Subject: 136753 - MAU REPRESENTATION TENS Byron Leedham 90-98 Sclater St "Car Park",

, London

Follow Up Flag: Follow up Flag Status: Completed

Dear Licensing,

The TENs application does not take into consideration that 90-98 Sclater St "Car Park", is within the Cumulative Impact Zone (CIZ), and the potential impact of public nuisance and measures to prevent noise generated from within the external site could cause disturbance to people in the vicinity.

The applicant is proposing licensable activities:

- Regulated Entertainment Live music
- Sale of Alcohol

Also there has been no consultation or consideration of music noise levels, and other noise mitigation measures to adhere to and promote the licensing objective for the prevention of public nuisance

<u>Sensitive premises:</u> Residential and commercial premises are in close proximity to 90-98 Sclater St "Car Park", 90-98 Sclater Street, London

In my view the TENs application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to "public nuisance" for the following reasons:-

- Noise breakout from the venue affecting neighbouring residents.
- Access & egress to and from the venue, of patrons, especially due to patrons likely to be in high spirits; and

CONCLUSION

Environmental Protection **does not** support the TENs application 90-98 Sclater St "Car Park", as there is a great likelihood of disturbance to residential premises in close proxmity. Also there is no consideration as to how the event will be managed with regards to noise levels, and any other noise mitigation measures, with particular attention to the fact that the premise is in Brick Lane Cumulative Impact Zone..

regards

Nicola Cadzow
