Section 182 Advice by the Home Office

Updated October 2010

Relevant, vexatious and frivolous representations

- 9.8 A representation would only be “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessman which argued that his business would be commercially damaged by a new licensed premises would not be relevant. On the other hand, a representation that nuisance caused by the new premises would deter customers from entering the local area and the steps proposed by the applicant to control that nuisance were inadequate would be relevant. There is no requirement for an interested party or responsible authority to produce a recorded history of problems at a premises to support their representations, and in fact this would not be possible for new premises. Further information for interested parties about the process for making representations is available in “Guidance for interested parties: Making representations” which can be found on the Home Office website.
- 9.9 The “cumulative impact” on the licensing objectives of a concentration of multiple licensed premises may also give rise to a relevant representation when an application for the grant or variation of a premises licence is being considered, but not in relation to an application for review which must relate to an individual premises.
- 9.10 It is for the licensing authority to determine whether any representation by an interested party is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. Vexation may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Frivolous representations would be essentially categorised by a lack of seriousness. An interested party who is aggrieved by a rejection of their representations on these grounds may challenge the authority’s decision by way of judicial review.
- 9.11 Licensing authorities should not take decisions on whether representations are relevant on the basis of any political judgement. This may be difficult for ward councillors receiving complaints from residents within their own wards. If consideration is not to be delegated, contrary to the recommendation in this Guidance, an assessment should be prepared by officials for consideration by the subcommittee before any decision is taken that necessitates a hearing. Any ward councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.

- 9.12 The Home Secretary recommends that in borderline cases, the benefit of the doubt should be given to the interested party making the representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it. If it then emerged, for example, that the representation should not be supported, the licensing authority could decide not to take any action in respect of the application.
- 9.13 Licensing authorities should consider providing advice on their websites about how any interested party can make representations to them.

Dear Sir/Madam,

REF: This is an objection in reference to the new premise license at 121-123 Poplar High Street, Poplar, E14 0AE.

Please consider the following points in reference to the objection of premise license to the above site.

1. Concentration of Licensed Outlets.

- There are numerous public houses off of Poplar High Street in close proximity to the proposed site.
- There are numerous shops selling alcohol on the high street and just off of the High Street.
- In addition to above there are numerous restaurants serving alcohol in close proximity around the proposed site.

After leaving local restaurants late at night the concern is that people will be drawn into the residential area on and off the High Street, where the proposed off license site would be located, for the further purchase of alcohol and other items. There is also potential overspill from events such as weddings and parties that take place in the Church Hall, respectively in a very close proximity of the proposed site.

The addition of another outlet selling alcohol in this location, which is bounded by two children's school and the Church Hall which hosts weekly regular young children's events, is inappropriate during daylight hours and after dark adds to concerns about breaches of the peace increasing in and around the park near to the site (as referred to below).

2. Crime and Disorder.

1 am alcohol licence will draw unwelcome attention and increased footfall at unsociable hours to the residential area in and around Poplar High Street. Noise, public nuisance, anti-social behaviour, low-level nuisance (non-reportable crime including. shouting, swearing, urination in public, littering) will be increased. The site is close to a park. Historically there have been vagrants sleeping in the park and incidents of regular gatherings of youths drinking alcohol and causing disturbances. Police attention to this issue has largely cured this, however, the site is acknowledged by the Police to be of concern. Recently there have been a few incidents of alcohol related malicious wounding on the High Street, 1 resulting in death, illustrating the reality of the Police and local residents' concerns.

3. Public Nuisance.

Longer alcohol serving hours on the high street will unnecessarily draw people from a wider area at unsociable hours. Signage will be visible from a distance down the High Street which will add to the additional draw of pedestrians and vehicles. Noise, light pollution, traffic and traffic noise will all have a negative impact. Additional traffic, to an already busy junction and tight corner will have serious public safety implications.

Impact comparisons can be drawn with other local supermarket developments such as – Tesco on the High Street. These have become traffic compact zones with a negative impact on the areas despite closing at 11:00pm.

4. The Protection of Children from Harm.

The licence conflicts with the amenities available to children in the area, putting them at risk from anti-social behaviour, increased littering, rodent and fox infestations, exposure to the marketing and sale of alcohol and cigarettes, increased potential for road traffic incidents.

- There is a nursery close by to the site.

- The Church runs children's activities, Scouts, Girl Guides and is a venue for hire for children's parties and family functions such as weddings and christenings.

- Annual Community events are run in the park.

- The Park is a green space to enjoy, for children to play in and to walk dogs.

Thank you for taking the time to seriously consider these objections.

Yours Sincerely,

- There are numerous shops selling alcohol on the high street and just off of the High Street.
- In addition to above there are numerous restaurants serving alcohol in close proximity around the proposed site.

After leaving local restaurants late at night the concern is that people will be drawn into the residential area on and off the High Street, where the proposed off license site would be located, for the further purchase of alcohol and other items. There is also potential overspill from events such as weddings and parties that take place in the Church Hall, respectively in a very close proximity of the proposed site.

The addition of another outlet selling alcohol in this location, which is bounded by two children's school and the Church Hall which hosts weekly regular young children's events, is inappropriate during daylight hours and after dark adds to concerns about breaches of the peace increasing in and around the park near to the site (as referred to below).

2. Crime and Disorder.

1 am alcohol licence will draw unwelcome attention and increased footfall at unsociable hours to the residential area in and around Poplar High Street. Noise, public nuisance, anti-social behaviour, low-level nuisance (non-reportable crime including shouting, swearing, urination in public, littering) will be increased. The site is close to a park. Historically there have been vagrants sleeping in the park and incidents of regular gatherings of youths drinking alcohol and causing disturbances. Police attention to this issue has largely cured this, however, the site is acknowledged by the Police to be of concern. Recently there have been a few incidents of alcohol related malicious wounding on the High Street, 1 resulting in death, illustrating the reality of the Police and local residents' concerns.

3. Public Nuisance.

Longer alcohol serving hours on the high street will unnecessarily draw people from a wider area at unsociable hours. Signage will be visible from a distance down the High Street which will add to the additional draw of pedestrians and vehicles. Noise, light pollution, traffic and traffic noise will all have a negative impact. Additional traffic, to an already busy junction and tight corner will have serious public safety implications.

Impact comparisons can be drawn with other local supermarket developments such as – Tesco on the High Street. These have become traffic compact zones with a negative impact on the areas despite closing at 11:00pm.

4. The Protection of Children from Harm.

The licence conflicts with the amenities available to children in the area, putting them at risk from anti-social behaviour, increased littering, rodent and fox infestations, exposure to the marketing and sale of alcohol and cigarettes, increased potential for road traffic incidents.

- There is a nursery close by to the site.

- The Church runs children's activities, Scouts, Girl Guides and is a venue for hire for children's parties and family functions such as weddings and christenings.

- Annual Community events are run in the park.

- The Park is a green space to enjoy, for children to play in and to walk dogs.

Thank you for taking the time to seriously consider these objections.

Yours Sincerely,

Dear Sir/Madam,

REF: This is an objection in reference to the new premise license at 121-123 Poplar High Street, Poplar, E14 0AE.

Please consider the following points in reference to the objection of premise license to the above site.

1. Concentration of Licensed Outlets.

- There are numerous public houses off of Poplar High Street in close proximity to the proposed site
- There are numerous shops selling alcohol on the high street and just off of the High Street.
- In addition to above there are numerous restaurants serving alcohol in close proximity around the proposed site.

After leaving local restaurants late at night the concern is that people will be drawn into the residential area on and off the High Street, where the proposed off license site would be located, for the further purchase of alcohol and other items. 2. Crime and Disorder.

An alcohol licence will draw unwelcome attention and increased footfall at unsociable hours to the residential area in and around Poplar High Street. Dear Sirs,

Re Application for Licensed Premises at 121 – 123 Poplar High Street

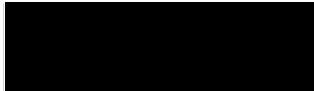

I understand that an application is before you for licensed premises at the above address. As a local resident for many years I must object to this in the strongest possible terms.

The area is already plagued by pot smoking on a daily basis and much anti social behaviour and I fear that the introduction of a licensed premises in the area will only encourage more of the same.

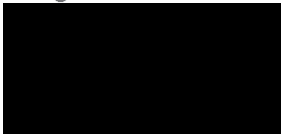

At present most of this behaviour is limited to social hours but granting this licence would mean that local residents will have to put up with it until the early hours of the morning.

I therefore ask that this application is turned down at the earliest possible date.

Regards

Margaret Brown

Subject: FW: REPRESENTATION ABOUT THE PREMISES LICENCE APPLICATION FOR SALE OF ALCOHOL AT 121-123 POPLAR HIGH ST

Subject: REPRESENTATION ABOUT THE PREMISES LICENCE APPLICATION FOR SALE OF ALCOHOL AT 121-123 POPLAR HIGH ST

Dear Sirs

I live at [REDACTED] in close vicinity to the premises.

In addition, I own [REDACTED], a rental investment that is opposite 121 - 123 Poplar High St.

I strongly oppose the granting of a licence to sell alcohol at this location for the following reasons.

The area suffers from a significant crime problem. The crime statistics for Woodstock Terrace and Poplar High Street are available on the web and they are extraordinarily high. Alcohol will worsen the statistics. Only recently a man was murdered opposite the application site. The Corals bookmaker already has customers often lounging around the public highway, the ability for the customers to move over from Corals when they close to the off-licence is not good.

Public Safety: Poplar High Street is narrowed in many places, and at the same time it is a Major Cycle Route. There is a serious risk of accidents where customers for the off-licence who arrive by car are forced to park badly/illegally due to lack of available parking, and a perception that it is ok to park badly for a few moments while they complete their purchase. The bad parking will occur. It already does outside the Tesco at the junction of Poplar High St and Cotton St. Bad parking does not mix well with a Major Cycle Route. LBTH already has one of the worse records for cycle deaths (on Cycle Routes) in London so why increase the risk further? The risk will increase further when the new Hotel at the corner of Woodstock Terrace and Poplar High St opens and customers are dropped off and picked up and the supplies for the hotel, and the waste from the hotel are all collected/ delivered.

Poplar High Street already has micro areas where youths congregate and for public safety it would be bad to add a further off-licence to the mix. The more alcohol that is sold the greater the risk of street drinking and fighting in a borough that at present does not have its full quota of police due to recruitment issues, and so it is the "little" crimes like street drunkenness that are ignored.

Please do not allow a licence to sell alcohol at 121 - 123 Poplar High Street for the above reasons.

Yours faithfully

MICHAEL H LAUTERPACHT

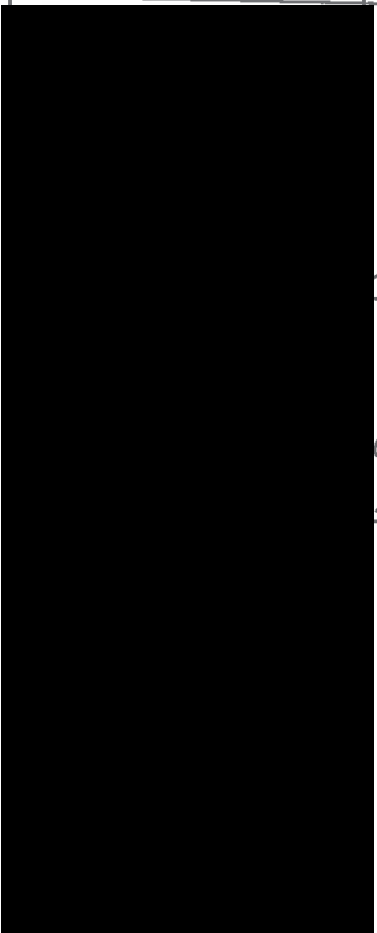

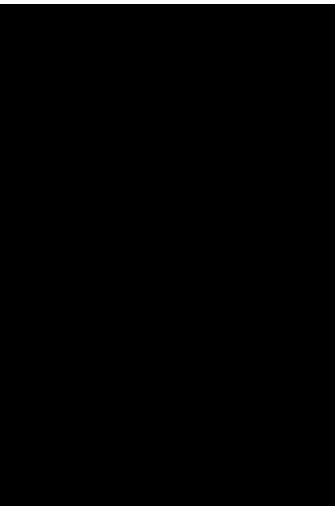

Appendix 11

To the Licencing Department of London Borough of Tower Hamlets

We oppose the permission for a premises licence under the Licencing Act 2003 for the Lions Express at 121-123 Poplar High Street E14 0AE.

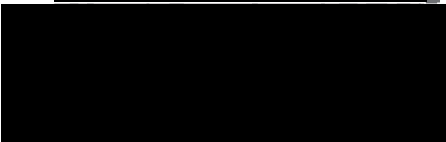

Our reasons as follows:

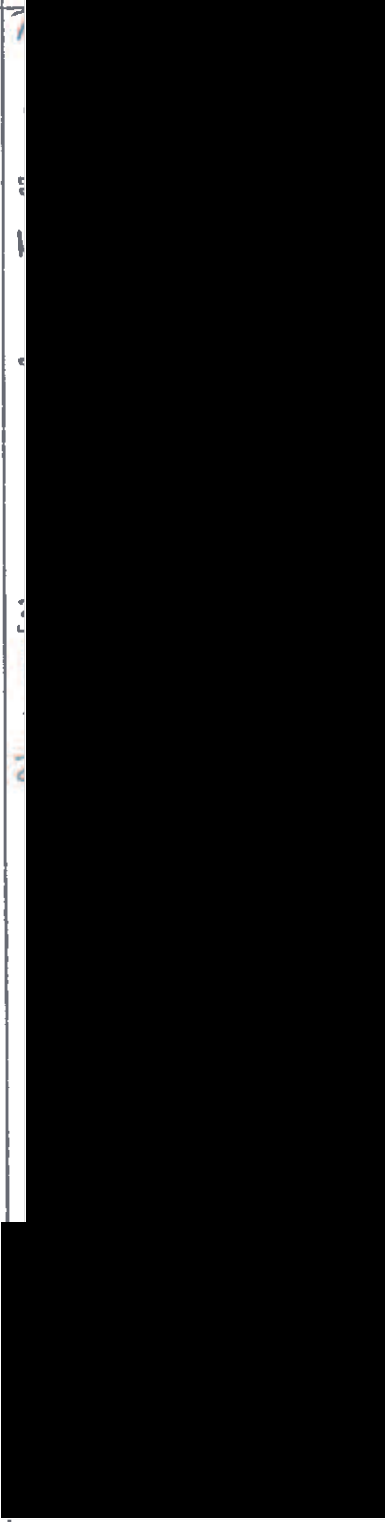

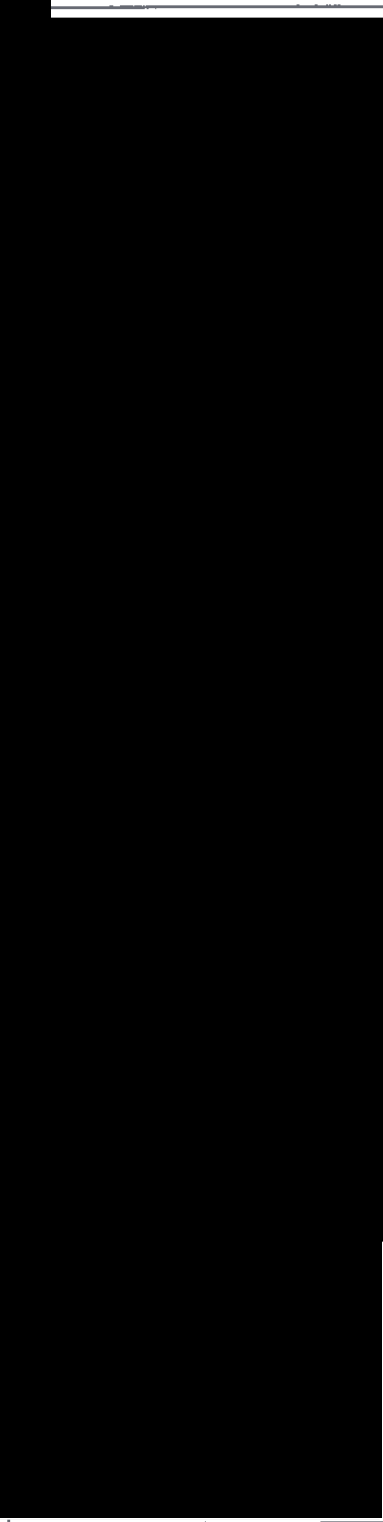

- There is an off licence and a Tesco express already selling alcohol just down the road.
- We feel with another licences premises will just increase the anti-social behaviour within the area.
- Since the stopping of the alcohol sales at the newsagent on 51 Poplar High Street. We have seen the anti-social behaviour reduced and the whole area is a safer environment for the local community, especially the elders who feel safer to come out of their homes more often.
- There is a college nearby which we feel will be destructive to the students by the selling of alcohol as we have seen previously many alcohol related fights between the students.

Appendix 12

Anti-Social Behaviour On The Premises

Licensing Policy

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. **(See Sections 5.2 of the Licensing Policy)**

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. **(See Appendix 2 Annex D of the Licensing Policy)**. In particular Members may wish to consider (this list is not exhaustive):

- Methods of management communication
- Use of registered Door Supervisors
- Bottle Bans
- Plastic containers
- CCTV
- Restrictions on open containers for “off sales”
- Restrictions on drinking areas
- Capacity
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage
- Seating plans
- Capacity

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public safety.

Guidance Issued under Section 182 of the Licensing Act 2003.

The Licensing Policy has adopted the recommended Pool of Conditions as permitted (Annex D).

The key role of the police is acknowledged (2.2).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder, but can relate to the immediate vicinity of the premises as they seek entry or leave (2.4).

Conditions are best targeted on deterrence and preventing crime and disorder (S.2.6) communication, police liaison, no glasses are all relevant (S2.7-2.11).

Guidance Issued under Section 182 of the Licensing Act 2003
Conditions can be imposed for large capacity “vertical consumption” premises (10.40).

Guidance Issued by the Office of Fair Trading

This relates to attempts to control minimum prices

Other Legislation

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

Appendix 13

Anti-Social Behaviour From Patrons Leaving The Premises

General Advice

Members need to bear in mind that once patrons have left a premises they are no longer under direct control. Members will need to be satisfied that there is a link between the way the premises is operating and the behaviour that is complained of. An example of this would be that irresponsible drinking is being encouraged. Before deciding that any particular licensing conditions are proportionate, Members will also need to be satisfied that other legislation is not a more effective route. For example, if the problem is drinking in the street it may be that the Council should designate the area as a place where alcohol cannot be consumed in public.

Members may also wish to consider whether the hours of opening relate to any problems of anti-social behaviour.

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy.” **(See Section 4.10 and 4.11 of the Licensing Policy).**

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. **(See Sections 5.2 of the Licensing Policy)**

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. **(See Appendix 2 Annex D of the Licensing Policy).** In particular Members may wish to consider (this list is not exhaustive):

- Bottle Bans
- Plastic containers
- CCTV (outside the premises)
- Restrictions on open containers for “off sales”
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage

Cumulative Impact

There is a process by which the Licensing Authority can determine that an area is saturated following representations. However, the process for this involves wide consultation and cannot come from representations about a particular application. (**See Section 6 of the Licensing Policy**).

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public.

Guidance Issued under Section 182 of the Licensing Act 2003.

The pool of conditions, adopted by the council is recommended (13.20).

The key role of the police is acknowledged (2.2).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder, but can relate to the immediate vicinity of the premises as they seek entry or leave (2.4).

Conditions are best targeted on deterrence and preventing crime and disorder (S.2.6) communication, police liaison, no glasses are all relevant (s.2.7-2.11).

There is also guidance issued around the heading of "public nuisance as follows

The pool of conditions, adopted by the council is recommended (Annexe D).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises (2.36) but it is essential that conditions are focused on measures "within the direct control of the licence holder" (2.38).

Other Legislation

Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

The Act also introduced a wide range of measures designed to address anti-social behaviour committed by adults and young people. These include:

- Anti-Social Behaviour Orders
- Child Curfew Schemes
- Truancy
- Parenting Orders
- Reparation Orders
- Tackling Racism

Appendix 14

Access and Egress problems

Such as:

Disturbance from patrons arriving/leaving the premises on foot

Disturbance from patrons arriving/leaving the premises by car

Lack of adequate car parking facilities

Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. **(See Sections 8.1 of the Licensing Policy)**.

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. **(See Sections 8.2 of the Licensing Policy, and also Section 12.5)**.

The policy also recognises that staggered closing can help prevent problems at closure time **(See Section 12.1)**.

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. **(See Section 12.4)**

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Poll of Conditions relating to the prevention of Public Nuisance. **(See Appendix 2 Annex G of the Licensing Policy)**. In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The pool of conditions, adopted by the council is recommended (13.20 and Annex D).

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.33).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises (2.36) but it is essential that conditions are focused on measures within the direct control of the licence holder” (2.38).

In certain circumstances conditions relating to noise in the immediate vicinity of the premises may also prove necessary to address any disturbance anticipated as customers enter and leave (2.36).

However, it is essential that conditions are focused on measures within the direct control of the licence holder. Conditions relating to behaviour once they are beyond the control of the licence holder cannot be justified. (2.38)

Appendix 15

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 16

Licensing Policy relating to hours of trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

Sunday to Thursday 06 00 hrs to 23 30 hrs

Friday and Saturday 06 00 hrs to midnight

(see 12.8 Of the licensing policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicants proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(see 12.8 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates
- Premises licensed for off sales only
