5. LEGAL COMMENTS

6. ONE TOWER HAMLETS CONSIDERATIONS

- 6.1 By targeting the very limited financial assistance which is still available to the most vulnerable owner occupiers, the Private Sector Housing Renewal Policy 2013-15, seeks to mitigate the problems of poor housing conditions and reduce the pressure on social and health care services and at the same time have a positive impact on the lives of these residents by reducing health and housing inequalities and ensuring their independence and inclusion.
- 6.2 A full Equalities Assessment on the Private Sector Housing Renewal Policy has been carried out and which found there to be no evidence to suggest any adverse or negative impact.

7. BEST VALUE (BV) IMPLICATIONS

- 7.1 Individual grant costs are scrutinised and challenged at a number of stages of the grant process, from initial receipt by the grant officer through to final consideration by the Housing Grant Panel.

- 7.2 The use of small cost housing grants to carry out urgent but minor repair works for elderly and vulnerable home owners and those with disabilities, can ensure that resident is able to live healthily and safely in their own home and can reduce longer term repair costs if nothing is done about the problem. It also reduces the risk of reliance on other council services which may be more costly.

8. SUSTAINABLE ACTION FOR A GREENER ENVIRONMENT

- 8.1. There are no sustainability implications.

9. RISK MANAGEMENT IMPLICATIONS

- 9.1 There is a risk that if this small grant is not approved the health and wellbeing of this disabled home owner could deteriorate as he becomes less and less able to operate the taps in his home and personal hygiene suffer as a result.
- 9.2 There is also a risk of electrocution as the washing machine electrical connection is adjacent to the kitchen sink.
- 9.3 Mr C is at risk of falling in his bathroom which could expose the Council and Health service to greater costs, through hospitalisation and additional funding for personal care.
- 9.4 There is also the risk of the loss of Mr C's independence.

10. CRIME AND DISORDER REDUCTION IMPLICATIONS

- 10.1 There are no crime and disorder implications.

11. SAFEGUARDING IMPLICATIONS

- 11.1 There are no safeguarding implications.
