**Proposed move of Moorfields' Eye Hospital**

Item No

**6**

**Outline**

Moorfields' Eye Hospital NHS Foundation Trust proposes to move its main hospital from its existing site in City Road in Islington to a new site in the King's Cross/Euston area.

The Trust is required to consult the relevant local health overview and scrutiny committees as this would constitute a substantial variation. Although the hospital is based in the NCL JHOSC area it takes patients from across London.

The Trust has provided the following data on the referrals relevant to INEL boroughs.

The total referrals by CCG and those who are seen at City Road:

	Total Referrals 2012-13	City Road Referrals 2012-13
City And Hackney	5,375	<b>4,225</b>
Tower Hamlets	3,811	<b>2,450</b>
Newham	3,129	<b>2,134</b>

Attached is their consultation document on the proposed move and attending the meeting to answer Members' questions will be Rob Elek, Director of Strategy and Business Development

**Action**

The Committee is requested to give consideration to proposal.
