NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Appendix 5

Section 182 Advice by the Home Office Updated on April 2018

Relevant, vexatious and frivolous representations

9.4 A representation is “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new premises would deter customers from entering the local area, and the steps proposed by the applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives. For representations in relation to variations to be relevant, they should be confined to the subject matter of the variation. There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations, and in fact this would not be possible for new premises.

9.5 It is for the licensing authority to determine whether a representation (other than a representation from responsible authority) is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. A representation may be considered to be vexatious if it appears to be intended to cause aggravation or annoyance, whether to a competitor or other person, without reasonable cause or justification. Vexatious circumstances may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Licensing authorities can consider the main effect of the representation, and whether any inconvenience or expense caused by it could reasonably be considered to be proportionate.

9.6 Frivolous representations would be essentially categorised by a lack of seriousness. Frivolous representations would concern issues which, at most, are minor and in relation to which no remedial steps would be warranted or proportionate.

9.7 Any person who is aggrieved by a rejection of their representations on either of these grounds may lodge a complaint through the local authority’s corporate complaints procedure. A person may also challenge the authority’s decision by way of judicial review.

9.8 Licensing authorities should not take decisions about whether representations are frivolous, vexatious or relevant to the licensing objectives on the basis of any political judgement. This may be difficult for councillors who receive complaints from residents within their own wards. If consideration is not to be delegated, contrary to the recommendation in this

Guidance, an assessment should be prepared by officials for consideration by the sub-committee before any decision is taken that necessitates a hearing. Any councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.

9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.

9.10 Licensing authorities should consider providing advice on their websites about how any person can make representations to them.

Dear Sir/Madam

I am writing regarding the shop which is about to open on 38-40 commercial road.

My shop is located at [REDACTED]. I am writing to object this as this area is populated with many shops and letting another alcohol shop will increase the issues we are already facing in the area, we are a beauty parlour, our clients are largely females, our clients get disturbed by drunk homeless people in the area, and we feel allowing another alcohol premise will only increase this issue, therefore I am objecting to this.

I would like to request no permission be given to open any shop here.

Yours faithfully

Dear Sir/Madam

I am writing this letter about the new shop opening up on 38- 40 commercial Road London E11LN. It brings great concern to me as it says it's going to have alcohol in the shop, and it also says it may be open 24 hours.

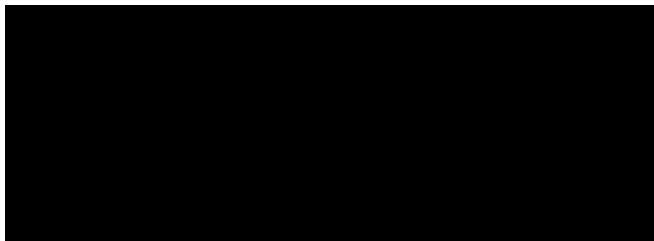

My concern is that this area that I live in is already very loud and there's a lot of homeless people around and there's a lot of drug addict, there's already so many problems in this area and now if this shop does turn into a 24-hour shop which holds a license of selling alcohol it will get just worse. Where I live there is a lot of homeless people that will come under my building drink alcohol and leave the bottles and cans everywhere. You can hear a lot of screaming and shouting.

I just want this area to be a better place to live in and to feel safe in and I hope you take this letter into consideration thank you so much

Yours faithfully

We object to the granting of an alcohol licence to Macro Food Centre, 38-40 Commercial Road, London E1 1LN for sale of alcohol for consumption off the premises from Monday to Sunday 00:00 to 24:00 hours.

We have an interest in this application that is greater than the general public because the premises is located within my community.

We object to the application for an alcohol licence on the grounds of:

Prevention of public nuisance – increase in noise nuisance from the premises due to constant flow of customers purchasing alcohol and there would be unacceptable levels of nuisance during late hours. The hours applied for would potentially increase the nuisance to the area.

Prevention of crime and disorder – the area already has a prevalence of violence and disorder due to alcohol misuse in public and drugs misuse. There are a lot of homeless persons in the surrounding area who would inevitably attend the premises to purchase alcohol thus exacerbating the problems for the area.

Public safety - it is likely that risk to public safety would be increased by the grant of the licence to sell alcohol 24 hours a day. Increase in foot customers and also those using vehicles would cause safety issue on the public highway (both on the footpath and the actual road).

Hours of opening - twenty four hours sale of alcohol would adversely impact upon the local area, its community and also the surrounding area. The authority must consider the impact of such long opening hours.

Hi John,

We would appreciate your support on the subject mentioned below,

I am writing to register my objection for the application for a premises license by 'Daas Trading London Limited' for;

*Marco Food Centre
38-40 Commercial Road
London
E1 1LN*

I would like to object on the ground that granting this license for the premises will not promote the licensing objectives, particularly the prevention of crime, disorder, public nuisance and anti social behaviour.

This community has enough stores which sell alcohol and Tower Hamlets is trying to regenerate the area. Another store is not needed as it will create a very unsafe environment in an area which is notorious for drugs and alcohol abuse.

I have seen on many occasions illegal drugs being used near children in parks and playgrounds in the immediate area, for these vulnerable children such things will seem the norm which we as a community should not be promoting.

Covid 19 has created even more alcohol abuse, and has not helped with the rehab centre's in the area where there are a lot of addicts trying to recovery from their addiction for alcohol or drugs.

I am fully against this application for a premises license.

We have more than enough alcohol selling stores within the area and another would add to the problem'(s), your support in helping fight against another store would be most appreciated by everyone in the community.

Kind regards,

Erol Aslan

Hi,

We have signed a petition in our local community as we believe the premises mentioned opening as a 24 hour store or selling alcohol for 24 hours a day in any way is bad for the community and we would appreciate your support on the subject mentioned below,

we are writing to register my objection for the application for a premises license by 'Daas Trading London Limited' for;

We would like to object on the ground that granting this license for the premises to sell alcohol on and off the premises will not promote the licensing objectives, particularly the prevention of crime, disorder, public nuisance and anti social behaviour (the 4 objectives).

This community has enough stores which sell alcohol and Tower Hamlets is trying to regenerate the area. Another store is not needed as it will create a very unsafe environment in an area which is notorious for drugs and alcohol abuse.

Appendix 11

23 September 2020

The Licensing Section
London Borough of Tower Hamlets
John Onslow House
1 Ewart Place
London E3 5EQ

We, the petitioners hereof (details as attached) and local residents, object to the granting of an alcohol licence to Macro Food Centre, 38-40 Commercial Road, London E1 1LN for sale of alcohol for consumption off the premises from Monday to Sunday 00:00 to 24:00 hours. .

We have an interest in this application that is greater than the general public because the premises is located within our locality.

We object to the application for an alcohol licence on the grounds of:

Prevention of public nuisance – increase in noise nuisance from the premises due to constant flow of customers purchasing alcohol and there would be unacceptable levels of nuisance during late hours. The hours applied for would potentially increase the nuisance to the area.

Prevention of crime and disorder – the area already has a prevalence of violence and disorder due to alcohol misuse in public and drugs misuse. There are a lot of homeless persons in the surrounding area who would inevitably attend the premises to purchase alcohol thus exacerbating the problems for the area.

Public safety - it is likely that risk to public safety would be increased by the grant of the licence to sell alcohol 24 hours a day. Increase in foot customers and also those using vehicles would cause safety issue on the public highway (both on the footpath and the actual road). The main road (Commercial Road) is a tfl red route with 'red box' parking immediately in front of the premises. Customers would inevitably park to purchase alcohol thereby causing traffic issues.

The duly completed petition is attached to this coversheet.

Dear Robert

Thank you for confirming that your opening hours have now reduced, and are now Monday – Sunday 06:00 – 00:00 hours (midnight), which are the same hours for the sale of alcohol as agreed with the police.

I will inform the processing officer for the Licensing Authority.

If your hours for the sale of alcohol and your opening hours are the same a condition regarding covering over the alcohol is not required.

The licencing authority therefore have no objection to this application.

Kind regards

Can we agree

Outside of licensed hours for the sale of alcohol, the premises licence holder must ensure that customers are made aware that alcohol must not be sold outside those hours by;

(d) Covering alcohol from view and displaying notices prominently within the premises advising customers that alcohol must not be purchased outside licensed hours

Dear Robert

In conjunction with the reduction in hours for the sale of alcohol in agreement with the police will the shop still be open 24/7?

If so the alcohol is required to be covered over/secured whilst the shop is open but the alcohol sale is prohibited.

Would your client accept the following condition (or a proposed variation from yourself):

Outside of licensed hours for the sale of alcohol, the premises licence holder must ensure that customers are made aware that alcohol must not be sold outside those hours by;

(a) removing alcohol from view

(b) locking the beer and wine fridge

(c) ensuring no alcohol is available for self-service; and

(d) displaying notices prominently within the premises advising customers that alcohol must not be purchased outside licensed hours.

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).

If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. **(See Sections 9.1 of the Licensing Policy)**. While all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. **(See Section 14.10)**.

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. **(See Section 9.2 of the Licensing Policy)**.

The Licensing Authority will consider attaching conditions to prevent nuisance. In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks
- Conditions controlling the placing of refuse
- Conditions controlling noxious smells
- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs where public nuisance is being caused by noise coming from the premises and the closure of the premises is necessary to prevent that nuisance.

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.15).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

Appendix 15

Access and Egress Problems

Such as:

- Disturbance from patrons arriving/leaving the premises on foot
- Disturbance from patrons arriving/leaving the premises by car
- Lack of adequate car parking facilities
- Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

Egress only is referred to-if necessary access can be added or substituted in.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Section 10 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 10.2 of the Licensing Policy**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 15.1**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 15.5**)

The Council has adopted a set of framework hours (**See 15.8 of the licensing policy**). This relates to potential disturbance caused by late night trading.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to the prevention of Public Nuisance. (**See Annex G of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.15).

Licence conditions should not duplicate other legislation (1.16).

Any conditions should be tailored to the type, nature and characteristics of the specific premises. Licensing authorities should be aware of the need to avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are very expensive to purchase and install and are likely to be a considerable burden for smaller venues. (2.19)

Measures can include ensuring the safe departure of customers, these can include:

- Providing information on the premises of local taxi companies who can provide safe transportation home; and
- Ensuring adequate lighting outside the premises, particularly on paths leading to and from the premises and in car parks

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Appendix 16

Anti-Social Behaviour on the Premises

Licensing Policy

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Section 6 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Methods of management communication
- Use of registered Door Supervisors
- Bottle Bans
- Plastic containers
- CCTV
- Restrictions on open containers for “off sales”
- Restrictions on drinking areas
- Capacity
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage
- Seating plans
- Capacity

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public safety.

Guidance Issued under Section 182 of the Licensing Act 2003

The pool of conditions, adopted by the Council is recommended (Annexe D).

The key role of the Police and SIA is acknowledged (2.1-2.2).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder

and their staff or agents, but can directly impact on the behaviour of customers in the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) communication, CCTV, police liaison, no glasses, capacity limits are all relevant (2.3 - 2.6).

The Guidance recognises working with Home Office Immigration Enforcement in the prevention of immigration crime. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check are retained at the licensed premises.

Guidance Issued under Section 182 of the Licensing Act 2003

Conditions can be imposed for large capacity “vertical consumption” premises (10.23 – 10.24).

Guidance Issued by the Office of Fair Trading

This relates to attempts to control minimum prices.

Other Legislation

- The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder

Appendix 17

Anti-Social Behaviour from Patrons Leaving the Premises

General Advice

Members need to bear in mind that once patrons have left a premises they are no longer under direct control. Members will need to be satisfied that there is a link between the way the premises is operating and the behaviour that is complained of. An example of this would be that irresponsible drinking is being encouraged. Before deciding that any particular licensing conditions are proportionate, Members will also need to be satisfied that other legislation is not a more effective route. For example, if the problem is drinking in the street it may be that the Council should designate the area as a place where alcohol cannot be consumed in public.

Members may also wish to consider whether the hours of opening relate to any problems of anti-social behaviour.

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy” (**see Section 4.15 and 4.16 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Sections 6.2 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Bottle Bans
- Plastic containers
- CCTV (outside the premises)
- Restrictions on open containers for “off sales”
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage

Cumulative Impact

There is a process by which the Licensing Authority can determine that an area is saturated following representations. However, the process for this involves wide consultation and cannot come from representations about a particular application. (**See Section 8 of the Licensing Policy**).

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public.

Guidance Issued under Section 182 of the Licensing Act 2003

The key role of the Police is acknowledged (2.1).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder, but can relate to the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) CCTV inside & out, communication, police liaison, no glasses are all relevant

There is also guidance issued around public nuisance (2.15 – 2.21).

The pool of conditions, adopted by the Council is recommended (see Appendix 3 of the Licensing Policy). Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.18/2.21).

Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and, therefore, beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned (14.13).

Other Legislation

Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

The Act also introduced a wide range of measures designed to address anti-social behaviour committed by adults and young people. These include:

- Anti-Social Behaviour Orders
- Child Curfew Schemes
- Truancy
- Parenting Orders
- Reparation Orders
- Tackling Racism

Appendix 18

Safety Problems

General Advice

Members need to bear in mind the substantial amount of primary legislation in this area, and to only impose conditions where they are both proportionate to identified problems and not adequately covered by primary legislation.

The larger and more complex a premises before Members, the more likely it is that specific conditions will be proportionate and necessary.

Licensing Policy

Premises should be constructed so as to minimise public safety risks. (See 7.1).

The Licensing Authority expects applicants to seek advice from both the relevant Health and Safety body and also the Fire and Emergency Planning Authority. (See 7.2). The applicant should identify where existing legislation is not adequate. (See 7.3).

The Licensing Authority will consider attaching conditions to ensure public safety and these may include Conditions drawn from the Model Pool of Conditions relating to public safety. (See Appendix 2 Annex E, F and J of the Licensing Policy). In particular Members may wish to consider the following headings: (this list is not exhaustive):

Annex E

- Adequate arrangements for people with disabilities, inc. their awareness of them.
- Escape routes
- Safety checks
- Curtains, hangings, decorations, upholstery etc.
- Accommodation limits
- Fire action notices
- Emergency procedures
- Water
- Emergency vehicle access
- First aid
- Lighting
- Temporary electrical installations
- Alterations to the premises
- Special effects

Annex F

This concerns Theatres and Cinemas

Annex J

The safe clubbing checklist

Guidance Issued under Section 182 of the Licensing Act 2003

The public safety objective “Licence holders have a responsibility to ensure the safety of those using their premises, as a part of their duties under the 2003 Act. This concerns the safety of people using a relevant premises rather than public health, which is addressed in other legislation” (2.6). For example, conditions should not be imposed on a premises licence or club premises certificate which relate to cleanliness or hygiene.

2.7, A number of matters should be considered in relation to public safety.

These may include:

- Fire safety;
- Ensuring appropriate access for emergency services such as ambulances;
- Good communication with local authorities and emergency services, foreexample communications networks with the police and signing up for local incident alerts (see paragraph 2.4 above);
- Ensuring the presence of trained first aiders on the premises and appropriate first aid kits;
- Ensuring the safety of people when leaving the premises (for example, through the provision of information on late-night transportation);
- Ensuring appropriate and frequent waste disposal, particularly of glass bottles;
- Ensuring appropriate limits on the maximum capacity of the premises (see paragraphs
- 2.11-2.12, and Chapter 10; and
- Considering the use of CCTV in and around the premises (as noted in paragraph 2.3 above, this may also assist with promoting the crime and disorder objective).

Safe capacities “should only be imposed where necessary for the promotion of public safety or the prevention of disorder.” (2.11). Therefore, conditions of a fire certificate must not be reproduced.

Other Legislation

- The Health and Safety at Work Act 1974, and various Regs.
- The Regulatory Reform Order (Fire Safety) 2005.

Other Guidance

- Model National and Standard Conditions for Places of Public Entertainment and Assoc. Guidance
- The Event Safety Guide
- Managing Crowds Safely
- 5 Steps to Risk Assessment
- Safer Clubbing
- Safety Guidance for Street Art etc.
- Various BS and ISO standards

Appendix 19

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one or more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 20

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 14.8 of the Licensing Policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 14.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates
