LBTH DAAT	Continued Training around Opiate Substitute Therapy (OST) Medication with a focus on Children's Services to prevent children ingesting Methadone / Buprenorphine	March 2017	At least 3 training sessions delivered across children's services teams	<ul style="list-style-type: none"> • Agree for a and dates for training – September 2016 	
LBTH DAAT	Establish a robust approach to carer involvement and support across services	Nov 16	Regular engagement with at least 10 known carers Substance misuse carer support needs recognised in new LBTH Carer Strategy	<ul style="list-style-type: none"> • Agreement reached with new providers regarding the offer to carers • New Carer strategy developed – end July 2016 	

PBC7 We will work in partnership with schools to provide good quality drug and alcohol education, particularly around new psychoactive substances 'legal highs' and support schools to develop effective policies through a "whole schools approach".

Owner	Action	Deadline	Key Performance Indicator	Milestone	Progress update
LBTH Childrens Services / PH	Healthy Lives actions				

PBC8 We will target universal prevention activity with young people at risk of drug misuse.

Owner	Action	Deadline	Key Performance Indicator	Milestone	Progress update
LBTH Children's services	Provide effective early intervention for substance misusing individuals in the youth justice system within and beyond the youth offending team	Mar17	<ul style="list-style-type: none"> • 100% of young people in the criminal justice system screened for drug / alcohol issues 	<ul style="list-style-type: none"> • Report ongoing performance via Young People Substance Misuse Operational Group 	

Treatment

T1 We have redesigned our treatment services and in 2016/17 we will commission an integrated drug and alcohol treatment system that is recovery focused, helping adults who are addicted or dependent to recover, by enabling, empowering and supporting them to progress along a journey of sustainable improvement to their health, well-being and independence. The treatment system will have strong service user involvement and peer led recovery outcomes. The three main elements of this treatment system will deliver outreach and engagement, specialist structured treatment and the provision of the right support to ensure that recovery is lasting.

Owner	Action	Deadline	Key Performance Indicator	Milestone	Progress update
LBTH DAAT	Implement an integrated drug and alcohol treatment system that is recovery focussed	01/10/16	Improve percentage of successful completions of Opiate, Non-Opiate and alcohol treatment to ensure performance is always in the top quartile of performance amongst comparative boroughs	<ul style="list-style-type: none"> Contracts awarded by end of June 2016 	
TH DAAT	Appoint and utilize therapeutic, strategic and community recovery champions to support and drive recovery across the borough.	31/12/16	<p>Respected and active champions in place.</p> <p>Clear remits established for champions</p>	<ul style="list-style-type: none"> Designate strategic recovery champion (s) Implement robust communication / feedback activities with all champions to maximise impact on recovery. Coordinate third Celebrating Recovery event in March 2017 	
LBTH DAAT	Redevelop and relaunch service user involvement structures across the new treatment system	31/03/17	<p>Regular attendance of service user representative at key meetings (DAATB, DAN, LUIC)</p> <p>Service user feedback incorporated into monitoring meetings and needs assessments</p>	<ul style="list-style-type: none"> Contracts awarded by end of June 2016 New services implemented 01/10/16 Service user involvement strategies / processes agreed with new provider by 31/12/16 	

T2 We will support treatment that is recovery orientated and will work with established users to maintain their health and well-being and to reduce harm.

Owner	Action	Deadline	Key Performance Indicator	Milestone	Progress update
LBTH DAAT	Implement a payment by results element to drug / alcohol treatment service contracts to ensure recovery and harm reduction outcomes are met	31/03/17	INSERT PBR outcomes	<ul style="list-style-type: none"> Contracts awarded by end June 2016 New services implemented 01/10/16 Baseline data established during first 6 months of contract 	
LBTH DAAT	Ensure widespread distribution of Naloxone injections to reduce the incidence of drug related deaths	31/03/17	Number of Naloxone injections distributed PHOF 2.15iv Deaths from Drug Misuse (New Indicator for 2016-19, data not yet available)	<ul style="list-style-type: none"> New contracts awarded by end June 2016 New services implemented 01/10/16 Naloxone distribution routes established 01/11/16 	

T3 We will support our adult treatment and young people's services to improve their response to the needs of children of drug and or alcohol misusers. We will embed good practice and develop a protocol between children's services (including safeguarding) and treatment providers, train workers and support staff to identify and respond to drug and or alcohol using parents and their children

Owner	Action	Deadline	Key Performance Indicator	Milestone	Progress update
LBTH DAAT	Ensure MASH is responding proactively to risks associated with substance misuse with the support of the DAAT Hidden Harm advisor to advise on cases, and co-ordinate / facilitate joint assessments and workforce training	31/03/17	Twice weekly attendance of Hidden Harm advisor Increase the number of parents in treatment by 5%	Recruit permanent Hidden Harm Advisor by 31/08/16 Increase MASH attendance to twice weekly by 31/12/16	

LBTH DAAT	Implement a robust Drug Testing policy for children's social care to ensure that cases have a wider context for decision making	Aug 16	Policy developed and agreed	<ul style="list-style-type: none"> • Policy signed off at Hidden Harm Steering Group July 2016 • Policy implemented in children's services 	
LBTH DAAT	Universal Audit C Alcohol Screening implemented in Children's Centre and Assessment Function in Children's Social Care	31/03/17	Xx screens undertaken in childrens centres / childrens social care	xxxxxx	
LBTH DAAT	Ensure that all workers have received CAF training and are able to contribute to ECAF to ensure children's workers have relevant information on families.	31/03/17	xx treatment staff CAF trained xx eCAFs submitted by treatment service staff	<ul style="list-style-type: none"> • New treatment service implemented 01/10/16 • Treatment service workforce established 31/12/16 • CAF training completed 28/02/16 	
LBTH DAAT	Implement standardised Assessment Tool, consent and care plan questions around children/parenting for new treatment services.	Oct 16	Assessment tool used for 100% of clients engaged in treatment Consent gained for 90% of all new clients living with children engaging in treatment	<ul style="list-style-type: none"> • New treatment service implemented 01/10/16 • Assessment tool, 	

T4 We will work across our Partnership to develop services that address the wider social determinants of health and wellbeing, such as access to accommodation, employment support, economic wellbeing and educational achievement

Owner	Action	Deadline	Key Performance Indicator	Milestone	Progress update
TH DAS (recovery support)	Implement a variety of interventions accessible via the drug and alcohol recovery support service to help recovering drug /alcohol users to increase engagement in employment, training and education	31/03/17	Improve uptake of education / employment / volunteering opportunities by drug / alcohol users in treatment to ensure figures are above the regional average	<ul style="list-style-type: none"> Implementation of new recovery support service Oct 2016 Quarterly data obtained 	
THDAS	Implement volunteer schemes across all new drug / alcohol services	31/03/17	Improve uptake of education / employment / volunteering opportunities by drug / alcohol users in treatment to ensure figures are above the regional average	<ul style="list-style-type: none"> Implementation of new recovery support service Oct 2016 Quarterly data obtained 	
LBTH Adults services	Ensure the accommodation needs of substance misusers are addressed within LBTH Hostels Commissioning Plan to ensure hostel provision is appropriate within a reduced funding envelope	30/09/16	Ensure the number of individuals leaving treatment with an urgent accommodation need is below 5%	<ul style="list-style-type: none"> Consultation during May 2016 Hostels commissioning Plan presented to Cabinet xxx 	

T5 We will strengthen our approach to actively encourage ‘hard to reach’ and difficult to engage people, such as homeless people, hostel residents, street drinkers and drug and or alcohol misusing offenders, in order to motivate them towards engaging in treatment and progress towards recovery

Owner	Action	Deadline	Key Performance Indicator	Milestone	Progress update
LBTH DAAT	Improve the response to treatment resistant alcohol users to minimise the risk of harm to themselves and others	March 2017	Increase the number of alcohol users in treatment by 6%	<ul style="list-style-type: none"> Blue light pilot implemented with xx clients across the borough by xxx Evaluation of pilot and plans for roll out by end March 2017 	
LBTH DAAT / Adults Service s	Implement robust referral pathways between hostels and treatment services that maximise the skills and capacity of workers within both hostels and the treatment system.	Dec 2016	Increase number of substance misusing residents engaging in structured treatment by xxx	<ul style="list-style-type: none"> Implementation of new treatment service Oct 2016 Pathways and satellites established Oct 2016 Quarterly data collection 	
LBTH DAAT	Implement and develop a drug / alcohol outreach / referral service that motivates and engages treatment resistant individuals into structured treatment	March 2017	ENTER REFERRAL TARGETS	<ul style="list-style-type: none"> Develop pathways and protocols with new service provider and partner agencies Implementation of new service Oct 2016 	
LBTH DAAT / CRC	Work with treatment services and CRC to maximise the utilisation and effectiveness of Drug Rehabilitation Requirements (DRRs) and Alcohol Treatment Requirements (ATRs) to reduce offending of those misusing substances	March 2017	70 DRR starts 34 DRR successful completions 32 ATR starts 17 ATR successful completions	<ul style="list-style-type: none"> Review DRR / ATR pathways with new treatment service – Oct 2016 Pilot rapid assessment to facilitate same day orders 	
CRC	Through the gate package			<ul style="list-style-type: none"> 	

T6 We will continue to increase access and uptake and improve outcomes from services across primary care, secondary care and specialist services.

Owner	Action	Deadline	Key Performance Indicator	Milestone	Progress update
LBTH DAAT	Review and re-commission GP based drug / alcohol treatment services to ensure general health outcomes for drug / alcohol users in treatment are improved	31/12/16	TBC	<ul style="list-style-type: none"> Tender process started by 31/07/16 Contracts awarded by 31/12/16 	
LBTH DAAT	Implement proactive outreach / referral service to increase numbers accessing treatment services		Number of outreach service referrals into treatment system ENTER TARGET	<ul style="list-style-type: none"> Implement new outreach / referral service – Oct 2016 	
LBTH DAAT, Barts Health	<p>Improve the identification of, and response to, individuals with an alcohol problem when presenting to secondary care services including A&E.</p> <ul style="list-style-type: none"> Review drug / alcohol service commissioned from Barts Health Confirm alcohol detoxification pathways between primary and secondary care 	November 2015	INSERT TARGETS FROM SERVICE SPEC	<ul style="list-style-type: none"> Develop new service specification in conjunction with Barts Health Develop S75 agreement with THCCG 	

T7 We will develop expertise within substance misuse treatment services to respond to the needs of drug and / or alcohol users with mental health needs and support the dual diagnosis pathways between substance misuse and mental health services.

Owner	Action	Deadline	Key Performance Indicator	Milestone	Progress update
ELFT	Develop and implement renewed treatment pathways for clients with a dual diagnosis to ensure access to both mental health services and substance misuse treatment services in a timely and co-ordinated fashion	31/12/16	TBC	<ul style="list-style-type: none"> Implement new treatment service – Oct 2016 Robust referral pathways developed – Nov 2016 	
TH YPSM and CAMHS	Improve services available to substance misusing young people who have a concurrent mental health issue	xxxx	Increase in referrals.	<ul style="list-style-type: none"> Regular CAMHS satellite service to commence in the YP treatment service Interagency meetings with CAMHS and Lifeline YP service to be scheduled to discuss cases using a signs of safety approach 	

T8 We will ensure our treatment services are available to people throughout the lifecycle, to support prenatal, postnatal, childhood, youth and the transition to adulthood and to end of life care.

Owner	Action	Deadline	Key Performance Indicator	Milestone	Progress update

Owner	Action	Deadline	Key Performance Indicator	Milestone	Progress update
YOS					

ER8 We will address community concerns about drug use and drug dealing through on-going dialogue and effective communication with the general public

Owner	Action	Deadline	Key Performance Indicator	Milestone	Progress update
Safer Communities, LBTH	Effective communication of successful operations via promotion of positive stories in Our East End and via other channels	Ongoing	<ul style="list-style-type: none"> Improved perceptions of drug / alcohol related anti-social behaviour and crime amongst residents 		

Setting the Foundations of Achieving Success

StF1 We will develop and build an innovative and creative partnership approach to tackling drug and alcohol misuse

Owner	Action	Deadline	Key Performance Indicator	Milestone	Progress update
DAATB	Review terms of reference and membership of the DAAT Board	31/07/16			

StF2 We will ensure effective use of gathered and analysed data and intelligence across the partnership, to better understand and address the harms caused by drug and alcohol misuse. Utilising national and local information on drugs and alcohol through a dashboard that combines prevention, treatment and offending data.

Owner	Action	Deadline	Key Performance Indicator	Milestone	Progress update
DAATB	Review DAATB dashboard to ensure required prevention, treatment and offending data is reported quarterly	31/12/16			
	•			•	
Safer Communities, LBTH	Produce regular hotspot analysis of key data (crime, drugs, alcohol, youth asb etc) to deliver targeted operations	Quarterly	<ul style="list-style-type: none"> Quarterly analysis reports available Inclusion within annual needs assessment report considered at November DAAT Board 	•	

StF3 We will set the right governance mechanisms to ensure the priority actions are reported through the DAAT Board and to both the Health and Wellbeing Board and Community Safety Partnership Board.

Owner	Action	Deadline	Key Performance Indicator	Milestone	Progress update

StF4 We will constantly review the impact of our services on underserved communities through a commitment to monitor uptake and access to treatments ensuring services are accessible.

Owner	Action	Deadline	Key Performance Indicator	Milestone	Progress update
LBTH PH	Rewrite Joint Strategic Needs Assessment for Substance Misuse (Adults and Young People)	31/07/16			

StF5 From an intelligence perspective we wish to continue to build an understanding of:

- o the impact on our population of the use of new drugs such as “legal highs”, steroids, and over the counter and prescribed medicines, and will ensure that these areas are considered in future needs assessments
- o drug markets, distribution and trafficking, to inform our approach to enforcement and community development
- o treatment outcomes in other areas with similar treatment populations, to measure how effective our services are, and to help us to further improve them
- o drug and alcohol data and intelligence through developing drug related dashboard bringing together prevention, offending and treatment data
- o monitor and review cases of drug and alcohol related deaths and implement harm reduction strategies

Owner	Action	Deadline	Key Performance Indicator	Milestone	Progress update

StF6 We will work with partners in commissioning, primary and secondary care to prove the value of our drug and alcohol recovery services to safeguard the resources for this important work

Owner	Action	Deadline	Key Performance Indicator	Milestone	Progress update
LBTH DAAT	Pilot the Family Tool Kit to establish the family and community cost savings achieved via drug / alcohol treatment	31/07/16	Report on findings generated	<ul style="list-style-type: none"> • Report presented to DAAT Board October 2016
