

# Safer Neighbourhood Board

JACK GILBERT VICE CHAIR

# Background

- Established in 2012
- Replaced Police Community Consultation Groups (PCCG)
- Structure and funding governed by MOPAC
- Reviews local policing and crime.
- Supports ward panels to set local ward priorities
- Works to increase public engagement in community safety decisions
- Promotes collaboration and partnership
- Ensure public involvement in community safety decisions

# Building collaboration

- Monitor crime and policing performances
- Provide assurance that a system of Independent Custody Visiting is delivered
- Integrate learning from the Independent Advisory Group
- Integrate input from the Stop and Search community monitoring
- Integrate input from across the ward panels
- Building youth IAG

# Promoting participation

- Promoting participation in panels in each ward so that they can:-
  - Review performance of SNT and set priorities/promises
  - promote reassurance, trust and confidence
- Resource and develop OWL (online neighbourhood watch)
- Building youth IAG
- Identifying MOPAC funded development projects

# Challenges

- Ward panels/ward teams
- Setting Borough wide or east/west cluster priorities
- Community impact of crime
- Victim care
- Diversity within and between communities
- Wider performance issues
