4.0 **Licensing Policy and Government Advice**

- 4.1 The Council has adopted a licensing policy and this is available from the Licensing Section, and at the hearing. The revised policy came into effect on the 7th January 2008.
- 4.2 Relevant Sections of the policy are brought to the attention of Members within the Licensing Officers report.
- 4.3 The Government Minister, the Secretary of State for Culture, Media and Sport has issued Guidance under Section 182 of the Licensing Act 2003. This is available on the Government's website, www.culture.gov.uk. It will also be available at the hearing. It was substantially revised on the 28 June 2007.
- 4.4 Relevant Sections of this advice are brought to Members attention within the Licensing Officers report. Members should note however, that in some areas Tower Hamlets, after a proper consideration of local circumstances, has not followed the Government's advice, or has developed it further.

5.0 **Objections**

- 5.1 This hearing is required by the Licensing Act 2003, because relevant representations have been made by the following responsible authorities:
Environmental Health (**See Appendix 3**)
- 5.2 The application was required to be advertised in a local newspaper and by a blue poster. Only objections that relate to the following licensing objectives are relevant:
- the prevention of crime and disorder
 - public safety
 - the prevention of public nuisance
 - the protection of children from harm
- 5.3 Essentially, the regulatory Authority oppose the application because the applicant has not explained how within the context of longer hours they will meet the licensing objectives, particularly:
the prevention of public nuisance
- 5.4 There are strict time limits to any representations. The time limits are contained in The Licensing Act 2003 (Premises licences and club premises certificates) Regulations 2005.

6.0 **Licensing Officer Comments**

- 6.1 The Licensing Section is not a responsible authority and therefore has no ability to make any relevant representations. The following therefore is intended simply to advise Members of the relevant aspects of the Boroughs Licensing Policy, guidance from the Secretary of State, legislation and good practice. Members may depart from the Council's Licensing Policy and/or Government advice, provide they consider it appropriate to do so, and have clear reasons for their decision.
- 6.2 Guidance issued under section 182 of the licensing Act 2003
- ❖ As stated in the guidance it is "provided for licensing authorities carrying out their functions." It is a key mechanism for promoting best practice, ensuring consistent application and promoting fairness (1.6).
Also "so long as the guidance has been properly and carefully understood and considered, licensing authorities may depart from it if they have reason to do so." When doing so licensing authorities will need to give full reasons for their actions (1.7).
 - ❖ Also Members should note "A Licensing Authority may depart from its own policy if the individual circumstances of any case merit such a decision in the interests of the promotion of the licensing objectives." (1.10)

- ❖ Conditions may not be imposed for the purpose other than the licensing objectives.
 - ❖ Necessary conditions should emerge from a risk assessment by the applicant, which should then be reflected in the operating schedule (10.7).
 - ❖ The Licensing Authority may only impose such conditions as are necessary for meeting the licensing objectives.
 - ❖ It is Government policy that facilities for people and performers with disabilities should be provided at places of entertainment. (S. 10.24).
 - ❖ The Government has stated “there is no general presumption in favour of lengthening licensing hours and the four licensing objectives should be paramount at all times. Where there are objections to an application and the committee believes that changing the licensing hours would undermine the licensing objectives, they may reject the application or grant it with appropriate conditions and/or different hours from those requested.” (10.20)
- 6.3 The Licensing Act 2003 permits children of any age to be on the premises providing they are accompanied by an adult. It is not necessary to make this a condition.
- 6.4 In all cases the Members should make their decision on the civil burden of proof, that is “the balance of probability.”
- 6.5 In all cases Members should consider whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 6.6 The Government has advised that “In the context of preventing public nuisance it is again essential that conditions are focused on measures within the direct control of the licence holder. Conditions relating to public nuisance caused by anti-social behaviour of customers once they are beyond the control of the licence holder or premises management cannot be justified and will not serve the licensing objectives.” (2.38)
- 6.7 The Council’s licensing Policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.

6.8 Members will find advice on the issues relating to conduct on the premises and egress as follows:

Appendix 4 Licensing Officer comments on Noise While The Premise Is In Use

Appendix 5 Licensing Officer comments on Egress Problems

Appendix 6 Planning

Appendix 7 Licensing Policy relating to hours of trading

7.0 Exemptions

7.1 There are a number of statutory exemptions from the operation of the Licensing Act 2003, and Members need to bear these in mind.

7.2 Acts of religious worship, wherever performed are not licensable.

7.3 Section 177, (1) and (2) of the Act provides that where a premises (or club) is licensed for alcohol consumption on the premises and is primarily thus used, and the permitted capacity does not exceed 200, additional conditions relating to the music should only relate to public safety or the prevention of crime (or both). That is they should not relate to any "noise nuisance."

7.4 Section 177 (4) provides that where a premises licence (or club) has a capacity of not more than 200 and the only music is unamplified live music between 08 00 hrs and midnight, no additional conditions should be set relating to the music.

7.5 Section 177 can be disapplied on a licence review if it is proportionate to do so.

8.0 Legal Comments

8.1 The Council's legal officer will give advice at the hearing.

9.0 Finance Comments

9.1 There are no financial implications in this report.

Subject: Application for a premises licence - Elegant BBQ Restaurant, 388 Hackney Road, London - MAU 26780

Hi Jackie,

Please find below objection to the above premises Licence.

Environmental Health object to all aspects of the above premises Licence on the grounds of public nuisance.

This particular premises has an extraction system and 2 air-conditioning units that have been installed without planning permission. In doing so, the extraction system, primarily the fan and the 2 air-conditioning units are causing noise problems. This matter is with Planning Enforcement at the moment with a view to serve an enforcement notice for the removal of the extraction system and air conditioning units. By permitting an increase in hours for late night refreshment, sale of alcohol and opening hours, this would in turn increase current problem of noise from both of these units.

The above issue was so serious that in January of this year, Environmental Health obtained a warrant from the Magistrates Court to enter 388 Hackney Road by force and disable both the extraction system and air conditioning unit. EH did not execute this warrant as remedial works were carried out on the fan at the last minute which reduced the noise to a level that such strong enforcement action was not necessary. This said, the current noise from the fan and air-conditioning units are still an issue hence the action being taken from Planning Enforcement and this objection.

Further to the points raised above, EH feel that there is potential for public nuisance from access and egress of customers till the proposed hours.

Regards,

Paul Johnson

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).

If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Sections 8.1 of the Licensing Policy**).

While all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 12.11**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 8.2 of the Licensing Policy**).

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 2 Annex D of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks
- Conditions controlling the placing of refuse
- Conditions controlling noxious smells

- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs. a premises causing a nuisance resulting from noise emanating from the premises.

Guidance Issued under Section 182 of the Licensing Act 2003

The Licensing Policy has adopted the recommended Pool of Conditions as permitted (13.20 and Annex D).

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.33).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.36) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.38).

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

Appendix 5

Access and Egress problems

Such as:

Disturbance from patrons arriving/leaving the premises on foot
Disturbance from patrons arriving/leaving the premises by car
Lack of adequate car parking facilities
Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Sections 8.1 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 8.2 of the Licensing Policy**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 12.10**)

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Poll of Conditions relating to the prevention of Public Nuisance. (**See Appendix 2 Annex G of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)

- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The pool of conditions, adopted by the council is recommended (Annex G). The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.33).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises (2.36) but it is essential that conditions are focused on measures within the direct control of the licence holder” (2.38).

In certain circumstances conditions relating to noise in the immediate vicinity of the premises may also prove necessary to address any disturbance anticipated as customers enter and leave (2.36).

However, it is essential that conditions are focused on measures within the direct control of the licence holder. Conditions relating to behaviour once they are beyond the control of the licence holder cannot be justified. (2.38)

Appendix 6

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 7

Licensing Policy relating to hours of trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows

Sunday to Thursday 06 00 hrs to 23 30 hrs

Friday and Saturday 06 00 hrs to midnight

(see 12.8 Of the licensing policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicants proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(see 12.8 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates
- Premises licensed for off sales only
