3. ADVICE OF ASSISTANT CHIEF EXECUTIVE (LEGAL SERVICES)

- 3.1 The relevant policy framework against which the Committee is required to consider planning applications comprises the development plan and other material policy documents. The development plan is:
- the adopted Tower Hamlets Unitary Development Plan (UDP) 1998 as saved September 2007
 - the adopted London Plan 2004 (as amended by Early Alterations December 2006)
- 3.2 Other material policy documents include the Council's Community Plan, Interim Planning Guidance (adopted by Cabinet in October 2007 for Development Control purposes) Planning Guidance Notes and government planning policy set out in Planning Policy Guidance & Planning Policy Statements.
- 3.3 Decisions must be taken in accordance with section 70(2) of the Town and Country Planning Act 1990 and section 38(6) of the Planning and Compulsory Purchase Act 2004. Section 70(2) of the Town and Country Planning Act 1990 requires the Committee to have regard to the provisions of the Development Plan, so far as material to the application and any other material considerations. Section 38(6) of the Planning and Compulsory Purchase Act 2004 requires the Committee to make its determination in accordance with the Development Plan unless material planning considerations support a different decision being taken.
- 3.4 Under Section 66 of the Planning (Listed Buildings and Conservation Areas) Act 1990, in considering whether to grant planning permission for development which affects listed buildings or their settings, the local planning authority must have special regard to the

desirability of preserving the building or its setting or any features of architectural or historic interest it possesses.

- 3.5 Under Section 72 of the Planning (Listed Buildings and Conservation Areas) Act 1990, in considering whether to grant planning permission for development which affects a conservation area, the local planning authority must pay special attention to the desirability of preserving or enhancing the character or appearance of the conservation area.
- 3.6 Whilst the adopted UDP 1998 (AS SAVED) is the statutory development plan for the borough (along with the London Plan), it will be replaced by a more up to date set of plan documents which will make up the Local Development Framework. As the replacement plan documents progress towards adoption, they will gain increasing status as a material consideration in the determination of planning applications.
- 3.7 The reports take account not only of the policies in the statutory UDP 1998 but also the emerging plan and its more up-to-date evidence base, which reflect more closely current Council and London-wide policy and guidance.
- 3.8 In accordance with Article 22 of the General Development Procedure Order 1995, Members are invited to agree the recommendations set out in the reports, which have been made on the basis of the analysis of the scheme set out in each report. This analysis has been undertaken on the balance of the policies and any other material considerations set out in the individual reports.
