Dear Sir/Madam, please consider this email as a representation against the TEN applied for at iCan Studios on the 21st September 2014.

EH have concerns over the use of the outside area for loud amplified music up until 21.00.

EH have previously objected to TEN's for the same address and same use, which have been rejected by Licensing Sub-Committee. Local residents have contacted our department on numerous occasions and reported their annoyance of having loud music disturbing their peaceful enjoyment of their property during the weekend.

The application does not set out how this event will be any different and how the applicants intend to minimise noise disruption. As you may be aware the courtyard does not have a Premises Licence, so therefore conditions cannot be imposed. This leaves this department in a very difficult position with regards to these applications. It may be acceptable if the event was to be held inside the premises only.

I met Marlow on Thursday night 28th whilst patrolling the 'Fish Island' area. He mentioned that he was considering submitting a TEN in the future but wanted to speak to me first. I said that would be fine and left it for him to get in touch. I have not been contacted prior to receiving this application.

Regards

Ian
