**Plan**

# IMPROVING TOWER HAMLETS

## Our Performance Framework

- Thanks to our careful planning we've delivered more affordable housing than any other local authority in the country.
- 716 households are now enjoying the award-winning new homes on the Ocean Estate, and even more new homes are planned.

**Do**

# IMPROVING TOWER HAMLETS Our Performance Framework

- Our performance framework supports the delivery of outcomes for local people.
- Education and attainment for our young people has consistently improved over the last seven years.
- GCSE attainment rose again this year, and results are better than the national average.

**Monitor**

# IMPROVING TOWER HAMLETS

## Our Performance Framework

- Careful monitoring of delivery against our priorities means that the borough has never been cleaner or greener.
- Recycling levels are at an all time high and the amount of litter on the streets has consistently decreased over the last three years.

**Improve**

# IMPROVING TOWER HAMLETS Our Performance Framework

- We learn from all we do and listen to our residents.
- We have transformed adult social care through listening to service users.
- We're now investing in even more preventative work to keep people well and independent in their own homes.
