Executive Summary

As part of the Annual Accounts and in accordance with the principles of the CIPFA / SOLACE Delivering Good Governance in Local Government Framework. The Council is required to undertake a review of its corporate governance processes, systems and the assurances on the governance framework to support the creation of an Annual Governance Statement.

As the content of the statement was not finalised until the 22 January 2021 the report could not be published 5 clear days in advance of the Committee meeting on the 28 January. The Annual Governance Statement forms part of the Council's statement of accounts and it needs to be approved by the Audit Committee to be included in the accounts and avoid further delays to their publication and audit.
