Dear Ms Yesmin

**Application for Premises Licence – Travel Goods, 79 Wentworth Street E1 7TD**  
**Hearing Date: 27 July 2021 at 6.30pm**

I refer to our previous correspondence and thank you for your assistance.

I now attach a report from licensing consultant Andy Newman and a statement by Ed Templeton who is a director of the firm who will be operating the premises if we are successful in obtaining a Premises Licence. I would be grateful if these items could be included in the papers circulated to the committee.

I also attach the Thwaites v Wirral case from 2008. Whilst an interesting exposition of the Licensing Act, I will be referring principally to only one paragraph, paragraph 63. I would like the committee to be aware of this particular paragraph but for the sake of completeness I attach the whole case.

I would have been pleased to attend the meeting but regrettably my wife has been given an appointment for surgery and therefore has to isolate until 29 July and therefore I will elect to conduct the meeting with your Teams Scheme from home. I have also asked that Andy Newman be available, should the committee wish to ask him any questions. I do not propose to call any other witnesses.

Will the letters which I have written to your colleagues in the Authority be included in the bundle? They do contain much of the reasoning and argument which I will advancing to the committee and it may therefore be of advantage if the committee can have seen them before the hearing so that I am not repeating myself! Please let me know.
