## **MEMBERS' QUESTIONS**

14 questions have been received from Members of the Council as follows:-

### **8.1 Question from Councillor Eve McQuillan**

How did the council respond to the London City Airport consultation on its expansion proposals?

### **8.2 Question from Councillor Andrew Wood**

The government has announced funding nationally for 60 new youth centres, we have primary schools with planning permission that we do not want anymore and only two small youth centres in the Isle of Dogs and South Poplar area, it is not now time to build a new youth centre for the fastest growing place in the UK?

### **8.3 Question from Councillor Kahar Chowdhury**

Can the lead member please provide information on primary school results this year?

### **8.4 Question from Councillor Peter Golds**

Will the Mayor explain, in the light of the third elected councillor in seven years being convicted for housing fraud, what steps are being taken to protect against this and to ensure the integrity of the majority of members who serve the community properly and legally and to the best of their abilities?

### **8.5 Question from Councillor Sufia Alam**

What assessment has the council made about the impact of the government's recent school funding announcements on schools in Tower Hamlets?

### **8.6 Question from Councillor Faroque Ahmed**

With the Town Hall soon moving to the Royal London site and cross rail opening soon, Whitechapel would be the gateway to our borough. Can the Mayor or the Lead Member inform us what we are doing to help improve the markets and the environment around the new Town Hall?

### **8.7 Question from Councillor Leema Qureshi**

The first 1,001 days are crucial to a child's development. Can the Lead Member please update the council on what we are doing to ensure children have a healthy start to life?

### **8.8 Question from Councillor Marc Francis**

Will the Lead Member for Adults Services publish the service review report which has led to the proposal to end the meals on wheels service for pensioners and disabled people?

### **8.9 Question from Councillor Abdal Ullah**

Will the Mayor reconsider the restrictions being put upon local residents of my ward? The 'bus gate' is a great idea to stop rat-runners however its introduction will limit the free movement of local residents. We welcome the Liveable Streets programme to Wapping and look forward to working to improve our streets and encourage people to walk and cycle, however the 'bus gate' restrictions will have an impact by adding further delays and congestion to locals residents who have to use cars.

### **8.10 Question from Councillor Kyrsten Perry**

Can the lead member inform us what we are doing to ensure young people growing up in Tower Hamlets are provided with the right skills to obtain employment?

### **8.11 Question from Councillor Asma Islam**

Can the Mayor please update members on the mitigations introduced as part of the Local Community Fund to support organisations whose funding ended once the mainstream grants programme ended, and how these measures will support service users?

### **8.12 Question from Councillor Val Whitehead**

What were the key findings of the Child Poverty Action Group's report on the impacts of Universal Credit in Tower Hamlets and how will the council be responding to the recommendations?

Can the Mayor or Cabinet Member update members on the Liveable Streets programme and the proposals for Bethnal Green?

### **8.14 Question from Councillor Rabina Khan**

Will the Mayor agree to ensure that applications for medical priority on the basis of ASD should be assessed by a specialist medical assessor with a specific understanding of ASD and to ensure that, where necessary, such applications for medical priority should be entitled to automatic OT visit?
