3. 20 successful referrals to family support services by March 2008	31/03/2008	11 parents have been engaged in SFSC parenting programmes. 6 Families will be finishing their programmes in March 08 and the remaining parents will be finishing their programmes in June 08. This is due to the initial delay in appointing and training the parenting officer. As this was a completely new project it took time to encourage parents to take up the courses on offer to improve their parenting skills.

1. Number of fixed penalty notices for littering and dumping increased by 20% from 1,500 to 1,800 by March 2008	31/03/2008	Fixed Penalty Notices issued in 2007/08 totalled 706 well below the target of 1800. An action plan to boost numbers of FPNs was implemented in October 2007 but whilst an improved rate was recorded the total was not achieved. Factors that contributed are: Virement of funds to support the change to recycling contractors and inability to fill vacancies, two secondments and one long term sick person led to staff shortages amounting to about 7 FTEs (approx 20% reduction) which impacted on the number of investigations that could be carried out and hence FPNs issued. Implemented in 2007/08 was a decision to remove coloured trade waste bags from service and their replacement by, in effect, black bin bags. This had an adverse impact on the level of effective enforcement in the Borough. LETs Officers found it very difficult to identify legitimate trade waste deposited in the public realm and so in enforcement terms many Officer hours were spent examining waste they would normally not have to look at. The FPN return rate per officer hour of such enforcement activity was reduced. A wider range of general enforcement activities were undertaken and in real terms the absolute number of enforcement activities (FPNs, prosecutions, issue of statutory notices etc) was slightly greater in 2007/08 than the previous year
