### Recommendations:

The Audit Committee is recommended to:

1. Note the content and opinion of the Head of Internal Audit as outlined within the Head of Internal Audit Annual Report which includes a summary of the work undertaken during 2019/20.

### 1. REASONS FOR THE DECISIONS

- 1.1 The Accounts and Audit Regulations 2015 require authorities to maintain an adequate and effective system of internal audit of its accounting records and systems of internal control in accordance with proper practices. The Audit Committee has responsibility for oversight over the authority's governance, risk and control frameworks. The annual report from the Head of Internal Audit assists the Audit Committee in discharging this responsibility.

### 2. ALTERNATIVE OPTIONS

### **3. DETAILS OF THE REPORT**

- 3.1 Internal Audit is a statutory requirement for local authorities under the Accounts & Audit Regulations 2015 for English local authorities (including police and fire bodies). The regulations state that a local authority shall maintain an adequate and effective system of internal audit and recognise the need to follow public sector internal audit standards.
- 3.2 The Public Sector Internal Audit Standards (PSIAS) define the way in which internal audit should undertake its functions and requires that a written report is submitted to those charged with governance, which should include an opinion on the overall adequacy and effectiveness of the Council's governance, risk management and internal control frameworks. The annual opinion supports the Annual Governance Statement, which is required under Regulation 6 of the Accounts and Audit Regulations 2015.
- 3.3 The attached report summarises the planned and ad-hoc internal audit and anti-fraud work undertaken by Internal Audit during the 2019/20 financial year. It focusses on the outcomes of audit reviews, management actions, anti-fraud activities and service performance.
- 3.4 The regulations also require that a formal review of the 'effectiveness of the system of internal audit' is conducted. The annual audit opinion together with the review of conformance with the Public Sector Internal Audit Standards provides this assurance.
- 3.5 The annual assurance opinion provided within the annual internal audit report informs and forms part of the 2019/20 Annual Governance Statement (AGS), which will be presented to the Audit Committee separately and included in the accounts.
