Health & Adults Scrutiny sub-committee (HASC) will meet on the 8th February. The work programme for 2020/21 has been signed off by the committee. We have two meetings remaining in this municipal year (8 Feb and 2 Apr) and we have a number of important matters to discuss as a result of this pandemic such as revisiting adults learning disabilities provision and looking at the status of care homes and the budget which will be heard at February's meeting.

#### **I have attended the following meetings in my role of Chair:**

- Monday 21st December Denise Radley (Corporate Director Health, Adults & Community)
- Friday 8th January Health & Wellbeing Strategy Workshops
- Thursday 14th January COVID 19 Local Engagement Board

#### **Outside of this above I have been in touch with officer and the director regarding the following issues:**

- The Royal London Hospital capacity following in December 2020
- The vaccination roll out in Tower Hamlets

#### **Forthcoming meetings:**

- Tuesday 2nd February 2021 Tower Hamlets Health and Wellbeing Board. I sit on the board as stakeholder.
- Wednesday 8th February 2021 is the first meeting of the INEL JHOSC since it moved to Hackney Council. Inner North East London Joint Health Overview & Scrutiny Committee (INEL JHOSC) comprises of London Boroughs: Hackney, Newham, Tower Hamlets and City of London Corporation. The committee's remit is to consider London wide and local NHS service developments and changes that impact all the authorities mentioned. The INEL JHOSC membership requires three non-executive Councillors from Tower Hamlets to form part of the membership. I attend these meetings. Cllr Mohammed Pappu and Cllr Shah Suhel Ameen were successfully appointed as Tower Hamlets representatives to INEL JHOSC in the last Sub Committee meeting.
