**Subject:** TEN Objection - Bar Salento

**Follow Up Flag:** Follow up  
**Flag Status:** Completed

Dear Licensing, Mr Plati,

Police formally object to the Temporary Event Notice Application for Bar Salento, 3 Clove Crescent E14, received by Police on the 9th December 2013 for the 1st January 2014.

The objection to this application is on the grounds of Crime and Disorder.

The premises recently varied its license and after discussion with Police and Tower Hamlets Environmental Health was allowed to have up to 50 non standard hours events per year, with the agreement of the Police and Tower Hamlets Environmental Health prior to each event. Mr Plati was warned by myself that this was not a license to run a night club and that he had to make sure that each party was risk assessed and also had to agree a security plan with Tower Hamlets Police.

On Sunday 1st December 2013 shortly after 3:48am an anonymous informant called Police regarding a large scale disturbance involving persons leaving Bar Salento which had spilled out onto Mulberry Place E14. Officers attended and initially there were in excess of thirty people fighting and urgent assistance was requested from other officers due to the large number of people fighting and the threat to the safety of the persons present and to Police officers responding. Police officers at the scene described the situation as "Chaos" had to draw their batons in an attempt to restore order.

Eventually sufficient officers arrived to calm the situation and disperse people on scene. Due to the volatile situation and the aggressive nature of those people leaving Bar Salento it was not possible to identify individual aggressors. People at the fight were extremely anti-police and despite the fight taking place, nobody substantiated any allegations.

After the crowd had been dispersed a flick knife was recovered from the ground. This had apparently been in the possession of one of the people fighting and in all likelihood had been taken into Bar Salento, despite a search policy and SIA staff allegedly being on duty. As a result of this violent incident any future calls to this premises have been asked to be marked with "Officer Safety Issues".

On Monday the 2nd December 2013 I visited Mr Plati and issued him with a Sec 19 Closure Notice due to his not having submitted a security plan which is a condition of his license, and also as he had not submitted a 696 risk assessment form so that Police could check the history of the DJ's playing. Although I have sent Mr Plati a proposed security plan he has yet to agree it.

More concerning is when I spoke to Mr Plati, he did not think he had any responsibility for what happened outside his premises, even though the initial incident appears to of started in Bar Salento, and the fight took place just outside the bar. While I believe he is a fit and proper person to run a restaurant and bar, he does not have the experience or skill to run a night club which is what Mr Plati had turned Bar Salento into. Mr Salenti stated that he needed these parties to keep him from going out of business. This to me is concerning as it appears he is accepting parties and events without risk assessing them or being able to control them because he needs the money.

I have informed Mr Plati that the Police will not agree to him using any more of his non standard hours until he can demonstrate that he can run them safely and properly.

When I spoke to Mr Plati, he stated that there were three parties going on during his proposed application (1st Jan) and also that it was just for one person which is confusing. I asked him why a Birthday party would need to go on till 4:00am and he was unable to give me an adequate answer other than saying it was a party for a cleaner who worked in Mulberry Place. Police believe that if this TEN is to go ahead that it will attract a similar crowd as before, that it will be a New Years Eve party and that Mr Plati will not be able to control it, which leads to a risk of crime and disorder, on a night when Police resources will be stretched.

I therefore ask for this application to be rejected.

Regards

Pc Mark Perry
