Dear Mr McCrohan,

**Re: Application for a TEN - Rich Mix Cultural Foundation,
35- 47 Bethnal Green Rd, E1 6LA**

Sunday 24th November 2013: 0001 - 0400

I write with reference regarding the above application. Please accept this letter as notification that the police as a responsible authority wish to object to this application on the following basis, that the crime and disorder objective and public nuisance objectives will be undermined.

The applicant has applied for a TEN on the 24th November 2013 between 0001 and 0400.

LBTH has recently adopted a Saturation Policy / Cumulative Impact Policy for the Brick Lane Area. This policy was adopted due to the concerns about the number of licensed

premises in such a small area and the resulting number of ASB calls and the potential for disorder.

This objection reflects the above concerns, that a further event lasting to 4am will surely impinge on the crime and disorder and public nuisance objectives.

Rich Mix has become part of the night time economy focusing around Brick Lane and Redchurch St. This area suffers from a high amount of anti-social behaviour, to the extent that police statistics show that between 22:00 hours on Friday and 02:00 hours on Monday the London Borough of Tower Hamlets is second only to Westminster (West End/Soho/Covent Garden) for Anti-Social Behaviour (ASB) calls to Police in London.

The premises also falls within the 'Shoreditch Triangle', which comprises of the tri-borough wards of Haggerston ward (Hackney), Weavers and Spitalfields & Banglatown wards (Tower Hamlets) and Bunhill Ward (Islington) are four wards which are high crime generators for their respective boroughs especially around Theft Person and the Night Time Economy. Tower Hamlets wards contribute 38% of all Theft Person Offences.

Peak times are between Friday 20:00 hours to Saturday 04:00 hours and Saturday 20:00 hours to Sunday 04:00 hours and these 16 hours are responsible for 21% of all the offences.

Sunday also has a peak but from 12:00 hours to 02:00 hours 16% of all crime.

25% of all crime in Spitalfields and Banglatown ward is committed between 20:00 hours to 02:00 hours Friday to Sunday. 20% of all crime in Weavers ward is committed between 20:00 hours to 02:00 hours Friday to Sunday.

The hours applied for falls into the above peak hours. An extra 400+ people in the Brick Lane area will have a significant effect on the number of people staying in the area whether it is to attend the late night eating establishments or to await transport home, which at that time in the morning is few and far between.

In terms of public nuisance, the increased number of people in an already very busy area would greatly increase the chances of people shouting, dropping litter and hanging around to the early hours of the morning awaiting Shoreditch tube to open.

Further to this, two negative effects of the “Night Time Economy” are demonstrated in the data provided by the Director of Public Health. This information was provided to the full Licensing Committee in October 2013.

The data in table 1 highlights both Spitalfields and Banglatown and Weavers wards They both have higher than average ambulance calls out to binge drinking.

Table 1: London Ambulance Service call outs to binge drinking

Ward	No of Incidents 2011/12	No of Incidents 2012/13	% Change over 2011/12 to 2012/13
Spitalfields & Banglatown	145	175	+ 21%
Weavers	82	89	+21%

Tower Hamlets ward average	57	71	+25%
----------------------------	----	----	------

Table 2 shows that both wards are considerably higher than the national average for alcohol related hospital admissions.

Table 2: Alcohol Attributable Admission Rates 2011/2012

Ward	Rate per 100,000
Spitalfields & Banglatown	3170
Weavers	2718
England Average	1974

The increased numbers will have a negative impact on the crime and disorder and public nuisance objectives. I therefore ask the committee to refuse this application.

Appendix 4

Licensing Policy

8 Special Cumulative Impact Policy for the Brick Lane Area

- 8.1 As with many other London Borough's the majority of late night licensed premises are concentrated within one area of the Borough. Following guidance issued under the Licensing Act 2003 a cumulative impact policy was adopted on 18th September 2013 by the Council.
- 8.2 After consultation the Council recognises that because of the number and density of licensed premises selling alcohol, on and off the premises and the provision of late night refreshment (sale of hot food after 11pm) within the Brick Lane Area as defined in Figure One, there might be exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect.
- 8.3 The Licensing Authority is now of the view that the number, type and density of premises selling alcohol for consumption on and off the premises and/or the provision of late night refreshment in the area highlighted in Figure One is having a cumulative impact on the licensing objectives and has therefore declared a cumulative impact zone.
- 8.4 The effect of this Special Cumulative Impact Policy is to create a rebuttable presumption for applications in respect of the sale or supply of alcohol on or off the premises and/or late Night Refreshment for new Premises Licences, Club Premises Certificates or Provisional Statements and applications for variations of existing Premises Licences, Club Premises Certificates (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity). Where the premises are situated in the cumulative impact zone and a representation is received, the licence will be refused. To rebut this presumption the applicant would be expected to show through the operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced. This policy does not act as an absolute prohibition on granting/varying new licences in the Cumulative Impact Zone.
- 8.5 The Special Cumulative Impact policy will not be used to revoke an existing licence or certificate and will not be applicable during the review of existing licences.

The Cumulative Impact Zone in the Brick Lane area

The Cumulative Impact Zone is detailed in the map below. The map shows all of the premises (dots) currently licensed under the Licensing Act 2003 in the Brick Lane Area. The Cumulative Impact Zone is defined by the dark line.
