## QUESTIONS

One public question has been submitted as set out below:-

### 6.1 Question from Ms Meredoc McMinn:

There is a serious problem with dangerous driving in Tower Hamlets. I have been communicating about this with Tower Hamlets and the police since the beginning of 2013. The police say it is the responsibility of Tower Hamlets, and the Borough says it is the responsibility of the police. I pay taxes to Tower Hamlets and would like them to deal with the problem. I also think that police resources should be used more effectively. I would like to know, in order to make communities safer from dangerous driving, if something could be done, specifically:

- Speed cameras, especially on Commercial Rd and around Stepney Green.
- Pinch points on all residential roads, including Senrab and Bromley Streets.
- If Senrab and Bromley St could also be made one way.
- An active programme in colleges to stop young dangerous drivers.
