OPERATING SCHEDULE

When do you want the premises licence to start? / /
dd mm yyyy

If you wish the licence to be valid only for a limited period, when do you want it to end / /
dd mm yyyy

Provide a general description of the premises

For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.

The premises is the former Shoreditch train station, comprising of a detached single-storey building (the old ticket office) and a lower ground area which previously formed part of the train-line (now finished with wooden decking). A high concrete wall surrounds the premises. The site is located in the west of Tower Hamlets borough, next to Allen Gardens.

The intention of the license is to enable the production of pop-up cinema events during the licensed period. These events will not be occurring constantly, but the number of total licensed days is likely to exceed the 21 allowed if using Temporary Events Notices.

During these productions, the space will be configured as a pop-up cinema on the lower ground floor, with a bar serving drinks and snacks for consumption on the premises on the ground floor.

Continued from previous page...

We have already completed three weeks of these events using TENs during June this year, with no complaints or issues.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

All guests will be Challenge 25 checked by SIA approved Door Supervisors at the door.
Plastic glassware will be used throughout.
CCTV will be used.
Safe capacity limits will be maintained through the use of tally counters and/or advanced ticketing.
The supply of alcohol is not the primary purpose of the events.

As local stakeholders, we have consulted Spitalfields Community Group about our plans, and they have confirmed that they have no objection to our application. We intend to maintain an open dialog with the SCG and other neighbouring residents throughout our operation.

b) The prevention of crime and disorder

Staff will be trained to identify drunken behavior, and halt sales.
No irresponsible promotions that may lead to the excessive consumption of alcohol will be introduced.
Free water will be available throughout.
Trained SIA approved security will ensure any disorderly conduct is dealt with swiftly and professionally.
An Incident Log Book will be maintained on the premises.

c) Public safety

Sufficient security staff / floor supervisors will be employed in relation to the number of guests.
Safe capacity limits (to ensure no overcrowding) will be maintained through the use of tally counters and/or advanced ticketing.
Staff will be trained in / informed of necessary safety measures including evacuation procedures.
Comprehensive safety notices will be visible throughout the venue.
Safe arrival and departure routes from the premises for patrons will be identified and documented, and staff/patrons informed accordingly.

d) The prevention of public nuisance

Noise escape from the premises will be limited through the use of sound proofing, small speakers and sound level limiters on amplification equipment.
Nuisance and noise from customers entering and leaving the premises will be minimised through the use of signs inside/outside the venue asking patrons to leave quietly, and briefing of staff and security to reinforce this.
Limited attendance per night will ensure no congestion of the pavement/roadway.
There are excellent public transport links and a nearby minicab station for patrons leaving the premises. Transport timetables will be displayed at the exit of the premises.
Noise from staff, contractors and suppliers and their activities (including refuse collection and food/drink deliveries) will be minimised and controlled through focusing such activities within standard business hours, and providing appropriate training and signage.
An Incident Log Book will be maintained on the premises.
There will be at least 30 minutes between last sales of alcohol and the closure of the premises.

e) The protection of children from harm

The Challenge 25 initiative will be followed to check the age of those who appear to be under the age of 25.
Children will not be allowed into the venue, and therefore restricted from viewing films that are inappropriate for their age.

Section 182 Advice by the Home Office

Updated October 2010

Relevant, vexatious and frivolous representations

- 9.8 A representation would only be “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessman which argued that his business would be commercially damaged by a new licensed premises would not be relevant. On the other hand, a representation that nuisance caused by the new premises would deter customers from entering the local area and the steps proposed by the applicant to control that nuisance were inadequate would be relevant. There is no requirement for an interested party or responsible authority to produce a recorded history of problems at a premises to support their representations, and in fact this would not be possible for new premises. Further information for interested parties about the process for making representations is available in “Guidance for interested parties: Making representations” which can be found on the Home Office website.
- 9.9 The “cumulative impact” on the licensing objectives of a concentration of multiple licensed premises may also give rise to a relevant representation when an application for the grant or variation of a premises licence is being considered, but not in relation to an application for review which must relate to an individual premises.
- 9.10 It is for the licensing authority to determine whether any representation by an interested party is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. Vexation may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Frivolous representations would be essentially categorised by a lack of seriousness. An interested party who is aggrieved by a rejection of their representations on these grounds may challenge the authority’s decision by way of judicial review.
- 9.11 Licensing authorities should not take decisions on whether representations are relevant on the basis of any political judgement. This may be difficult for ward councillors receiving complaints from residents within their own wards. If consideration is not to be delegated, contrary to the recommendation in this Guidance, an assessment should be prepared by officials for consideration by the subcommittee before any decision is taken that necessitates a hearing. Any ward councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.

- 9.12 The Home Secretary recommends that in borderline cases, the benefit of the doubt should be given to the interested party making the representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it. If it then emerged, for example, that the representation should not be supported, the licensing authority could decide not to take any action in respect of the application.
- 9.13 Licensing authorities should consider providing advice on their websites about how any interested party can make representations to them.

Dear Mr McCrohan

Re:application for a premises licence
Former Shoreditch train station, Pedley St, E1 5EW

I write with reference regarding the above application. Please accept this letter as notification that the police as a responsible authority wish to object to this application on the following two licensing objectives.

The prevention of crime and disorder

The prevention of public nuisance

LBTH has adopted a Saturation Policy / Cumulative Impact Policy which includes Pedley St at the junction with Brick Lane. This policy was adopted due to the concerns about the number of licensed premises in such a small area and the resulting number of ASB calls and the potential for disorder.

With regards to this policy, the licensing authority will normally refuse any new applications or any variation of these in the cumulative impact zone; *unless the applicant can demonstrate there will be no negative cumulative impact on one or more of the licensing objectives.*

This part of Brick Lane is already a very busy area in terms of licensed premises. The continuing introduction of new licensed premises or variations however small or well run, will only compound the problems in the CIZ

Although the alcohol hours are within the framework hours, it is yet another premise that will have the ability to sell alcohol in the area which is already “saturated”

At present, Tower Hamlets Police Licensing Unit’s policy is to object to all new licences or variations in the CIZ as set out by the Saturation Policy. If no objection was forthcoming from the police, then LBTH Licensing at present would object to the application.

This provides the opportunity to the committee to scrutinize the application and for the applicant to demonstrate how their application will not have a negative cumulative impact on the licensing objectives of the prevention of crime and disorder and the prevention of public nuisance.

Can the applicant provide evidence that the operation of the premise will not add to the negative cumulative impact already being experienced in this area?

This venue has been used in the past for other activities other than the performance of film.

If the committee is to grant a licence, I would ask that they consider the following:

1. No promoted events that involves DJs

(if not, a F696 to be completed for promoted events within the relevant time period)

2. CCTV

The CCTV system shall incorporate a recording facility and any recordings shall be retained and stored in a suitable and secure manner for a minimum of 31 days. A system shall be in place to maintain the quality of the recorded image and a complete audit trail maintained. The system will comply with other essential legislation, and all signs as required will be clearly displayed. The system will be maintained and fully operational throughout the hours that the premises are open for any licensable activity.

There must also be someone on the premises, who can download the images and present them on request by a police officer or other responsible authority.

(Can one camera be placed o/s the entrance and on entry)

3. Two SIA staff to be employed on a Friday and Saturday from 1800 until closing.

4. The removal of the non standard timings. These are the busiest periods for the Metropolitan Police. They can apply for a TEN nearer the time where it can be better assessed.

Appendix 5

Special Cumulative Impact Policy for the Brick Lane Area

As with many other London Borough's the majority of late night licensed premises are concentrated within one area of the Borough. Following guidance issued under the Licensing Act 2003 a cumulative impact policy was adopted on 18th September 2013 by the Council.

After consultation the Council recognises that because of the number and density of licensed premises selling alcohol, on and off the premises and the provision of late night refreshment (sale of hot food after 11pm) within the Brick Lane Area as defined in Figure One, there might be exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect.

The Licensing Authority is now of the view that the number, type and density of premises selling alcohol for consumption on and off the premises and/or the provision of late night refreshment in the area highlighted in Figure One is having a cumulative impact on the licensing objectives and has therefore declared a cumulative impact zone.

The effect of this Special Cumulative Impact Policy is to create a rebuttable presumption for applications in respect of the sale or supply of alcohol on or off the premises and/or late Night Refreshment for new Premises Licences, Club Premises Certificates or Provisional Statements and applications for variations of existing Premises Licences, Club Premises Certificates (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity). Where the premises are situated in the cumulative impact zone and a representation is received, the licence will be refused. To rebut this presumption the applicant would be expected to show through the operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced. This policy does not act as an absolute prohibition on granting/varying new licences in the Cumulative Impact Zone.

The Special Cumulative Impact policy will not be used to revoke an existing licence or certificate and will not be applicable during the review of existing licences.

Figure One

The Cumulative Impact Zone in the Brick Lane area

The Cumulative Impact Zone is detailed in the map below. The map shows all of the premises (dots) currently licensed under the Licensing Act 2003 in the Brick Lane Area. The Cumulative Impact Zone is defined by the dark line.

Appendix 6

Anti-Social Behaviour On The Premises

Licensing Policy

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Sections 5.2 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 2 Annex D of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Methods of management communication
- Use of registered Door Supervisors
- Bottle Bans
- Plastic containers
- CCTV
- Restrictions on open containers for “off sales”
- Restrictions on drinking areas
- Capacity
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage
- Seating plans
- Capacity

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public safety.

Guidance Issued under Section 182 of the Licensing Act 2003.

The Licensing Policy has adopted the recommended Pool of Conditions as permitted (Annex D).

The key role of the police is acknowledged (2.2).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder, but can relate to the immediate vicinity of the premises as they seek entry or leave (2.4).

Conditions are best targeted on deterrence and preventing crime and disorder (S.2.6) communication, police liaison, no glasses are all relevant (S2.7-2.11).

Guidance Issued under Section 182 of the Licensing Act 2003
Conditions can be imposed for large capacity “vertical consumption” premises (10.40).

Guidance Issued by the Office of Fair Trading

This relates to attempts to control minimum prices

Other Legislation

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

Appendix 7

Anti-Social Behaviour From Patrons Leaving The Premises

General Advice

Members need to bear in mind that once patrons have left a premises they are no longer under direct control. Members will need to be satisfied that there is a link between the way the premises is operating and the behaviour that is complained of. An example of this would be that irresponsible drinking is being encouraged. Before deciding that any particular licensing conditions are proportionate, Members will also need to be satisfied that other legislation is not a more effective route. For example, if the problem is drinking in the street it may be that the Council should designate the area as a place where alcohol cannot be consumed in public.

Members may also wish to consider whether the hours of opening relate to any problems of anti-social behaviour.

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy.” **(See Section 4.10 and 4.11 of the Licensing Policy).**

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. **(See Sections 5.2 of the Licensing Policy)**

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. **(See Appendix 2 Annex D of the Licensing Policy).** In particular Members may wish to consider (this list is not exhaustive):

- Bottle Bans
- Plastic containers
- CCTV (outside the premises)
- Restrictions on open containers for “off sales”
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage

Cumulative Impact

There is a process by which the Licensing Authority can determine that an area is saturated following representations. However, the process for this involves wide consultation and cannot come from representations about a particular application. (**See Section 6 of the Licensing Policy**).

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public.

Guidance Issued under Section 182 of the Licensing Act 2003.

The pool of conditions, adopted by the council is recommended (13.20).

The key role of the police is acknowledged (2.2).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder, but can relate to the immediate vicinity of the premises as they seek entry or leave (2.4).

Conditions are best targeted on deterrence and preventing crime and disorder (S.2.6) communication, police liaison, no glasses are all relevant (s.2.7-2.11).

There is also guidance issued around the heading of "public nuisance as follows

The pool of conditions, adopted by the council is recommended (Annexe D).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises (2.36) but it is essential that conditions are focused on measures "within the direct control of the licence holder" (2.38).

Other Legislation

Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

The Act also introduced a wide range of measures designed to address anti-social behaviour committed by adults and young people. These include:

- Anti-Social Behaviour Orders
- Child Curfew Schemes
- Truancy
- Parenting Orders
- Reparation Orders
- Tackling Racism

Appendix 8

Access and Egress problems

Such as:

Disturbance from patrons arriving/leaving the premises on foot

Disturbance from patrons arriving/leaving the premises by car

Lack of adequate car parking facilities

Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Sections 8.1 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Sections 8.2 of the Licensing Policy, and also Section 12.5**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 12.1**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 12.4**)

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Poll of Conditions relating to the prevention of Public Nuisance. (**See Appendix 2 Annex G of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The pool of conditions, adopted by the council is recommended (13.20 and Annex D).

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.33).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises (2.36) but it is essential that conditions are focused on measures within the direct control of the licence holder” (2.38).

In certain circumstances conditions relating to noise in the immediate vicinity of the premises may also prove necessary to address any disturbance anticipated as customers enter and leave (2.36).

However, it is essential that conditions are focused on measures within the direct control of the licence holder. Conditions relating to behaviour once they are beyond the control of the licence holder cannot be justified. (2.38)

Appendix 9

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 10

Licensing Policy relating to hours of trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

Sunday to Thursday 06 00 hrs to 23 30 hrs

Friday and Saturday 06 00 hrs to midnight

(see 12.8 Of the licensing policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicants proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(see 12.8 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates
- Premises licensed for off sales only
