack of seriousness. An interested party who is aggrieved by a rejection of their representations on these grounds may challenge the authority's decision by way of judicial review.
- 9.11 Licensing authorities should not take decisions on whether representations are relevant on the basis of any political judgement. This may be difficult for ward councillors receiving complaints from residents within their own wards. If consideration is not to be delegated, contrary to the recommendation in this Guidance, an assessment should be prepared by officials for consideration by the subcommittee before any decision is taken that necessitates a hearing. Any ward councillor who

Tel: [REDACTED]

To Licensing Committee;

I write to you in respond to application made by "Rameshchandra Gordhanlal" for Premises MILE END POST OFFICE, UNIT 2 BLEADON HOUSE, 13 BURDETT ROAD, LONDON E3 4TU

Burdett Road Association is acting on behalf of all businesses in Burdett Road and also the local Residents. We would like to make a representation against the application and request the Licensing department to REFUSE the application.

The property is not suitable for selling alcohol as this is a very high crime area. It's a danger to both public and children's. There are two very busy bus stops in front of the above premises and selling alcohol will attract lots of street drinkers and young youths to buy alcohol and cause troubles. The Licensing committee has already refused an application 3 months ago for the same building, next door, due to high Anti Social Behaviour for premises UNIT 1, BLEADON HOUSE, 11 BURDETT ROAD, LONDON E3. (Please see the last minutes reports from the hearing on 16th July. Report No: LSC 05/134.)

There are number of reasons why we feel that there should be no further shops selling Alcohol. Here is some of the top reason below:

1. It is already a very high crime area and the use of Alcohol will influence more unwanted behaviour.
2. Drug activities and supplying of drugs, youths disturbing by passers and also fights. (ASB)
3. 2 very busy bus stops which are used by young children's, to commute during school days which can be very dangerous if street drinkers make the bus stops as their base.
4. Mile End Park is a well enjoyed park with children's, families and other visitors visiting. We don't want the park to be full of youths loitering and disturbing the park users.
5. Local Residents and the Residents above disagree with the application made as this will attracts violence and more noise to the surrounding.
6. It will put a high risk on people using the post office

The premises is located in a very high crime zone area in Burdett road, where previously many fights and attacks incurred in past. Since 2011 we have worked very closely with the local police and with residents and business to tackle these crimes and seen a dramatic drop in crime. Having another shop selling Alcohol will bring crime back in the area. Also many Elderly people visit post office every day to either deposit or cash large amount of cash, which they may be followed by criminals. It will NOT be safe for supply of Alcohol at this property as this will only raise the risk at a very high level to people's safety, especially children's and elderly people.

These are just few concerns of having a similar Retail in Burdett Road. Already there are 3 wine shops on both side of Burdett Road and 1 in Hamlets Way, Further up in Mile End Road there is Budgens, Low Cost Supermarket and opposite side near station there is a 24 hour retail shop which also sells alcohol.

We would request the Licensing committee to help us to help the community in the area also to help bring crime down. We hope no application for the above premises is to be granted now and in future, Burdett Road has always been and always will remain a RED ZONE for crime. Therefore we should act firmly and make sensible decision so that we are don't allow an increase on ASB.

Already the students from Queens Mary University who comes from far distance and many from different country are frighten to walk through Burdett Road as too many young youths are hanging around that end of Burdett Road.

Kind Regards
Burdett Road Business Association
Mr Didhar Hussain

Appendix 5

Anti-Social Behaviour On The Premises

Licensing Policy

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (See Sections 5.2 of the Licensing Policy)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (See Appendix 2 Annex D of the Licensing Policy). In particular Members may wish to consider (this list is not exhaustive):

- Methods of management communication
- Use of registered Door Supervisors
- Bottle Bans
- Plastic containers
- CCTV
- Restrictions on open containers for "off sales"
- Restrictions on drinking areas
- Capacity
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage
- Seating plans
- Capacity

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public safety.

Guidance Issued under Section 182 of the Licensing Act 2003.

The Licensing Policy has adopted the recommended Pool of Conditions as permitted (Annex D).

The key role of the police is acknowledged (2.2).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder, but can relate to the immediate vicinity of the premises as they seek entry or leave (2.4).

Conditions are best targeted on deterrence and preventing crime and disorder (S.2.6) communication, police liaison, no glasses are all relevant (S2.7-2.11).

Guidance Issued under Section 182 of the Licensing Act 2003
Conditions can be imposed for large capacity "vertical consumption" premises (10.40).

Guidance Issued by the Office of Fair Trading

This relates to attempts to control minimum prices

Other Legislation

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

Appendix 6

Anti-Social Behaviour From Patrons Leaving The Premises

General Advice

Members need to bear in mind that once patrons have left a premises they are no longer under direct control. Members will need to be satisfied that there is a link between the way the premises is operating and the behaviour that is complained of. An example of this would be that irresponsible drinking is being encouraged. Before deciding that any particular licensing conditions are proportionate, Members will also need to be satisfied that other legislation is not a more effective route. For example, if the problem is drinking in the street it may be that the Council should designate the area as a place where alcohol cannot be consumed in public.

Members may also wish to consider whether the hours of opening relate to any problems of anti-social behaviour.

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate but also states that licensing laws are "a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy." (See Section 4.10 and 4.11 of the **Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (See Sections 5.2 of the **Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (See Appendix 2 Annex D of the **Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Bottle Bans
- Plastic containers
- CCTV (outside the premises)
- Restrictions on open containers for "off sales"
- Proof of Age scheme
- Crime prevention notices

- Drinks promotions-aimed at stopping irresponsible promotions
- Signage

Cumulative Impact

There is a process by which the Licensing Authority can determine that an area is saturated following representations. However, the process for this involves wide consultation and cannot come from representations about a particular application. (See Section 6 of the Licensing Policy).

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public.

Guidance Issued under Section 182 of the Licensing Act 2003.

The pool of conditions, adopted by the council is recommended (13.20).

The key role of the police is acknowledged (2.2).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder, but can relate to the immediate vicinity of the premises as they seek entry or leave (2.4).

Conditions are best targeted on deterrence and preventing crime and disorder (S.2.6) communication, police liaison, no glasses are all relevant (s.2.7-2.11).

There is also guidance issued around the heading of "public nuisance as follows

The pool of conditions, adopted by the council is recommended (Annexe D).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises (2.36) but it is essential that conditions are focused on measures "within the direct control of the licence holder" (2.38).

Other Legislation

Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

The Act also introduced a wide range of measures designed to address anti-social behaviour committed by adults and young people. These include:

- Anti-Social Behaviour Orders
- Child Curfew Schemes
- Truancy
- Parenting Orders
- Reparation Orders
- Tackling Racism

Appendix 7

Access and Egress problems

Such as:

Disturbance from patrons arriving/leaving the premises on foot

Disturbance from patrons arriving/leaving the premises by car

Lack of adequate car parking facilities

Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

Egress only is referred to-if necessary access can be added or substituted in.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 9

Licensing Policy relating to hours of trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

Sunday to Thursday 06 00 hrs to 23 30 hrs

Friday and Saturday 06 00 hrs to midnight

(see 12.8 Of the licensing policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicants proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(see 12.8 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates
- Premises licensed for off sales only
