18th October 2016

Your Ref: 5078689

Dear Mr Turner

As discussed this morning I am providing information on the recent faults for your records.

18/09/16; we were made aware of the fault at 11:25, engineers attended and found the main 60 amp fuse on the red phase had blown at the property, this was replaced and power was restored at 18:35.

02/10/16; we were made aware of the fault at 02:21, engineers attended and found the main 60 amp fuse on the red phase had blown at the property, this was replaced and power was restored at 04:51.

13/10/16; we were made aware of the fault at 20:05, engineers attended and found the main 60 amp fuse on the red phase had blown at the property, this was replaced and power was restored at 22:28.

I do hope this covers off everything you need for your records, should you have any further questions please do not hesitate to contact me again.

Kind Regards
