Dear Mr McCrohan

**Re: Application for Temporary Event Notice for 3 Hancock Road on 23rd
to 24th August 2014**

I write with reference to the above application which was received in the Licensing Office on the 18th July 2014.

Police object the application for a Temporary Event Notice for the 23rd and 24th August 2014 on the grounds of Crime and Disorder and Prevention of Public Nuisance.

The Temporary Event Notice is for an event at 3 Hancock Road, Bromley by Bow on Notting Hill Carnival Weekend. This is a weekend when Police resources are incredibly stretched.

By having a dance music event that runs from 4:00pm to 05:30 where people will be consuming alcohol during that time, runs the risk of creating alcohol related crime and disorder.

Such events also attract drug use and where there is drug use there are drug dealers who supply them.

While under normal circumstances Police would be able to work with promoters and venue operators to ensure the safe running of the event, during Notting Hill there are simply not the resources available to do this.

Given that this is not a venue specifically designed to host such events, and that there is the possibility of alcohol related disorder and drug use we therefore object to the Temporary Event Notice being granted and ask that it is refused by committee.

Dear all, please accept this as a representation against the TEN applied for as above. EH remain unconvinced that an 'electronic' music event in an open air courtyard until 23.30 will not cause considerable Public Nuisance.

The nearest residential premises are approximately 67 metres away and although separated by the A12, it is our expert opinion that the noise from the event will travel that distance easily especially during gaps in traffic and eventually the lower traffic noise as it gets later and it subsides.

We have not yet been provided with any acoustic specifications of the equipment to be used and any further calculations of predicted noise levels at the nearest residential.

I understand that there is such a tight schedule with TEN's for all concerned, so the information may not be forthcoming as quickly as we would like, hence the need for this representation.

Kind regards,

Ian
