Strategic Plan Priority Outcome	Priority 2 – A borough that our residents are proud of and love to live in. Priority 3 – A dynamic, outcomes-based council using digital innovation and partnership working to respond to the changing needs of our borough.

EXECUTIVE SUMMARY

On Wednesday 30 October 2019 Cabinet approved the Liveable Streets programme, governance and delivery plan for 17 project areas.

The Liveable Streets programme will make fundamental improvements to the infrastructure on the street and open spaces and change the travel behaviour of residents, businesses and visitors to Tower Hamlets.

Through an online engagement forum, community meetings, co-design workshops, and liaison with Ward Councillors, the Liveable Streets team created a series of proposals to carry out improvements in the Brick Lane area. These proposals were presented to the Brick Lane community for comment through a public consultation from Wednesday 17 March to Wednesday 14 April 2021.

This report details the results of the public consultation and seeks approval on the final design and next steps.

Full details of the decision sought, including setting out the reasons for the recommendations and/or all the options put forward; other options considered; background information; the comments of the Chief Finance Officer; the concurrent report of the Head of Legal Services; implications for One Tower Hamlets; Risk Assessment; Background Documents; **and other relevant matters are set out in the attached report.**

Recommendations:

For the reasons set out in this report, and having regard to the Council's public sector equality duty the Mayor is recommended to:

1. Consider the results of the engagement to date and public consultation of the Brick Lane area as part of the Liveable Streets programme (Appendix D).
2. Approve the final scheme design for the Brick Lane area as shown in Appendix B which includes but not limited to:
 - Timed closures on Brick Lane on Thursday and Friday between 5:30pm to 11pm and Saturday and Sunday between 11am and 11pm.
 - A school street on Underwood Road, Buxton Street and Hunton Street
 - One-way southbound on Deal Street between Underwood Road and Woodser Street.
 - Implementation of at least ten cycle hangers.
3. Approve the use of existing frameworks or term contracts to award an order up to the value of £1.1 Million for completion of the works.
4. Consider the Equalities Impact Assessment and specific equalities considerations summarised in paragraph 4 of the report and the full Equalities impact Analysis (EqIA) detailed in Appendix F; and
5. Approve the use of an Experimental Traffic Order for the works specified with the final scheme design shown in Appendix B to allow any objections, comments or observations to be made before a review is undertaken within 18 months of the order being made.

APPROVALS

Approvals provided by the Corporate Director, Chief Finance Officer and Monitoring Officer through the normal Cabinet report procedures.

1. Mayor

I agree the decision proposed in the recommendations above for the reasons set out in the attached report.
