Dear Licensing,
Tower Hamlets Police object to the Temporary Event Notices from Vibe Bar 91 - 95 Brick Lane received by Tower Hamlets Police licensing on the 8th November.

Then Temporary Event Notices applied for are on the following dates:
17th November 2013
23rd November 2013
30th November 2013

This objection is on the grounds of Crime and Disorder.

The Police note that the application falls within the Special Cumulative Impact Policy for the Brick Lane Area, adopted by Tower Hamlets Council on the 18th September 2013, and coming into force on the 1st November 2013. Whilst we the Police make our objection on the grounds of Crime and Disorder (evidenced below), we draw the Licensing Committee's attention to paragraph 8.4 of Tower Hamlets Council Licensing Policy set out below:

"The effect of this Special Cumulative Impact Policy is to create a rebuttable presumption for applications in respect of the sale or supply of alcohol on or off the premises and/or late night refreshment for new Premises Licenses, Club Premises Certificates or Provisional Statements and applications for variations of existing Premises Licenses, Club Premises Certificates (where the modifications are relevant to the issue of cumulative impact for example increases hours or capacity). Where the premises are situated in the cumulative impact zone and a representation is received, the license will be refused. To rebut this presumption the applicant would be expected to show through operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced."

Crime and Disorder

Between 10pm on Friday night and 2:00am Monday morning Tower Hamlets is second only to the West End for ASB calls to Police in London, this is shown on Page 1 of the appendix. Brick Lane is a Hot Spot for alcohol related anti-social behaviour, noise, inconsiderate behaviour and overall anti-social behaviour, as shown in pages 2 - 6 of the appendix. This is due in large part to the number of licensed premises in and around Brick Lane.

The Vibe Bar can be described as a "Destination Venue" and events inside the Vibe Bar attract hundreds of people to the area. Many of those people have already consumed

alcohol prior to entering Brick Lane. Many will then purchase more alcohol from the off licenses in Brick Lane. They stand around the off licenses or in the immediate vicinity, usually in small groups and as they drink more alcohol their voices become louder and their behaviour more inconsiderate to people around them. As they are loitering in Brick Lane drinking the alcohol they have bought from the local off licenses they attract people who want to sell them Nitrous Oxide (laughing gas) from balloons, and also people who want to sell them drugs.

As the table on page 7 of the appendix shows over 25% of all crime in Spitalfields and Banglatown ward is committed between 8:00pm to 2:00am Friday to Sunday. The table on page 8 of the appendix shows that 20% of all crime in Weavers ward is committed between 8:00pm to 2:00am Friday to Sunday

Adding these additional hours to the Vibe bar will attract more people to the area as they will be able to listen to the live band and consume alcohol over a longer period. Customers from other nearby premises that close earlier will also be attracted to the Vibe Bar so they can continue to consume alcohol. Allowing these Temporary Event Notices will only exasperate the problems of alcohol related crime and disorder as drunk people queue to get into the Vibe Bar. More people attending a venue where more alcohol will be consumed, which will lead in our opinion to more alcohol related crime and disorder.

The negative effects of the “Night Time Economy” are also demonstrated in the data provided by the Director of Public Health data which was provided to Full Licensing Committee in October 2013. The data in table 1 that Spitalfields and Banglatown ward and Weavers ward, both of which cover Brick Lane have higher than average ambulance calls out to binge drinking.

Table 1: London Ambulance Service call outs to binge drinking

Ward	No of Incidents 2011/12	No of Incidents 2012/13	% Change over 2011/12 to 2012/13
Spitalfields & Banglatown	145	175	+ 21%
Weavers	82	89	+21%
Tower Hamlets ward average	57	71	+25%

Table 2 shows that both wards are considerably higher than the national average for alcohol related hospital admissions.

Table 2: Alcohol Attributable Admission Rates 2011/2012

Ward	Rate per 100,000
Spitalfields & Banglatown	3170
Weavers	2718
England Average	1974

Given the above evidence Tower Hamlets Police ask that these Temporary Events Notices be refused.

Attached is the appendix.

Appendix 5

Licensing Policy

8 Special Cumulative Impact Policy for the Brick Lane Area

- 8.1 As with many other London Borough's the majority of late night licensed premises are concentrated within one area of the Borough. Following guidance issued under the Licensing Act 2003 a cumulative impact policy was adopted on 18th September 2013 by the Council.
- 8.2 After consultation the Council recognises that because of the number and density of licensed premises selling alcohol, on and off the premises and the provision of late night refreshment (sale of hot food after 11pm) within the Brick Lane Area as defined in Figure One, there might be exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect.
- 8.3 The Licensing Authority is now of the view that the number, type and density of premises selling alcohol for consumption on and off the premises and/or the provision of late night refreshment in the area highlighted in Figure One is having a cumulative impact on the licensing objectives and has therefore declared a cumulative impact zone.
- 8.4 The effect of this Special Cumulative Impact Policy is to create a rebuttable presumption for applications in respect of the sale or supply of alcohol on or off the premises and/or late Night Refreshment for new Premises Licences, Club Premises Certificates or Provisional Statements and applications for variations of existing Premises Licences, Club Premises Certificates (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity). Where the premises are situated in the cumulative impact zone and a representation is received, the licence will be refused. To rebut this presumption the applicant would be expected to show through the operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced. This policy does not act as an absolute prohibition on granting/varying new licences in the Cumulative Impact Zone.
