Premises

Interior not visible from outside

The Licensee shall ensure that the interior of the premises where sexual entertainment is offered shall not be capable of being seen from the outside of the premises, and that the exterior is maintained to a satisfactory level of decorum.

All ok – there is a vestibule that has closing doors to the main area. It is not possible to see performance areas from the street.

In the vestibule area the House Rules are on display for customers, as is a price list. There is a booth where patrons pay an entrance fee and can check coats.

The exterior is painted predominately black with white writing and is well maintained. The website of the premises is viewable as is the logo for the premises which is a shadow portrait of a naked woman in high heels. There are also advertising boards.

Designated areas – approved access to dressing rooms

The sexual entertainment shall take place only in the areas designated by the Council and the approved access to the dressing room(s) shall be maintained whilst sexual

Access to the dressing rooms is through a door to the rear of the premises (the western end), it is not lockable, but I am advised that it is monitored by security staff. The House Rules were available for dancers on the wall.

Members of the Licensing Committee may wish to consider the acceptability of the logo for the premises which is a shadow portrait of a naked woman in high heels.</p>
<u>CCTV coverage</u>	
Outside	
CCTV covering the outside covering all areas to which the public have access	CCTV is in place, covering some of the areas that have public access. The main bar area is well covered. At present, the majority of private dance booths have no CCTV at all, though I am advised that they are covered by security staff.

<p>private performance areas and booths</p> <p>covering the booths and private areas</p>	<p>I am very concerned by the lack of CCTV coverage in the private booth areas. I highlighted to the Applicant that there are many blind spots, however, the Applicant was aware of the LBTH SEV Policy and tells me that he has made arrangements to have extensive additional cameras added, so that all private booths will be</p>

	<p>satisfactorily covered.</p> <p>There are a series of private themed rooms and a row of cubicles. There is some CCTV on the cubicle area, but not all are covered. I advised that each would need to be clearly visible on CCTV.</p> <p>The themed rooms are as follows:</p> <ul style="list-style-type: none"> • Office Room No CCTV • Moulin Rouge Room No CCTV • Dangerous Liaisons Room No CCTV • Studio 54 Suite No CCTV • Casino Royal Room No CCTV • Tiger Room No CCTV • Judge Room No CCTV <p>I advised that this is not satisfactory and will need addressing before coming to the Hearing; they may wish to supply a plan to Members so they can consider if the premises will have sufficient coverage by the time the licence is granted. I have also offered to revisit the premises before the Hearing to ascertain whether remedial works have been carried out to meet expectations.</p>
<p><i>entrances and exits</i> covering entrances and exits but excluding toilets</p>	<p>Cameras are well placed at the main entrance/exit. Men's and women's toilets do not have cameras in them.</p>

<p>Facilities for viewing Recorded images shall be made available to an authorised officer or a police officer together with facilities for viewing.</p>	<p>The Applicant knew that recordings had to be made available and that there are multiple employees that can operate the system upon request. The Applicant advised that with the additional cameras, they may upgrade the central system. They also have the ability to download images and videos onto USB stick upon request.</p>
<p>Recordings older than 2 days – 24 hours’ notice Recordings outside this period shall be made available on 24 hours’ notice.</p>	<p>All ok</p>
<p>Recordings 2 days previous immediately available The recordings for the preceding two days shall be made available immediately on request.</p>	<p>All ok – memory sticks available.</p>

Notes:

It was noted that in the Studio 54 Suite that there was an additional bar, which the Applicant confirmed alcohol was supplied from. This was higher-end spirits, served to customers whom hire that specific room, and are ‘complimentary’. I advised that a bar should not be present unless it is on the plan (which it is not) and that drinks are not complimentary, as you have to hire the room to get the alcohol.

Pricing: Pricing throughout the premises is confusing. There are some framed price lists for room hiring and for hours with single and multiple dancers. There is a drinks price list available at the bar (a fold out menu is available for champagne) and upon entering, however, when I questioned Mr Stewart, the Applicant, multiple times, he gave me conflicting answers in relation to the cost of alcohol. He advised that all

beers were £4.00 each, liquors were £3.00 each. I repeatedly asked if a shot of vodka was therefore the same price as a Cognac – knowing that the premises stock Hennessey, a well-known expensive brand. Mr Stewart repeatedly claimed that this was the case. This surprised me as it would make it one of the cheapest bars in London if that was the case. However, as our conversation progressed, it transpired that the liquors all had different prices. Therefore I felt that the pricing was unclear, confusing and would be difficult for the average to make a fair transactional decision when contacting for alcoholic beverages.

In addition Trading Standards Officer Sean Rovai discussed with the Applicant and the Applicant's solicitor that a complaint had been received in relation to overcharging for dancers and that this had not been the only complaint. Mr Rovai believed that it would not have met the requirements of the Consumer Protection from Unfair Trading Regulations 2008.

Claims of contact with an LBTH 'insider': I was most concerned at that meeting that Mr Stewart advised that during the SEV process, he had been contacted by a third party whom claimed to have 'influence over the Tower Hamlets Licensing Committee'. Mr Stewart advised me that he had been approached via telephone with a follow up email. I asked for a copy of this email, but he advised that he was unable to locate it, believing it to have been deleted.

Introduction

The ward profiles have been produced for all 20 wards in Tower Hamlets. They provide the social, economic and demographic characteristics of each ward in the borough developing a broad picture of the area and help describing local differences.

In May 2014, the number of wards increased from 17 to 20. The changes were made by the Local Government Boundary Commission for England, in order to ensure that every councillor in Tower Hamlets represented roughly the same number of residents. The changes mean that no ward will have a population variance of greater than 10 per cent. As a result of the changes, the average population per councillor will be 4,029 in 2014, rising to 4,417 by 2018, according to projected population growth.

Data from the 2011 Census has been used throughout this ward profile as this still provides the single best source of statistics which are available at geography small enough to be aggregated up in to the new wards. While more recent estimates of the resident population are available for the borough and old ward boundaries, these cannot be used to infer the current population according to the new ward boundaries.

Population

Age Structure

Table 1: Number and proportion of residents by age range

Tower Hamlets %	19.7%	74.1%	6.1%	100%

(Source: Census 2011 QS103EW - Age by single year)

- At the time of the 2011 Census, the population for the Whitechapel ward was 14,190 which accounted for 5.9 per cent of the total population of Tower Hamlets.
- The ward had 6,682 males and 6,203 females providing a gender split in the ward of 51.9 per cent male and 48.1 per cent female.
- The population density in this ward was 148 people per hectare, higher than the borough average of 129 people per hectare.
- The Whitechapel ward had a lower proportion both of residents aged 65+ and aged 0-15 years old than the borough average.

Dear Mr Tolley,

On behalf of Cllr Abdul Asad and Cllr Aminur Khan

RE: Charlie's Angel, 30 Alie Street, E1 3DA & White Gentlemen's Club, 32/38 Leman Street, E1 8EW

We write to oppose the recent applications submitted by the above Sexual Entertainment clubs to gain license providing entertainment of a sexual nature.

Having spoken to yourself and Mr Andy Bamber, Cllr Aminur Khan and I are deeply concerned about the effect that these venue may have on the local area; additionally, many residents in the surrounding areas - in particular Scarborough Street, Gowers Walk, Mansell Street and Alie Street, have voiced their concerns about this proposal believing it may have a negative impact on their young children; its proximity to local schools (Harry Gosling Primary School and English Martyrs Catholic Primary school) is a notable cause for anxiety.

We feel that it is important that we represent the concerns of the local residents and bring this forward to your knowledge.

Can you please update us on this matter as soon as possible.

Kind regards,

Cllr Asad & Cllr Khan

Response deadline, 24 December

Dear Sir or Madam:

I am writing to object the licensing application made by White's Gentlemen's Club, 32 - 38 Leman Street, E1 8EW, to use the premises as a Sexual Entertainment Venue.

I have lived in the immediate area for over eight years, and we have seen many very positive changes over that period of time. Formerly derelict buildings have been turned into residences for professional people and for students. We now have easily accessible supermarkets, coffee and pastry shops. In other words, Leman Street has become a hub of a true residential community. Still to come are new mid price and high end hotels, and additional professional and affordable housing residences.

I do not feel that a Sexual Entertainment venue is appropriate to be positioned in the centre of our growing neighbourhood / community. We now have students residing on Leman Street. Many of them are from overseas. Is this what we want the young visitors exposed to, just one block from their London home? Is this a positive influence on the young people?

Further, there will be a new Premiere Inn directly across the street from Whites, in the Goodman's Fields complex. This is a hotel that often caters to families, as it is affordable. Again, is it appropriate to have a venue for nude performance and lap dancing just a hundred yards away? And is this the face that our community wants to show to visitors? The former brownfield site on Prescott Street is now a five star Grange Hotel. Visitors from the hotel often walk up Leman Street to Aldgate East. It is unfortunate that the presence of Whites, with its bouncers standing guard at the front each night, is in the direct path to the newly re-developed professional office building at the Aldgate East tube entry.

Sexual entertainment venues have existed for centuries. I protest, however, that we have one in such a prominent position in our neighbourhood, where more and more families are residing. We are growing in a positive way as a community, and the presence of White's is a blight on our productive development.

Dear Tower Hamlets Licensing Sub Committee Councilors,

Re: Whites Gentlemans Club, 32-38 Leman Street, London E1 8EW

We live locally and are parents of two young children who attend English Martyrs Catholic Primary School, which is located around the corner from Whites Gentlemans Club.

We understand that Whites is undergoing a license review and has applied for a "Minor Variation - Structure/Layout Change" and wish to politely request that the license for lap dancing or other forms of live performance or live display of nudity be denied. We have tried to view the details of the variation application on your website (http://alcohol-entertainment.towerhamlets.gov.uk/Civica-elr-3.2_live/pagecontent.aspx) but the download link is broken.

Please record our objection both as part of the license review and with respect to the variation application as to any increase in activities on the following grounds:

- 1) the club's activities are not appropriate so close to a school, particularly a Catholic school
- 2) this venue operates in our neighbourhood during times of the day when our children are in school and walking home
- 3) the neighbourhood has changed positively since the original license was granted and this should no longer be permitted to blight our neighbourhood
- 4) with an increase in residential buildings the live nudity is not aligned with the area's Unitary Development Plan.
- 5) there is evidence that live nudity increases prostitution, crime and drug use in the neighbourhood

In summary, our objections are as follows:

#	Grounds	Objection
=	=====	=====
1	School proximity	around corner, 1 block away from school
2	Overlapped opening	Open at some of same time of day school is
3	Neighborhood change	Neighborhood has improved since original license
4	Unitary Dev Plan	Live nudity not aligned with area's Unitary Development Plan
5	Increased crime risk	evidence that live nudity increases crime

Please deny the renewal of White's license for lap dancing, or other forms of live entertainment or live nudity.

Please reject any "Minor Variation" applications to increase or intensify the scope of the club's activities.

If there are any technical defects in this objections please advise us so we can rectify them.

Thank you for your time and consideration.

Dear Sir, Madam, Cllr,

I am an 8 year old student at English Martyrs. My school is near this club that does terrible things. I have to walk by it everyday on my way to school and it makes my Mum upset that I have asked questions about it. It is not like other buildings. It doesn't have any windows and my Mum says that is good. My Mum asked me to write to you to ask you to close this place down. If you put a new store there, please make it a sweet shop or a milk shake stand so I can get a snack on my way home. Also a toy store or nintendo game shop would be fun. Thank you, Tyler

Dear Councillors, Madam, Sir,

We are contacting you to object to the renewal of Whites operating license. We understand that Whites is undergoing a license review and wish to politely request that the license for lap dancing or other forms of live performance or live display of nudity be denied. We object on the grounds that it is not an appropriate activity so close to a Catholic school.

Kindly take note of our son's concerns above, which we asked him to share with you. His school, English Martyrs Catholic Primary School, which is located around the corner from Whites Gentleman's Club, serves around 100 children ages 3-11. Nearby are several other schools. The presence of this club in such proximity to the school, on our walk every day, is disturbing. We object that this venue operate in our neighbourhood, **particularly during times of the day when our children are in school and walking home.**

The neighbourhood has changed positively since the original license was granted and this should no longer be permitted to blight our neighbourhood. We object on the grounds that with an increase in residential buildings the live nudity is not aligned with the area's Unitary Development Plan.

Further there is evidence that live nudity increases prostitution, crime and drug use in the locality. Please deny the renewal if Whites license for lap dancing, or other forms of live entertainment or live nudity.

Thank you for your time in reading our email and your kind consideration of our objection.

Sincerely,

Appendix 16

Appendix One

Tower Hamlets Council

Sex Establishment Licensing Policy

Introduction

This policy sets out Tower Hamlets Council's proposed approach to regulating sex establishments and the procedure that it will adopt in relation to applications for sex establishment licences.

The policy of the Council is to refuse applications for sexual entertainment venues. This policy is intended to be strictly applied and will only be overridden in genuinely exceptional circumstances. Such circumstances will not be taken to include the quality of the management, its compliance with licence conditions, the size of the premises or its operating hours.

The policy is intended as a guide to applicants, licence holders, people who want to object to applications and members of the Licensing Committee who are responsible for determining contested applications. It also aims to guide and reassure the public and other public authorities, ensuring transparency and consistency in decision making.

When the decision making powers of the Council are engaged each application will be dealt with on its own merits but this policy gives prospective applicants an early indication of whether their application is likely to be granted or not. It also provides prospective applicants details of what is expected of them should an application be made.

The legal controls for sex establishment premises are contained in the Local Governmental (Miscellaneous Provisions) Act 1982 as amended by the Policing and Crime Act 2009.

There are 3 types of sex establishments which fall into the licensing regime:-

Sex shops

Sex cinemas

Sexual entertainment venues

The role of the Council in its position as Licensing Authority is to administer the licensing regime in accordance with the law and not in accordance with moral standing. The Council recognises that Parliament has made it lawful to operate a sex establishment and such businesses are a legitimate part of the retail and leisure industries.

Policy Rationale

The policy has been developed that sets out how the legislation will be administered and applied. The policy identifies how the Council would exercise the licensing regime in relation to sexual entertainment venues.

The policy has been developed to reflect and complement existing Council plans and strategic approach, namely:-

- Tower Hamlets Community Plan.
- Tower Hamlets Crime & Drug Reduction Partnership Plan.
- Tower Hamlets Enforcement Policy.
- Tower Hamlets Core Strategy.
- Tower Hamlets Town Centre Spatial Strategy.
- Tower Hamlets Statement of Licensing Policy (Licensing Act 2003).
- Tower Hamlets Statement of Licensing Policy (Gambling Act 2005).

The policy has also been prepared with regard to:

- Consultation responses
- Human Rights Act 1998
- Equalities Act 2010

The policy seeks to contribute to the “One Tower Hamlets” principle by fostering community cohesion, reducing inequalities and empowering communities. The public consultation that was undertaken concerning the adoption of a nil policy did not have overwhelming support. Therefore careful consideration has been given to the policy response, given the balance that the consultation returns did not give overwhelming support.

Policy Considerations

Existing Licensed Premises

The Council has had the ability to licence sex shops and sex cinemas under the Local Government (Miscellaneous Provisions) Act 1982 for many years.

There are no licensed sex shops in Tower Hamlets.

The businesses that hold premises licences under the Licensing Act 2003 with permissions that will be affected by the adoption of the sexual entertainment venue licensing regime are as follows:-

NAME	ADDRESS
THE BEEHIVE	104-106 Empson Street, London, E3 3LT

Tower Hamlets Council has adopted schedule 3 Local Government (Miscellaneous Provisions) Act 1982 with effect from 1st June 2014 so that it can:

- set a limit on the number of sexual entertainment venues
- determine premises that are appropriate for the borough and
- licence sexual entertainment venues

Sexual entertainment venues are those that regularly provide lap dancing and other forms of live performance or live display of nudity.

Establishments that hold events involving full or partial nudity less than once a month may be exempt from the requirements to obtain a sex establishment licence and applicants are advised to contact the Licensing Team for advice.

Limits on the number of licensed premises

The Council has determined that there are a sufficient number of sex shops, sex cinemas and sexual entertainment venues currently operating in the borough and it does not want to see an increase in the numbers of premises that are currently providing these activities.

The Council intends to adopt a policy to limit the number of sexual entertainment venues in the borough to nil however it recognises that there are a number of businesses that have been providing sexual entertainment in Tower Hamlets for several years. The Council will not apply this limitation when considering applications for premises that were already trading with express permission for the type of entertainment which is now defined as sexual entertainment on the date that the licensing provisions were adopted by the authority if they can demonstrate in their application:

- High standards of management
- A management structure and capacity to operate the venue
- The ability to adhere to the standard conditions for sex establishments

The Council will consider each application on its merit although new applicants will have to demonstrate why the Council should depart from its policy. Furthermore if any of the existing premises cease trading there is no presumption that the Council will consider any new applications more favourably.

Location of premises

The Council's policy is that there is no locality within Tower Hamlets in which it would be appropriate to license a sex establishment. Accordingly, the appropriate number of sex establishments for each and every locality within Tower Hamlets is zero.

As previously stated in the policy the Council will treat each application on its own merits however applicants should be aware that the Council will take into consideration the location of the proposed premises and its proximity to:

- residential accommodation,
- schools,
- premises used by children and vulnerable persons
- youth, community & leisure centres,
- religious centres and public places of worship
- access routes to and from premises listed above
- existing licensed premises in the vicinity

Impact

In considering applications for the grant of new or variation applications the Council will assess the likelihood of a grant causing impacts, particularly on the local community.

The Council will take the following matters into account:

- the type of activity
- the duration of the proposed licence
- the proposed hours of operation
- the layout and condition of the premises
- the use of other premises in the vicinity
- the character and locality of the area
- the applicant's previous knowledge and experience
- the applicant's ability to minimise the impact of their business on local residents and businesses
- any evidence of the operation of existing /previous licences held by the applicant

- any reports about the applicant and management of the premises received from residents, Council officers or the police
- the ability of the proposed management structure to deliver compliance with licensing requirements, policies on staff training and the welfare of performers
- crime and disorder issues
- cumulative impact of licensed premises, including hours of operation
- the nature and concerns of local residents
- any evidence of complaints about noise or disturbance caused by premises
- planning permission and planning policy considerations

In considering applications for renewal the Council will take into account

- the applicant's ability to minimise the impact of their business on local residents and businesses
- any reports about the licensee and management of the premises received from residents, Council officers or the police
- whether appropriate measures have been agreed and put into place to mitigate any adverse impacts
- any evidence of complaints about noise or disturbance caused by premises

In considering applications for transfer the Council will take into account:

- the applicants previous knowledge and experience
- the applicants ability to minimise the impact of their business on local residents and businesses
- any evidence of the operation of existing /previous licences held by the applicant
- any reports about the applicant and management of the premises received from residents, Council officers or the police

- the ability of the proposed management structure to deliver compliance with licensing requirements, policies on staff training and the welfare of performers

Applicants

Where appropriate the Council expects applicants to:

- demonstrate that they are qualified by experience
- have an understanding of general conditions
- propose a management structure which will deliver compliance with operating conditions for example through
- Management competence
- Presence
- Credible management structure
- enforcement of rules internally – training & monitoring
- a viable business plan covering door staff, CCTV
- policies for welfare of performers
- demonstrate that they can be relied upon to act in best interests of performers through remuneration, facilities, protection, physical and psychological welfare
- have a transparent charging scheme with freedom from solicitation
- a track record of management compliant premises or employ individuals with such a track record

New applicants may be invited for interview by the Licensing Officer and /or Police Officer prior to the application being referred to the Licensing Committee for determination.

Applications from anyone who intends to manage the premises on behalf of third party will be refused.

Premises appearance and layout

The Council expects premises to:-

- have an external appearance which is in keeping with the locality
- prevent the display outside the premises of photographs or other images which may be construed as offensive to public decency

- adequate lighting to allow monitoring of all public areas
- surveillance by CCTV
- surveillance by CCTV of all private booths

Conditions

The council will prescribe, and from time to time revise, standard conditions which will apply generally to licences that the council will grant or renew.

Through standard conditions the council seeks to ensure that sexual entertainment venues are well managed and supervised, restrict the sexual entertainment activities and the manner in which they are permitted to be provided, protect performers, and control the impact of the venue and its customers in relation to its locality.

Specifically, standard conditions could include measures which are found in the appendix of this policy.

The Application Process

Making a new, renewal, transfer or variation application

The Act requires the Council to refuse all application if the applicant:

- Is under the age of 18 or
- Has had their licence revoked in the last 12 months or
- Is not resident in the UK, or has not been a UK resident for the last 6months
or
- Has been refused an application in the last 12 months or
- Is a corporate body which in not incorporated in the UK

Applications forms and details of current fee levels are available:

- on the Council's website ([www.towerhamlets .gov.uk](http://www.towerhamlets.gov.uk))
- from the Licensing Team on 020 7364 5008
- by email to [licensing@towerhamlets .gov.uk](mailto:licensing@towerhamlets.gov.uk)

The Council prefers to receive electronic applications and *offers a choice off payment options the details of which are contained in the application pack.*

The Council expects the premises to have planning consent for the intended use and hours of operation, or otherwise have lawful planning status before making an application for a new licence.

In order for the application to be valid the applicant must:

- Submit the completed application form
- Pay the application fee
- Submit a floor plan, drawn to scale showing the layout of the premises(new applications only)
- Submit a location plan (1;1250) showing the location of the premises(NB. plans will not be required for transfers nor renewal applications)
- 2 passport size photos of the applicant where the applicant is an individual rather than a limited company
- 2 passport size photos of the manager if applicant is a limited company(NB: photos will only be required if there has been a change of applicant or manager since the last application)
- Display an A4 notice at the proposed premises for 21 days following the date that the completed application is submitted setting out the application details. The notice must be in a prominent position so that it can be easily read by passers-by. A notice template will be provided with the application form.
- publish a notice on at least one occasion in a local newspaper, during the period of ten working days starting on the day the application was given Council. The advert can be any size or colour but must be readable.

Applicants who wish to advertise the application in another local newspaper are advised to contact the Licensing Team beforehand, to confirm that it is acceptable.

On receipt of a valid application the Council will consult:

- The Police
- The Fire Brigade
- Building Control
- Health and Safety
- Ward Councillors

For new and variation applications the Council will also consult:

- Development Control Team
- Local residents living within 50m of the premises

Authorised Officers from the Council, Fire Brigade and Police may choose to inspect the premises and require works to be carried out to bring the premises up to the required standard before the premises can be used for licensable activities.

The Council will not determine an application for a licence unless the applicant allows an authorised officer reasonable opportunity to enter the premises to make such examination and enquiries as may be necessary to determine the suitability of the applicant and the sex establishment.

Representations

Anyone wishing to object to the application must submit a representation, in writing, within 28 days of the date that the valid application was received by the Council.

Representations can either be submitted via

- Our website: www.towerhamlets.gov.uk
- Email to: licensing@towerhamlets.gov.uk
- Post to: Consumer and Business Regulations, Licensing Team, 6th Floor, Mulberry Place, 5 Clove Crescent, E14 2BG.

A person making a representation must clearly state their name, address, and the grounds for objecting to the application and indicate whether they consent to have their name and address revealed to the applicant. Copies of representations will be made available to the applicant 14 days before the committee hearing.

The Council will not consider objections that are frivolous or vexatious or which relate to moral grounds (as these are outside the scope of the Act).

The Council prefers to receive electronic representations.

Late representations may be admissible at the discretion of the Council if there's sufficient reason to indicate that applicants will not be significantly prejudiced by the

decision to allow a late objection to be considered. In making such a decision the Council will take into account:

- The length of the delay
- The amount of time that the applicant has to consider the representation before the hearing date
- If other representations have been received before the deadline

Determining an application

Applications with no representations will be approved under delegated authority to officers.

Applications with representations recommending that conditions be attached to the licence and which are acceptable to both the applicant and person making the representation can be approved under delegated authority to officers.

All other contested applications will be referred to the Licensing Committee for determination. The applicant, anyone making a representation and the ward Councillors will be notified the date, time and venue of the hearing and invited to attend to address the committee in person.

Applications can take up to 14 weeks to be determined. If an application is likely to take longer than 14 weeks to determine the Council will notify the applicant in writing before this deadline. Applications for sex establishment licenses are exempt from the tacit consent provisions of the EU Services Directive on the grounds of public interest and the legitimate interests of third parties.

The applicant will be notified in writing about the outcome of their application within 5 working days of the decision being made.

Sex Establishment licences are usually issued for 12 months, but can be issued for a shorter period if deemed appropriate.

In order to continue operating as a sex establishment the licence holder must make a renewal application prior to the expiry of the existing licence.

Appeals

Any applicant who is aggrieved by a decision to refuse an application or by the imposition of any conditions can appeal to the Magistrates Court within 21 days of receiving the decision in writing.

Grounds for refusing an application

1. The applicant is unsuitable to hold a licence by reason of having been convicted of any offence or for any other reason
2. That if the license were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a license if he made the application himself
3. That the number of sex establishments in the relevant locality at the time the application is made is equal to or exceeds the number which the authority consider is appropriate for that locality
4. That the grant or renewal of the license would be inappropriate, having regard:-
 - a. to the character of the relevant locality
 - b. to the use to which any premises in the vicinity are put; or
 - c. to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.

Transitional Arrangements

Broadly speaking, those existing sexual entertainment venues (lap dancing clubs etc) with a premises licence under the Licensing Act 2003, under which it is lawful to provide such entertainment, will continue to be able to operate for one year after the Council adopts the 2009 Act provisions or, if later, the determination of any application submitted during that year.

The 'transitional period' will last for 12-months beginning with the date that the Council resolves that Schedule 3 as amended by the 2009 Act will come into force in their area ('the 1st appointed day'). Six months following the 1st appointed day will be known as the '2nd appointed day' and the day on which the transitional period ends will be known as the '3rd appointed day'

Existing Operators

To allow time to comply with the new regime, existing operators, who, immediately before the 1st appointed day, have a 2003 Act licence and lawfully use premises as a sexual entertainment venue under that licence or are undertaking preparatory work to use the venue in that way will be allowed to continue to provide relevant entertainment until the 3rd appointed day or the determination of any application they have submitted before that time (including any appeal against the refusal to grant a licence), whichever is later

For the purposes of the Transition a "2003 Act Licence" means a premises licence or club premises certificate under the Licensing Act 2003 under which it is lawful to provide relevant entertainment.

"Preparatory work" refers to work carried out by an operator, such as a refurbishment or refit, in order that they can use the premises as a sexual entertainment venue in the future. The operator will have been granted a 2003 Act licence before the 1st appointed day but will not have used the premises as a sexual entertainment venue by that date. It is likely that such operators will be known to the Council. However, where a dispute arises between the Council and

a licence-holder over whether the licence-holder qualifies as an existing operator by virtue of this provision the Council will need to seek evidence from the licence-holder to demonstrate that they clearly intended to operate a sexual entertainment venue in the future and work had been done to achieve this end.

For the purposes of the Transition a “2003 Act Licence” means a premises licence or club premises certificate under the Licensing Act 2003 under which it is lawful to provide relevant entertainment.

Appointed Days

1st Appointed Day

The day on which the Sexual Entertainment Venue regime comes into force in the Borough and the beginning of the transitional period (1st June 2014)

2nd Appointed Day

The day 6 months after the 1st appointed day (1st December 2014)

3rd Appointed Day

The day 6 months after the 2nd appointed day and the end of the transitional period (1st June 2015)

New Applications

New applicants are people who wish to use premises as a sexual entertainment venue after the 1st appointed day but do not already have a premises licence or club premises certificate to operate as such under the 2003 Act or do have such a licence but have not taken any steps towards operating as such. After the 1st appointed day new applicants will not be able to operate as a sexual entertainment venue until they have been granted a sexual entertainment venue licence

Determining Applications Received On or Before the 2nd Appointed Day

Applicants will be able to submit their application for a sexual entertainment venue from the 1st appointed day onwards.

As the Council is able to refuse applications having regard to the number of sex establishments they consider appropriate for a particular locality, all applications made on or after the 1st appointed day but on or before the 2nd appointed day shall be considered together. This will ensure that applicants are given sufficient time to submit their application and all applications received on or before the 2nd appointed day are considered on their individual merit and not on a first come first serve basis.

No applications shall be determined before the 2nd appointed day. After the 2nd appointed day the appropriate authority shall decide what if any licences should be granted. If a new applicant is granted a licence it will take effect immediately. If an existing operator is granted a licence, it will not take effect until the 3rd appointed day, up to which point they will be allowed to continue to operate under their existing premises licence or club premises certificate.

Determining Applications Received After the 2nd Appointed Day

Applications made after the 2nd appointed day shall be considered when they are made but only once all applications made on or before that date have been determined. However, reference to determination here does not include references to the determination of any appeal against the refusal of a licence.

As with applications received on or before the 2nd appointed day, licences granted to new applicants shall take effect immediately and licences granted to existing operators shall take effect from the 3rd appointed day or, if later, the date the application is determined.

Outstanding Applications

The Council will attempt where possible to determine outstanding applications made under the 2003 Act, which include an application for the provision of

relevant entertainment, before the date that Schedule 3 as amended by the 2009 Act comes into force in their area.

Where it has not been possible to determine application before the 1st appointed day, applicants will need to submit an application for a sex establishment licence as set out in Schedule 3 if they wish to provide relevant entertainment. From the 1st appointed day onwards outstanding applicants shall be dealt with as though they are new applicants

Agenda Item 2.1

Whites Gentleman's Club, 32-38 Leman Street, E1

On 31st March 2015, I revisited White's Gentleman's Club. I was met by Mr Stewart, the Applicant and Mr Stephen Waites or Dadds Solicitors, the Applicant's legal representative.

This visit was to look at the additional CCTV cameras that had been installed following the first visit, where it was highlighted that all of the private dance areas had no CCTV contrary to the LBTH SEV Policy.

I was presented with a replacement plan for the premises that numbered the private rooms ('VIP suites') and indicated the locations the new CCTV cameras.

I indicated to Mr Stewart that there is some advertising outside, and that some may find the logo for the premises offensive as it is a silhouette of a naked woman.

I was given a tour of the premises looking at the positioning of all the new cameras in each room. I was shown the cameras operating through a lap top and was advised that the premises now has three individual CCTV systems that operate in conjunction with each other. I am satisfied that the premises is now adequately covered by CCTV, though I note that the quality of some of the images is grey and at times grainy, however, this is partly because the environment is so low-lit in the private rooms.

I was advised that the CCTV recordings are currently kept for 30 days, but was advised that this would be amended to 31 in line with the LBTH SEV Policy.

I am advised that the new system allows for the downloading of images onto USB sticks that can be presented upon request to a Responsible Authority.

The Applicant advised that the system had been installed less than 24hours prior to my visit; therefore he was unable to show me any historical recordings. I advised that I would have to return to the premises to carry out a third unannounced inspection to check that this facility is operational.

Whilst at the premises, I was also presented with a new pricelist that is available throughout the premises; I could see it on the bar and on surrounding tables. The drinks prices are listed throughout the booklet, as is an instruction that the cost of a three minute private dance is £20.00 in cash, or £24.00 by card payment. I noted that the costs of the private rooms are not in the booklet, but that these are still beside the bar. Mr Stewart believes that they cannot put any prices for longer dances as these are negotiated on an individual basis between the dancer and their customer at the time.

Appendix 18

WHITE'S CLUB

ADDITIONAL CONDITIONS SUGGESTED BY APPLICANT

1. If the Committee grants this licence, the grant will be subject to Tower Hamlet's standard conditions for sexual entertainment venues set out at page 72.
2. It will also be subject to the conditions suggested by Trading Standards at page 10.
3. The purpose of this document is to propose still further conditions so as to meet concerns expressed in the papers, particularly regarding alleged exterior impact of the premises, and issues regarding charging.

Exterior impact

4. The exterior impact of this sexual entertainment venue is very low:
 - a. It does not leaflet in the locality.
 - b. There is no branded customer transportation.
 - c. It does not advertise on billboards
 - d. There is no visibility into the premises.
 - e. There is no suggestive lighting, e.g. red, pink or neon.
 - f. There is no explicit imagery or use of the word "sex," "sexual", "strip" or "nude."
 - g. The door staff look like the kind of staff one finds outside pubs or nightclubs.
 - h. Nobody is suggesting that departing customers have ever misbehaved in the locality.
 - i. There is no noise breakout.
5. The Licensing Officer states that the locality is a mix of residential and business/office space and that the vicinity is mainly business/office blocks (Agenda page 11).
6. The residential population of Whitechapel Ward is 14,190. Of these, only a very small number and proportion have written in to object to the proposed licence.

7. Nevertheless, the applicant wishes to do more, so as to diminish still further any suggestion of a significant negative impact.
8. First, the title used outside the club is "White's Gentlemen's Club." That is accompanied by a silhouette of a woman. The applicant proposes:
 - a. To remove the word "Gentlemen's" from its exterior advertising, i.e. the title used shall be just "White's Club."
 - b. To remove the silhouette, and to use no exterior imagery whatsoever.
9. Therefore, the only advertising a passer-by will see will be the completely neutral and inoffensive "White's Club."
10. Second, the club currently opens at 4 p.m. There is no evidence of any direct effect of its operation on local primary schools. Nevertheless, the applicant is prepared to stay closed for an extra hour, opening only at 5 p.m. so as to provide separation between the end of the school day and the opening of the club.
11. The applicant is content for both of these concessions to be made conditions of the licence.
12. While the applicant cannot hope to overcome the objection of those who are fundamentally opposed to lap-dancing, it hopes that by these means it will reduce the grounds for their objection.

Charging

13. The report (page 19) states that trading standards visited on 24th February 2015 in relation to potential charging of patrons. It continues:

"It was decided that pricing was not clear to customers and that this would be addressed by asking the Licensing Committee to add conditions in relation to pricing on the SEV licence."
14. The 9 proposed conditions are set out at page 10 of the report. The applicant is content with all of them, with the minor exception that booths are not hired, but dances are simply purchased in them for £20 per dance or £24 if paid by card. It is suggested that the words "and booth hire" in condition 8 are removed.
15. The club operates at the top end of the market, and entertains an extremely wealthy clientele, who are prepared to pay very large sums for their entertainment.

16. Credit / debit card payments are made in a roped off area of the bar.
17. The transaction is recorded on CCTV so as to demonstrate beyond any doubt that the customer is sober and free of any kind of coercion. Accordingly, in the unusual event that the payment is queried later, the club is able to produce evidence that the payment was freely made. In all cases, this resolves the complaint. Indeed, in one recent case the complainant was criticised by the Police for wasting Police time.
18. The club can show recent CCTV footage of one of the complainants making their payment should the Committee wish to view it.
19. Again, however, following helpful discussions with Trading Standards, the applicant will go beyond the 9 conditions proposed by Trading Standards, so as to place beyond doubt the transparency of its operating procedures:
 - a. At present, the price list for the VIP rooms shows minimum prices. Performers are free to negotiate a price going beyond the minimum. In order to remove any room for disagreement about what was agreed, prices will be according to a fixed tariff, which will be displayed through the club per the conditions at page 10 of the agenda.
 - b. Further, all payments for the VIP rooms shall be evidenced by a written agreement counter-signed by a manager on duty. A suggested form is attached.
20. The applicant is content for these further concessions to be incorporated as conditions.
