19th March 2014

Dear Local Resident,

**Application for a Premises Licence
Tapas Revolution, Bethnal Green Road**

We refer to our application for a premises licence. Tower Hamlets Council have provided us with a copy of the petition you signed objecting to our application.

We would be extremely grateful for the opportunity to tell you a little more about Tapas Revolution and our application. We have carefully considered the issues raised in the petition and hope we can go some way to addressing your concerns.

Tapas Revolution is a food-led premises. We specialise in high-quality and authentic Spanish food and drink. We have a number of restaurants across London, including two other Tapas Revolution premises. All our restaurants operate without any complaint whatsoever. Our management has a wealth of experience and we take our responsibilities towards local residents extremely seriously.

We have met with the Council's noise officer and proposed a number of conditions to safeguard our local residents. These are set out in the attached document. The noise officer is satisfied with our proposals and has not objected to the application. Nevertheless, we have commissioned an acoustic report to ensure the premises causes no disturbance whatsoever to our local residents.

In addition, and in response to your concerns, we are now proposing the following time restrictions in respect of the outside areas:

- Sunday: 10pm
- Monday to Thursday: 10.30pm
- Friday and Saturday: 11pm

We will also ensure the outside areas are closely monitored by staff at all times the areas are open and in use by our customers. Our robust operational and management procedures will prevent any sources of nuisance whatsoever in the local area. These include the controlled management of customers at the premises, as well as when they arrive and leave. Our staff are fully aware of the proximity of residential premises and will ensure that the restaurant will not cause any nuisance.

We intend to be professional and responsible neighbours. Our doors will always be open to local residents to discuss any issues that may arise. We hope that our new restaurant will become a valuable community asset to our local residents and that this letter has gone some way to address your concerns.

We would be more than happy to meet with you to discuss your concerns and the application further, so please do not hesitate to contact us.

Yours faithfully

Mac Plumptre

TAPAS REVOLUTION

★

In my hometown of Madrid, tapas is more than just food, it's part of our everyday culture: we believe food and life are always best shared!

All our dishes are prepared from beginning to end in-house. We cook with the finest ingredients from small Artisan producers in Spain, following traditional recipes that I have been using all my life - this is very important to us and we think it makes the difference!

Buen provecho!
