

CHILD SEXUAL EXPLOITATION

What are your responsibilities working in the licensed trade?

Under the Licensing Act 2003 premises licence holders and designated premises supervisors have a legal responsibility to make sure that children and young people are protected from harm at their premises.

The guidance issued under Section 182 of the Licensing Act 2003, requires that children must be protected from “physical, psychological and moral harm”, so premises allowing persons under the age of 18 are expected to have systems in place to safeguard children and young people.

One of the risks at licensed premises is that of sexual exploitation. To minimise the risk to children and young people, premises need to have preventive systems in place.

What is child sexual exploitation?

Exploitative situations, contexts and relationships where young people (or a third person or persons) receive something (e.g. food, accommodation, drugs, alcohol, cigarettes, affection, gifts, money) as a result of them performing, and/or another or others performing on them, sexual activities.

How might this involve licensed premises?

Premises providing goods or services that can be offered to children as gifts in exchange for sexual favours (for example, free food, drinks or cigarettes; free transport; free access to a venue in exchange for sexual favours) present risk if a groom is employed there (or works voluntarily) and has regular or private contact with children.
