Dear Mr McCrohan

Re: Application for a Premises Licence

129 Whitechapel High St, E1 7PT

I write with reference regarding the above application. Please accept this letter as notification that the police as a responsible authority wish to object to this application on the following two licensing objectives.

The prevention of crime and disorder

The prevention of public nuisance

LBTH has adopted a Saturation Policy / Cumulative Impact Policy for the Brick Lane

Area. This policy was adopted due to the concerns about the number of licensed

premises in such a small area and the resulting number of ASB calls and the potential for

disorder.

With regards to this policy, the licensing authority will normally refuse any new applications or any variation of these in the cumulative impact zone; unless the applicant can demonstrate there will be no negative cumulative impact on one or more of the licensing objectives.

Whitechapel High St falls within the Cumulative Impact Zone (CIZ) and also the Shoreditch Triangle, featuring the busiest parts of Tower Hamlets, Hackney and Islington. There has been a steady increase in bars, restaurants and fast food premises.

There are a large number of off licences within the CIZ and the introduction of the CIZ was a response to the concerns of the easy availability of alcohol and the likelihood of increasing ASB. One further off licence, although with fairly reasonable hours, can only increase concerns about ASB.

This objection is not a reflection on the applicant but a response to the Saturation Policy. Since the introduction of the policy and the CIZ, licences have been granted in this area but the continuing introduction of new licensed premises however small or well run, will only compound the problems in the CIZ.

This area suffers from a high amount of anti-social behaviour, to the extent that police statistics show that between 22:00 hours on Friday and 02:00 hours on Monday the London Borough of Tower Hamlets is second only to Westminster (West End/Soho/Covent Garden) for Anti-Social Behaviour (ASB) calls to Police in London.

The premises also falls within the ‘Shoreditch Triangle’, which comprises of the tri-borough wards of Haggerston ward (Hackney), Weavers and Spitalfields & Banglatown wards (Tower Hamlets) and Bunhill Ward (Islington) are four wards which are high crime generators for their respective boroughs especially around Theft Person and the Night Time Economy. Tower Hamlets wards contribute 38% of all Theft Person Offences.

Peak times are between Friday 20:00 hours to Saturday 04:00 hours and Saturday 20:00 hours to Sunday 04:00 hours and these 16 hours are responsible for 21% of all the offences.

25% of all crime in Spitalfields and Banglatown ward is committed between 20:00 hours to 02:00 hours Friday to Sunday. 20% of all crime in Weavers ward is committed between 20:00 hours to 02:00 hours Friday to Sunday.

The hours applied for falls i. to the above peak hours.

Further to this, two negative effects of the “Night Time Economy” are demonstrated in the data provided by the Director of Public Health. This information was provided to the full Licensing Committee in October 2013.

The data in table 1 highlights both Spitalfields and Banglatown and Weavers wards They both have higher than average ambulance calls out to binge drinking.

Table 1: London Ambulance Service call outs to binge drinking

Ward	No of Incidents 2011/12	No of Incidents 2012/13	% Change over 2011/12 to 2012/13
Spitalfields & Banglatown	145	175	+ 21%
Weavers	82	89	+21%
Tower Hamlets ward average	57	71	+25%

Table 2 shows that both wards are considerably higher than the national average for alcohol related hospital admissions.

Table 2: Alcohol Attributable Admission Rates 2011/2012

Ward	Rate per 100,000
Spitalfields & Banglatown	3170
Weavers	2718
England Average	1974

Can the applicant provide evidence that the operation of the premises will not add to the negative cumulative impact already being experienced in this area?

One more off licence that sells alcohol will only add to concerns over crime and disorder and public nuisance. I therefore ask the committee to refuse this application.

Alan Cruickshank PC 189HT

Appendix 4

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).

If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Sections 8.1 of the Licensing Policy**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 12.4**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 12.5**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Sections 8.2 of the Licensing Policy**).

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to Crime and Disorder. (**See Appendix 2 Annex D of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music

- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks
- Conditions controlling the placing of refuse
- Conditions controlling noxious smells
- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs. a premises causing a nuisance resulting from noise emanating from the premises.

Guidance Issued under Section 182 of the Licensing Act 2003

The Licensing Policy has adopted the recommended Pool of Conditions as permitted (Annex D).

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.33).

Licence conditions should not duplicate other legislation (1.17).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.37) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.39).

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

Appendix 5

Access and egress problems

Such as:

Disturbance from patrons arriving/leaving the premises on foot

Disturbance from patrons arriving/leaving the premises by car

Lack of adequate car parking facilities

Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Section 8.1 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 8.2 of the Licensing Policy**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 12.4**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 12.5**)

The Council has adopted a set of framework hours (**See 12.8 of the licensing policy**). This relates to potential disturbance caused by late night trading.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to the prevention of Public Nuisance. (**See Appendix 2 Annex G of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The pool of conditions, adopted by the council is recommended (Annex G). The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.33).

Licence conditions should not duplicate other legislation (1.17).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises (2.37) but it is essential that conditions are focused on measures within the direct control of the licence holder” (2.39).

In certain circumstances conditions relating to noise in the immediate vicinity of the premises may also prove necessary to address any disturbance anticipated as customers enter and leave (2.37).

However, it is essential that conditions are focused on measures within the direct control of the licence holder. Conditions relating to behaviour once they are beyond the control of the licence holder cannot be justified. (2.39)

Appendix 6

Crime and disorder on the premises

Licensing Policy

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. **(See Sections 5.2. of the Licensing Policy)**

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include conditions drawn from the Model Pool of Conditions relating to Crime and Disorder. **(See Appendix 2 Annex D of the Licensing Policy)**. In particular Members may wish to consider (this list is not exhaustive):

- Methods of management communication
- Use of registered Door Supervisors
- Bottle Bans
- Plastic containers
- CCTV
- Restrictions on open containers for “off sales”
- Restrictions on drinking areas
- Capacity
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage
- Seating plans
- Capacity

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public safety.

Guidance Issued under Section 182 of the Licensing Act 2003.

The pool of conditions, adopted by the council is recommended (Annexe D).

The key role of the police is acknowledged (2.2).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff or agents, but can directly impact on the behaviour of customers on, or in the immediate vicinity of the premises as they seek entry or leave (2.4).

Conditions are best targeted on deterrence and preventing crime and disorder (S.2.6) communication, CCTV, police liaison, no glasses, capacity limits are all relevant (S.2.7-2.11).

Guidance Issued under Section 182 of the Licensing Act 2003

Conditions can be imposed for large capacity “vertical consumption” premises (10.41).

Guidance Issued by the Office of Fair Trading

This relates to attempts to control minimum prices

Other Legislation

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

Appendix 7

Crime and disorder from patrons leaving the premises

General Advice

Members need to bear in mind that once patrons have left a premises they are no longer under direct control. Members will need to be satisfied that there is a link between the way the premises is operating and the behaviour that is complained of. An example of this would be that irresponsible drinking is being encouraged. Before deciding that any particular licensing conditions are proportionate, Members will also need to be satisfied that other legislation is not a more effective route. For example, if the problem is drinking in the street it may be that the Council should designate the area as a place where alcohol cannot be consumed in public.

Members may also wish to consider whether the hours of opening relate to any problems of anti-social behaviour.

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy.” Other controls need to be borne in mind. **(See Section 4.10 and 4.11 of the Licensing Policy).**

- The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Pool of Conditions relating to Crime and Disorder. **(See Appendix 2 Annex D of the Licensing Policy).**

There is also guidance issued around the heading of “public nuisance as follows

The pool of conditions, adopted by the council is recommended (Annexe G).

Other Legislation

Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

The Act also introduced a wide range of measures designed to address anti-social behaviour committed by adults and young people. These include:

- Anti-Social Behaviour Orders
- Child Curfew Schemes
- Truancy
- Parenting Orders
- Reparation Orders
- Tackling Racism

Appendix 8

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one or more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 9

Licensing Policy relating to hours of trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows

- Monday to Thursday 06:00 hours to 23:30 hours
- Friday and Saturday 06:00 hours to midnight
- Sunday 06:00 hours to 22:30 hours

(see 12.8 Of the licensing policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicants proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(see 12.8 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates
- Premises licensed for off sales only

(see 12.9 of the licensing policy)

Appendix 10

Special Cumulative Impact Policy for the Brick Lane Area

As with many other London Borough's the majority of late night licensed premises are concentrated within one area of the Borough. Following guidance issued under the Licensing Act 2003 a cumulative impact policy was adopted on 18th September 2013 by the Council.

After consultation the Council recognises that because of the number and density of licensed premises selling alcohol, on and off the premises and the provision of late night refreshment (sale of hot food after 11pm) within the Brick Lane Area as defined in Figure One, there might be exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect.

The Licensing Authority is now of the view that the number, type and density of premises selling alcohol for consumption on and off the premises and/or the provision of late night refreshment in the area highlighted in Figure One is having a cumulative impact on the licensing objectives and has therefore declared a cumulative impact zone.

The effect of this Special Cumulative Impact Policy is to create a rebuttable presumption for applications in respect of the sale or supply of alcohol on or off the premises and/or late Night Refreshment for new Premises Licences, Club Premises Certificates or Provisional Statements and applications for variations of existing Premises Licences, Club Premises Certificates (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity). Where the premises are situated in the cumulative impact zone and a representation is received, the licence will be refused. To rebut this presumption the applicant would be expected to show through the operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced. This policy does not act as an absolute prohibition on granting/varying new licences in the Cumulative Impact Zone.

The Special Cumulative Impact policy will not be used to revoke an existing licence or certificate and will not be applicable during the review of existing licences.

The Cumulative Impact Zone in the Brick Lane area

The Cumulative Impact Zone is detailed in the map below. The map shows all of the premises (dots) currently licensed under the Licensing Act 2003 in the Brick Lane Area. The Cumulative Impact Zone is defined by the dark line.
