## **Tower Hamlets Council** **Forthcoming Decisions Plan**

### **What is this document?**

The Forthcoming Decisions Plan (or 'Forward Plan') contains information on significant decisions that the Council expects to take over the next few months.

As a minimum this will include notice of:

- All Key Decisions to be taken by the Mayor or Cabinet.
  - This could include decisions taken at public meetings or taken individually at other times.
- Budget and Policy Framework Decisions (for example the Budget Report itself and major policies to be agreed by Council as set out in the Constitution)

In addition the Council aims to publish all other decisions to be taken by the Mayor and/or Cabinet.

### **Key Decisions**

The Council is required to publish notice of all key decisions at least 28 days before they are taken by the Executive. Key decisions are all those decisions which involve major spending, or savings, or which have a significant impact on the local community. The precise definition of a key decision adopted by Tower Hamlets is contained in Section 3 of the [Constitution](#). Key Decisions can be taken by the Mayor, the Mayor in Cabinet or an officer if it has been expressly delegated.

### **Publication of Forthcoming Decisions**

Individual notices of new Key Decisions will be published on the website as they are known on the 'Forthcoming Decisions' page, whilst this 'Forthcoming Decisions Plan' collating these decisions will be published regularly, as a minimum at least, 28 days before each Cabinet meeting. The Plan will be published on the Council's website and will also be available to view at the Town Hall and Libraries, Ideas Centres and One Stop Shops if required.

### **Urgency**

If, due to reasons of urgency, a Key Decision has to be taken where 28 days' notice have not been given. Notice will be published (on the website) as early as possible and Urgency Procedures as set out in the Constitution have to be followed.

### **Make your views known**

The most effective way for the public to make their views known about a Forthcoming Decisions is to contact the lead officer, or Cabinet Member (where stated), listed. You can also view the Council's [Consultation Calendar](#), which lists all the issues on which the Council and its partners are consulting.

## Information about the Decision Makers

Further information on the Mayor and Members of the Cabinet can be found on the Council's [website](#).

## Notice of Intention to Conduct Business in Private

The Council is also required to give at least 28 days' notice if it wishes to consider any of the reports on the agenda of an Executive meeting (such as Cabinet) in private session. The last row of each item below will indicate any proposal to consider that item in private session. Should you wish to make any representations in relation to item being considered in private please contact Democratic Services on the contact details listed on the front page.

The notice may reference a paragraph of Section 12A of the 1972 Local Government Act. In summary those paragraphs refer to the following types of exempt information (more information is available in the Constitution):

<b>Title of Report</b>	<b>Adoption of the South Poplar Masterplan SPD</b>	Ward Blackwall & Cubitt Town; Canary Wharf; Island Gardens; Poplar	Key Decision? Yes
<b>Summary of Decision</b>	<p>The South Poplar Masterplan SPD project seeks to provide guidance on the implementation of policies in the Tower Hamlets Local Plan 2031. The SPD will also aim to align with the recommendations contained within the Mayor of London's Isle of Dogs and South Poplar Opportunity Area Planning Framework (adopted October 2019).</p> <p>Once adopted, the document will have weight as a material planning consideration setting out the Council's expectations for planning submissions. In this respect, the document will be a key reference point for developments within the area. Overall, it is intended for South Poplar to share in the benefits of good growth, improved transport capacity and connectivity, be provided with social infrastructure alongside development, benefit from joined up development across different land ownership and be protected against the construction impacts of future developments. The masterplan will optimise land around a transport hub and provide more certainty within the development management process</p>		

## Forward Plan June 2021

The SPD masterplan area is primarily informed by Local Plan Site allocations as well as adjacent sites considered integral to the delivery of important spatial goals. In particular, the masterplan area contains the North Quay, Billingsgate Market and Aspen Way site allocations. The SPD study area is located to the northern part of the Isle of Dogs and south of Poplar High Street. The Masterplan will cover an area included within the Poplar and Canary Wharf Council wards.

Within the South Poplar area, there are a number of development sites that have come forward, signalling the developer interest in the area. Each of the sites within the masterplan are at varying stages of the development process, however are likely to come forward in the very near future. To respond to the various challenges presented on each development site, this masterplan seeks to provide high quality, sustainable, deliverable guidance and strategies to ensure future development is delivered in accordance with the adopted Local Plan. The SPD will support priority 1 - People are aspirational, independent and have equal access to opportunities -and 2 - A borough that our residents are proud of and love to live in- of the Mayor's Strategic Plan.

The South Poplar Masterplan SPD has been through an extensive preparation process. This includes a baseline analysis and early engagement carried out during August-December 2020, such as mapping; site analysis, opportunities and constraints; structural analysis, initial consultation with stakeholders; an online survey and online exhibition.

Preparation of a draft document was carried out between December 2020 and March 2021. Public consultation was then carried out during 09 March-20 April 2021. A wide range of community groups, residents, landowners and other stakeholders engaged with the SPD and made formal responses as part of the consultation process.

It is now necessary to adopt the South Poplar Masterplan SPD to further enable clear and robust guidance to inform and be implemented in development proposals. The SPD will allow the delivery of a shared vision, which will ensure that existing character is respected and enhanced; and the new developments are of the highest quality in accordance with corporate and Council objectives and the Development Plan (Local Plan and London Plan).

Due to the coronavirus pandemic, no in-person events could be held during the consultation period, but a series of online meetings with internal and statutory consultees were held, as well as an online public 'open invite meeting'. A survey was placed online with links to the draft document and statutory consultees were contacted.</p> <p>A copy of the SPD was made available on the council's Let's Talk Tower Hamlets website. <p><b>Title of Report</b></p>	<p><b>Adoption of the Queen Mary University London SPD</b></p>	<p>Ward Bethnal Green; Bow West</p>	<p>Key Decision? Yes</p>
<p><b>Summary of Decision</b></p>	<p>The QMUL Mile End Campus Supplementary Planning Document (SPD) is a masterplan document which provides guidance to inform the future growth and development of the Queen Mary University London (QMUL) Mile End Campus.</p> <p>It is the aim of the SPD to ensure that future development on this campus is considered in the context of a site-wide masterplan in order to enhance the quality of the estate while strengthening the public realm; providing appropriate building mass and height; improving pedestrian and cycle connectivity; enhancing the setting of heritage assets; integrating the campus more successfully with its surroundings; and creating a more welcoming campus environment. The SPD also considers how the growth of the campus can maximise community benefits, biodiversity opportunities and environmental sustainability.</p> <p>Taking into account the above, the SPD includes a series of site-specific development principles for five key development areas. Each development area is supported by illustrative massing sketches, or 'case studies' to give an indication of how development might look.</p>		

## Forward Plan June 2021

The SPD supports the vision, objective and policies of the Tower Hamlets Local Plan 2031. This includes the vision for the Local Plan's 'Central Area', and the objective to 'support the expansion of Queen Mary University of London and associated uses, while ensuring good integration with surrounding areas'.

The document will provide material weight in planning decisions; and will therefore help the council to evaluate individual planning applications on the campus to assess whether they are in line with the coherent growth strategy set out within the SPD. The SPD will therefore provide more certainty within the development management process as individual sites come forward.

In total, the SPD masterplan creates the total addition of c. 60,000 sqm of non-residential floorspace and the net reduction of c. 175 student bedrooms.

The QMUL Mile End Campus SPD has been through an extensive preparation process. This includes evidence-base gathering and early masterplanning carried out during July-September 2020, such as mapping; site visits; initial consultation with stakeholders; public realm analysis; and transport evidence.

Preparation of a draft document was carried out between September 2020 and February 2021. Public consultation was then carried out during February-March 2021. A wide range of community groups, residents, landowners, university staff and other stakeholders engaged with the SPD and made formal responses as part of the consultation process.

It is now necessary to adopt the QMUL Mile End Campus SPD to further enable clear and robust guidance to inform and be implemented in development proposals a comprehensive campus-wide masterplan and vision, which will ensure that existing character is respected and enhanced; and the new developments are of the highest quality in accordance with corporate and Council objectives and the Development Plan (Local Plan and London Plan).

<b>Title of Report</b>	<b>Adoption of Reuse, Recycling and Waste SPD</b>	Ward All Wards	Key Decision? Yes
<b>Summary of Decision</b>	<p>The Reuse, Recycle and Waste Supplementary Planning Document (SPD) sets out guidance for developers on how waste management should be addressed in proposals for new residential and mixed-use development. The SPD covers the entire borough and aims to re-examine and improve the way in which waste is produced and managed.</p> <p>The SPD supports the implementation of the Tower Hamlets Local Plan policies on waste and recycling management by providing guidance on the implementation of effective waste management systems in a high-density setting. This overall strategic objective is to improve management of resources, including significant targets on levels of recycling, food waste, and use of landfill.</p> <p>Preparation of a draft document was carried out between September 2020 and February 2021. Public consultation was then carried out during February-March 2021. A wide range of community groups, residents, industry professionals and other stakeholders engaged with the SPD and made formal responses as part of the consultation process. These responses have been reviewed and implemented where necessary.</p> <p>It is now necessary to adopt the Reuse, Recycle and Waste SPD to enable the implementation of this guidance in development proposals. This will ensure that new residential developments implement best practice recycling and waste management systems in line with corporate and Council objectives and the development Plan (Local Plan and London Plan).</p>
