- 4.4 Relevant Sections of this advice are brought to Members attention within the Licensing Officers report. Members should note however, that in some areas Tower Hamlets, after a proper consideration of local circumstances, has not followed the Government's advice, or has developed it further.

## 5.0 Representations

- 5.1 All representations have to meet basic legal and administrative requirements. If they fail to do so they cannot be accepted. When rejected the person sending in the representation must be written to, and an explanation for rejection given in writing
- 5.2 A responsible authority or other person can make a representation. There are two tests for other persons and only one for a responsible authority. The two tests are contained in Section 18 of the Act.
- 5.3 All representations must be "about the likely effect of the grant of the premises licence on the promotion of the licensing objectives." Likely means something that will probably happen, i.e. on balance more likely than not.
- 5.4 Representations by responsible authorities do not have to meet the second test of not being vexatious and frivolous. Other persons have to meet this test.
- 5.5 The Home Office recommends that in borderline cases, the benefit of the doubt should be given to the interested party making the representation.
- 5.6 Section 182 Advice by the Home Office concerning relevant, vexatious and frivolous representations is attached as **Appendix 4**.
- 5.7 All the representations in this report have been considered by the relevant officer (Trading Standards and Licensing Manager) and determined to have met the requirements of the Licensing Act 2003.
- 5.8 This hearing is required by the Licensing Act 2003, because relevant representations have been made by the following:
  - Evans  
Local Resident Mrs Olwen

**Appendix 5** contains the primary representation made by the objector, with a second email containing supporting information. It is noted that the Objector and Applicant have met and failed to come to an amicable agreement.

- 5.9 All of the responsible authorities have been consulted about this application. They are as follows:
- The Licensing Authority
  - The Metropolitan Police
  - The LFEPA (the London Fire and Emergency Planning Authority).
  - Planning
  - Health and Safety
  - Noise (Environmental Health)
  - Trading Standards
  - Child Protection
  - Primary Care Trust
- 5.10 In addition the application was required to be advertised in a local newspaper and by a blue poster. Only objections that relate to the following licensing objectives are relevant:
- the prevention of crime and disorder
  - public safety
  - the prevention of public nuisance
  - the protection of children from harm
- 5.11 The objections cover allegations of
- Anti-social behaviour on the premises Including noise and smoking
  - Close proximity to residential properties
  - Hours the premises is in use
- 5.12 There are strict time limits to any representations. The time limits are contained in The Licensing Act 2003 (Premises licences and club premises certificates) Regulations 2005.
- 5.13 The applicant has offered measures in the operating schedule of the application that address the promotion of the Licensing Objectives. If there were no representations, the Licensing Authority would grant the licence, with conditions consistent with the operating schedule, which are relevant, proportionate and enforceable. Members are asked to consider the schedule and incorporate any conditions as necessary to address the licensing objectives.

## **6.0 Licensing Officer Comments**

- 6.1 The following is intended to advise Members of the relevant aspects of the Boroughs Licensing Policy, guidance from the Secretary of State, legislation and good practice. Members may depart from the Council's

Licensing Policy and/or Government advice, provide they consider it appropriate to do so, and have clear reasons for their decision.

## 6.2 Guidance issued under section 182 of the Licensing Act 2003

- ❖ As stated in the guidance it is “provided for licensing authorities carrying out their functions.” It is a key medium for promoting best practice, ensuring consistent application and promoting fairness equal treatment and proportionality (1.7).
- ❖ Also “so long as the guidance has been properly and carefully understood and considered, licensing authorities may depart from it if they have reason to do so.” When doing so licensing authorities will need to give full reasons for their actions (1.9).
- ❖ Also Members should note “A Licensing Authority may depart from its own policy if the individual circumstances of any case merit such a decision in the interests of the promotion of the licensing objectives.” (1.12)
- ❖ Conditions may not be imposed for the purpose other than the licensing objectives.
- ❖ Necessary conditions should emerge from a risk assessment by the applicant, which should then be reflected in the operating schedule (10.7).
- ❖ The Licensing Authority may only impose such conditions as are necessary for meeting the licensing objectives.
- ❖ It is Government policy that facilities for people and performers with disabilities should be provided at places of entertainment. (S. 10.24).
- ❖ The Government has stated “there is no general presumption in favour of lengthening licensing hours and the four licensing objectives should be paramount at all times. Where there are objections to an application and the committee believes that changing the licensing hours would undermine the licensing objectives, they may reject the application or grant it with appropriate conditions and/or different hours from those requested.” (10.20)
- ❖ Mandatory conditions must be imposed (10.43) and censorship avoided (10.31).
- ❖ Routine conditions about drink promotions are not permitted but can be imposed in appropriate circumstances (10.38). The Office of Fair Trading’s Advice also needs to be considered, namely that minimum prices setting is not permitted.

- 6.3 The Licensing Act 2003 permits children of any age to be on the premises which primarily sell alcohol providing they are accompanied by an adult. It is not necessary to make this a condition.
- 6.4 In all cases the Members should make their decision on the civil burden of proof, that is “the balance of probability.”
- 6.5 In all cases Members should consider whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 6.6 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff and standardised conditions should be avoided where they cannot be shown to be appropriate. (1.16/1.17)
- 6.7 The Council’s Licensing Policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.
- 6.8 In **Appendices 6-8** Members are given general advice, and also have explanations of the Council’s Licensing Policy, Government advice and other legislation relating to the matters previously identified.

## 7.0 Exemptions

- 7.1 There are a number of statutory exemptions from the operation of the Licensing Act 2003, and Members need to bear these in mind.
- 7.2 Schedule 1 Part 2 of the Act states that entertainment in churches, Morris dancing (and accompanying music if live and unamplified) and incidental music are not licensable activities-that is no conditions can be set for them.
- 7.3 Acts of religious worship, wherever performed are not licensable.
- 7.4 Section 177, (1) and (2) of the Act provides that where a premises (or club) is licensed for alcohol consumption on the premises and is primarily thus used, and the permitted capacity does not exceed 200, additional conditions relating to the music should only relate to public safety or the prevention of crime (or both). That is they should not relate to any “noise nuisance.”
- 7.5 Section 177 (4) provides that where a premises licence (or club) has a capacity of not more than 200 and the only music is unamplified live

music between 08:00hrs and midnight, no additional conditions should be set relating to the music.

- 7.6 Section 177 can be disapplied on a licence review if it is proportionate to do so.

## 8.0 **Legal Comments**

- 8.1 The Council's legal officer will give advice at the hearing.

## 9.0 **Finance Comments**

- 9.1 There are no financial implications in this report.
