### **Executive Summary**

The Annual Report provides a summary of the work, which the Overview & Scrutiny Committee, the Health, Housing and Grants Scrutiny Sub Committees and Scrutiny Leads have delivered in the 2017-2018 municipal year.

### **Recommendations:**

Full Council is recommended to:

1. To Comment and note the report
2. To note the specific equalities considerations as set out in Paragraph 4.

### **1. REASONS FOR THE DECISIONS**

- 1.1 This report provides a summary of the diverse range of scrutiny work carried out during the year by the Overview and Scrutiny Committee and the Health, Housing and Grants Sub Committees.

### **2. ALTERNATIVE OPTIONS**

- 2.1 The Council may decline to agree the recommendations. This is not recommended as the report outlines work undertaken by Councillors and officers to identify areas of improvement.

### **3. DETAILS OF THE REPORT**

- 3.1 Under the Council's Constitution, the Overview and Scrutiny Committee (OSC) must report annually to Council documenting the Committee's activities during the past year, including on the work of the Health Scrutiny Sub-Committee.
- 3.2 The attached report (Appendix 1) highlights the range of work delivered by Scrutiny during the municipal year this includes five in-depth reviews focusing on fire safety, access to health and social care services for homeless people, recreation activities for young people, gangs and serious youth violence and budget scrutiny. Scrutiny also held a one-off challenge session looking at the impact of Brexit on the Council. A key focus for the Overview and Scrutiny Committee has been on the progress in delivering the improvements in Children's Services. The Committee has held a number of sessions with internal and external stakeholders to understand this and welcomes the positive feedback received from Ofsted. However, it recognises this is an area of on-going work and it is important that the 2018-19 Overview and Scrutiny Committee remains committed to undertaking further work.
- 3.3 The work of the Overview and Scrutiny Committee is broken down into the range of types of scrutiny activity including in depth scrutiny reviews and challenge sessions, a revised approach to pre scrutiny of Cabinet decisions and spotlight sessions focusing on the Council and partners service performance.

### **4. EQUALITIES IMPLICATIONS**

- 4.1 Reducing inequality, promoting community cohesion and building Community leadership are all central to the work of the Overview and Scrutiny Committee. A number of reviews incorporated an equalities perspective in their consideration including the Brexit session which focused on rise of hate crime following the EU referendum. The review on recreation activities for young people also considered needs of different communities including those under-represented in accessing services such as girls and BME communities.
