

- 5.6 costs of delivery of biomass fuels by water to the extent that they differ from those of other means of transport
6. The ODA shall:
 - 6.1 review the outcome of the feasibility referred to at paragraph 5;
 - 6.2 provide the feasibility study findings to the Local Planning Authority and consult on its findings with the GLA, LDA, Local Planning Authority, the Department of Culture Media and Sport, the Host Boroughs and other persons requested by the Local Planning Authority (acting reasonably);
 - 6.3 review the feasibility study findings following such consultation;
 - 6.4 thereafter report in writing the details and outcome of the feasibility study, such consultation responses and subsequent review of the findings to the ODA's Executive Team (EMT) for a recommendation and decision on how to proceed; and
 - 6.5 confirm in writing the recommendation and decision of the ODA's Executive Team (EMT) to the Local Planning Authority as soon as possible thereafter.

Part B

1. Throughout the duration of the Legacy Phase, the LDA shall use Reasonable Endeavours to maintain and where reasonably practicable continue to improve on the delivery of the above sustainability targets in the Legacy Phase of the Development where relevant to the operations and use of the Site in the Legacy Phase.
